26 **"75-10-743. Orphan share state special revenue account -- reimbursement of claims -- payment**
27 **of department costs.** (1) There is an orphan share account in the state special revenue fund established in
28 17-2-102 that is to be administered by the department. Money in the account is available to the department by
29 appropriation and, except as provided in subsections (9), ~~and (10), and (11),~~ must be used to reimburse remedial

12 money to reimburse claims for completed remedial actions, a reimbursement may not be made and the orphan
13 share fund, the department, and the state are not liable for making any reimbursement for the costs. The
14 department and the state are not liable for any penalties if the orphan share fund does not contain sufficient
15 money to reimburse claims, and interest may not accrue on outstanding claims.

16 (4) Except as provided in subsections (6) and (7), claims may not be submitted and remedial action costs
17 may not be reimbursed from the orphan share fund until all remedial actions, except for operation and
18 maintenance, are completed at a facility.

20 actual documented remedial action costs incurred after the date of a petition provided for in 75-10-745.
21 Reimbursement may not be made for attorney fees, legal costs, or operation and maintenance costs.

22 (6) (a) The department's costs incurred in defending the orphan share must be paid by the persons
23 participating in the allocation under 75-10-742 through 75-10-751 in proportion to their allocated shares. The
24 orphan share fund is responsible for a portion of the department's costs incurred in defending the orphan share
25 in proportion to the orphan share's allocated share, as follows:

26 (i) If sufficient funds are available in the orphan share fund, the department's costs incurred in defending
27 the orphan share must be paid from the orphan share fund in proportion to the share of liability allocated to the
28 orphan share.

30 under 75-10-742 through 75-10-751 shall pay all the orphan share's allocated share of the department's costs

3 share fund and must be reimbursed as provided in subsection (3).

4 (c) A state agency that is liable for remedial action costs incurred has a claim against the orphan share
5 fund and must be reimbursed as provided in subsection (3). The agency may submit a claim before or after
6 remedial action is complete. Reimbursement may not be made for attorney fees, legal costs, or operation and
7 maintenance costs. The agency may be reimbursed only after:

8 (i) its liability has been determined pursuant to 75-10-742 through 75-10-751 or by a court of competent
9 jurisdiction;

10 (ii) it has received a notice letter pursuant to 75-10-711; and

11 (iii) the department has approved the costs.

12 (7) (a) If the lead liable person under 75-10-746 presents evidence to the department that the person
13 cannot complete the remedial actions without partial reimbursement and that a delay in reimbursement will cause
14 undue financial hardship on the person, the department may allow the submission of claims and may reimburse
15 the claims prior to the completion of all remedial actions. A person is not eligible for early reimbursement unless
16 the person is in substantial compliance with all department-approved remedial action plans.

17 (b) The department may reimburse claims from a lead liable person upon completion and department
18 approval of a report evaluating the nature and extent of contamination and a report formulating and evaluating
19 final remediation alternatives. This early reimbursement is limited to those eligible costs incurred by the lead liable
20 person for the preparation of the reports.

21 (8) A person participating in the allocation process who received funds under the mixed funding pilot
22 program provided for in sections 14 through 20, Chapter 584, Laws of 1995, may not claim or receive
23 reimbursement from the orphan share fund for the amount of funds received under the mixed funding pilot
24 program that are later attributed to the orphan share under the allocation process.

25 (9) (a) For the biennium beginning July 1, 2005, up to \$1.25 million may be used by the department to
26 pay the costs incurred by the department in contracting for evaluating the extent of contamination and formulating
27 final remediation alternatives for releases at the Kalispell pole and timber, reliance refinery company, and Yale
28 oil corporation facility complex. If the department spends less than \$1.25 million for those purposes, the remaining
29 funds must be spent for remediation of the facility complex. The department may not seek recovery of the \$1.25
30 million from potentially liable persons.

1 (b) The money spent pursuant to subsection (9)(a) must be credited against the amount owed by the
2 state agency in a judgment or settlement agreement for payment of the remedial action costs at the facility for
3 which the money was spent.

4 (10) (a) The department shall transfer from the orphan share account to the long-term or perpetual water
5 treatment permanent trust fund provided for in 82-4-367 \$1.2 million in each fiscal year until the board of
6 investments makes the certification pursuant to subsection (10)(b) of this section.

7 (b) (i) The board of investments shall monitor the long-term or perpetual water treatment permanent trust
8 fund provided for in 82-4-367 to determine when the amount of money in the long-term or perpetual water
9 treatment permanent trust fund will be sufficient, with future earnings, to provide a fund balance of \$19.3 million
10 on January 1, 2018.

11 (ii) When the board of investments makes the determination pursuant to subsection (10)(b)(i), the board
12 of investments shall notify the department and certify to the department the amount of money, if any, that must
13 be transferred during the fiscal year in which the board of investments makes its determination pursuant to
14 subsection (10)(b)(i) in order to provide a fund balance of \$19.3 million on January 1, 2018.

15 (iii) In the fiscal year that the board of investments makes its determination and notifies the department,
16 the department shall transfer only the amount certified by the board of investments, if any, and may not make
17 additional transfers during subsequent fiscal years.
