HOUSE JOURNAL
SIXTY-SIXTH LEGISLATIVE DAY - MARCH 25, 2009

"90-1-204. Priorities for funding -- rulemaking. (1) The department must receive proposals for grants and loans from local governments. A local government shall work with an economic development organization on a proposal. The department shall work with the local government and the economic development organization in preparing cost estimates for a proposed project. In reviewing proposals, the department may consult with other state agencies with expertise pertinent to the proposal.

(2) (a) The department shall adopt rules necessary to implement the big sky economic development program. In adopting rules, the department shall look to the rules adopted for the treasure state endowment program and other similar state programs. To the extent feasible, the department shall make the rules compatible with those other programs. To the extent feasible, the department shall employ an approach pertaining to the use of funds so that, except as provided in subsection (2)(b), the needs of rural areas are balanced with the needs of the state's urban centers.

(b) For high-poverty counties, the department shall employ an approach pertaining to the use of funds that is intended to lower poverty levels in the county to a percentage at which the county no longer is defined as a high-poverty county.

(c) The rules must provide for the types of uses of funds available under the big sky economic development program. The types of uses of funds by:

(i) local governments include but are not limited to:

(A) a reduction in the interest rate of a commercial loan for the expansion of a basic sector company;

(B) a grant or low-interest loan for relocation expenses for a basic sector company; and

(C) rental assistance or lease buy-downs for a relocation or expansion project for a basic sector company;

(ii) a certified regional development corporation include:

(A) support for business improvement districts and central business district redevelopment;

(B) industrial development;

(C) feasibility studies;

(D) creation and maintenance of baseline community profiles; and

(E) matching funds for federal funds, including but not limited to brownfields funds and natural resource damage funds.

(d) (i) The rules must provide for distribution methods for financial assistance available to local governments. ~~The~~ Except for local government projects specifically authorized in [House Bill No. 645], the rules must provide for distribution based upon the number of jobs expected to be created because of the funding.

(ii) ~~Funding~~ Except for local government projects specifically authorized in [House Bill No. 645], funding may not exceed \$5,000 for each expected job, except that funding for a project in a high-poverty county may not exceed \$7,500 for each expected job.

(iii) ~~The~~ Except for local government projects specifically authorized in [House Bill No. 645], the rules must require equal matching funds for a grant or loan, except that the rules for a grant or a loan in a high-poverty county may allow a 50% to 100% match requirement for the high-poverty county.

(e) ~~The~~ Except for local government projects specifically authorized in [House Bill No. 645], the rules may provide for greater incentives for a high-poverty county.

(f) ~~The~~ Except for local government projects specifically authorized in [House Bill No. 645], the rules must provide for the full or partial repayment of a grant if the new jobs or some of the new jobs for which a grant is given are not created.

(g) ~~A~~ Except for local government projects specifically authorized in [House Bill No. 645], a grant or loan may be made only for a new job that has an average weekly wage that meets or exceeds the current average weekly wage of the county in which the employees are to be principally employed."

implementing the reporting and accountability requirements of the American Recovery and Reinvestment Act of 2009, Public Law 111-5. The office shall develop requirements for reporting and posting information to the website, and these requirements are applicable to any recipient of funds from an appropriation in House Bill No. 645."

Insert: "NEW SECTION. Section 25. Distressed wood products industry recovery program -- findings -- loans and grants -- rulemaking. (1) Due to the current, well-documented decline in the wood products industry in Montana, the legislature finds that there is a need to assist the Montana wood products industry as a whole through a multifaceted and integrally related grant and loan program.

(2) Businesses that may be eligible under the program for loans, grants, or loans and grants include but are not limited to sawmills, plywood plants, paper and linerboard manufacturers, bark and byproducts-related businesses, round wood producers, wood chip processors, loggers, log haulers, biochar and biomass producers, and other innovative manufacturers and processors of wood products.

(3) (a) The department of commerce shall use money appropriated for the distressed wood products industry to implement the program.

(b) Money appropriated to the department of commerce may be used by the department to, among other things:

(i) provide state matching funds to federal agencies to create loan or grant programs that will benefit the types of businesses listed in subsection (2), including the commingling of appropriated funds with federal funds as needed to meet federal regulations and grant requirements; and

(ii) provide loans, grants, or both loans and grants to the types of businesses listed in subsection (2).

(c) Repayments of loans to the department of commerce may be used by the department as revolving loan funds for primary sector business throughout the state.

(4) The department of commerce may adopt rules necessary to implement the program. Rules adopted by the department must be based upon similar finance programs administered by the department and must include:

(a) sufficient business plan and financial information to allow a reasonable determination regarding the potential feasibility of the business to create and retain jobs and, in the case of loans, to make repayments to the department;

(b) annual information from each assisted business for the term of the grant or loan agreement regarding jobs created and retained, pay levels, financial status, and reports on overall project activities; and

(c) loan and grant amounts for each job, funding limits, and matching fund requirements."

Insert: "NEW SECTION. Section 29. Quick start energy grants. (1) There is a quick start energy program within the department of commerce for quick start energy efficiency improvement grants to public school districts for projects that provide long-term, cost-effective benefits to school facilities.

(2) A public school district may submit an application to the department of commerce for quick start energy efficiency improvement grant funding for:

(a) an energy audit or evaluation of the potential for energy savings in a school facility by a prequalified energy auditor; or

(b) energy efficiency improvements that are based on an energy audit or evaluation and that are expected to achieve measurable energy efficiency to a school facility and cost savings to the public school district.

(3) In awarding grants under this section, the department of commerce shall consider the potential for energy savings in a public school facility based on the age, energy use, function, and condition of the building.

(4) The department of commerce may consult with the department of environmental quality and the architecture and engineering division of the department of administration in the review and evaluation of quick start grant applications.

HOUSE JOURNAL
SIXTY-SIXTH LEGISLATIVE DAY - MARCH 25, 2009

(5) Of the line item appropriation for the School Facilities Program Administration and Grants found in [section 51], up to \$35 million may be used, at the discretion of the department of commerce, to award grants under the quick start energy program. The department of commerce shall distribute quick start funds on a reimbursement basis from May 15, 2009, until September 30, 2009. Any quick start funds not obligated under this section for reimbursement to a public school district by September 30, 2009, must be used as provided in [section 51] for the School Facilities Program Administration and Grants line item appropriation.

(6) The department of commerce shall collect information regarding the cost savings to public school districts that make energy efficiency improvements based on grant funding received under subsection (2)(b).

(7) The department of commerce shall consult with the office of public instruction on the disbursement of quick start grants and shall make every attempt to accommodate large schools, small schools, urban schools, and rural schools.

(8) Quick start grants made under this program are subject to review by the legislative finance committee."

(3) (a) If an urban renewal area, an industrial district, a technology district, or an aerospace transportation and technology district suffers a loss of property value directly related to a disaster for which the principal executive officer of the local jurisdiction has made a disaster declaration pursuant to 10-3-402, the department of revenue shall decrease the base taxable value of the area or district by the amount of the base taxable value lost because of the disaster in the tax year in which the disaster is declared. The principal executive officer shall forward a copy of the disaster declaration to the department of revenue.

(b) The taxable value removed from the base taxable value of the area or district under subsection (3)(a) must be added to the base taxable value of the area or district upon reconstruction of the property in the tax year of reconstruction. If reconstruction of the property is only partially completed as of January 1 of the tax year, the department of revenue shall determine the base taxable value of the property for that tax year by multiplying the percentage of completion, expressed as a decimal equivalent, of reconstruction of the property by the original base taxable value of the property. The addition to the base taxable value under this subsection (3)(b) is limited to the amount of the original base taxable value of each parcel before the disaster occurred."
