counting board shall take ballots out of the box to determine whether each ballot is single.

(2) The board shall count all ballots to ensure that the total number of ballots corresponds with the total number of names in the pollbook.

(3) If the board cannot reconcile the total number of ballots with the pollbook, the board shall submit to the election administrator a written report stating how many ballots were missing or in excess and any reason of which they are aware for the discrepancy. Each judge on the board shall sign the report.

(4) A ballot that is not marked as official is void and may not be counted unless all judges on the board agree that the marking is missing because of an error by election officials, in which case the ballot must be marked "unmarked by error" on the back and must be initialed by all judges.

(5) If two or more ballots are folded or stuck together to look like a single ballot, they must be laid aside until the count is complete. The counting board shall compare the count with the pollbooks, and if a majority believes that the ballots folded together were voted by one elector, the ballots must be rejected and handled as provided in 13-15-108, otherwise they must be counted.

(6) Only valid absentee ballots may be counted in an election conducted under this chapter.

(7) For the purpose of this chapter, a voted absentee ballot is valid only if:

(a) the elector's signature on the affirmation on the return envelope is verified pursuant to 13-13-241; and

(b) it is received before 8 p.m. on election day, except as provided in 13-21-206 and 13-21-207.

(8) (a) A ballot is invalid if:

(i) problems with the ballot have not been resolved pursuant to 13-13-245;

(ii) any identifying marks are placed on the ballot by the elector; or

(iii) except as provided in subsection (8)(b), more than one ballot is enclosed in a single return or secrecy envelope.

(b) The provisions of subsection (8)(a)(iii) do not apply if:

(i) there are multiple elections being held at the same time and the envelope contains only one ballot for each election; or

(ii) the return envelope contains ballots from the same household, each ballot is in its own secrecy envelope, and the return envelope contains a valid signature for each elector who has returned a ballot."

(i) information on the estimated amount of postage required to return the ballot;

(ii) (A) the location of the places of deposit and the days and times when ballots may be returned to the places of deposit, if the information is available; or

"5-2-402. Appointment by board of county commissioners -- county central committee role -- timeframes. (1) Except as provided in subsection (5) or as otherwise provided by law, whenever a vacancy occurs in the legislature, the vacancy must be filled by appointment

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 15, 2013

by the board of county commissioners or, in the event of a multicounty district, the boards of county commissioners of the counties comprising the district sitting as one appointing board.

(2) (a) Whenever a vacancy is within a single county, the board of county commissioners shall make the appointment as described in 5-2-403, 5-2-404, or 5-2-406.

(b) Whenever a vacancy is within a multicounty district, the boards of county commissioners shall sit as one appointing board. The selection of an individual to fill the vacancy must be as follows:

(i) The presiding officer of the board of county commissioners of the county in which the person resided whose vacancy is to be filled shall call a meeting for the purpose of appointing the member of the legislature and shall preside at the meeting.

(ii) Each commissioner's vote is determined by the following formula: 100 multiplied by (A divided by B) multiplied by (1 divided by C), where:

(A) A is the total votes cast in the respective county for the person vacating the legislative seat or, if the vacating person was not elected, the votes cast for the last person to be elected for the current term;

(B) B is the total votes cast for that person in the legislative district; and

(C) C is the number of authorized commissioners on the board of the commissioner whose vote is being determined.

(iii) The person selected to fill the vacancy is the one who receives the highest number above 50 that results from the calculation in subsection (2)(b)(ii). If none of the candidates receives a number higher than 50 from that calculation, the selection board shall cast its votes again in the same manner for the persons receiving the two highest numbers. If neither vote results in a candidate receiving a number higher than 50 from the calculation provided in subsection (2)(b)(ii), then 5-2-404 applies.

(c) If a vacancy occurs in a holdover senate seat after holdover senators have been assigned to new districts under each reapportionment, the formula in subsection (2)(b)(ii) must be applied using the votes cast for the senatorial candidates at the last election in which votes were cast for a senate candidate. Only the number of votes cast by electors residing in the new senate district for ~~senate candidates of the party to which the person vacating the seat belonged~~ may be counted. The secretary of state shall provide an estimate of the number of votes cast for ~~each party~~ by county or portion of a county. The selection process is the same as provided in subsection (2)(b)(iii).

(3) The appointment process to fill a vacant legislative seat under this section is as follows:

(a) Within 7 days of being notified of a vacancy as described in 2-16-501, the secretary of state shall notify the board of county commissioners, and if the vacating legislator marked a party preference on the legislator's most recent declaration of candidacy filed with the secretary of state or election administrator, the secretary of state shall notify the relevant state party that is responsible for notifying the county central committee of the county where the vacating legislator is a resident, if the legislative seat is within one county, or the boards of county commissioners and the corresponding county central committees if the legislative seat is in a multicounty district. If the legislator is an independent or belongs to a party for which there is no county central committee, the notification of county commissioners suffices. ~~is an independent or belongs to a party for which there is no county central committee, the notification of county commissioners suffices.~~

(b) The county central committee or committees, upon receipt of notification of a vacancy,

have 45 days to propose a list of prospective appointees, pursuant to 5-2-403(1). The county central committee or the county central committees, acting together, shall forward the list of names to the appointing board within the 45-day period.

(c) The appointing board shall make and confirm an appointment and notify the secretary of state within 15 days:

(i) after receiving the list of prospective appointees from the county central committee or committees;

(ii) after 45 days have expired after the notification of vacancy if the county central committee or committees have not provided a list of prospective appointees; or

(iii) after notification of a vacancy if the legislator vacating the seat is an independent.

(4) If the legislature is in session, the notification process in subsection (3)(a) must be followed within 5 days. The process described in subsection (3)(b) must take place in 5 days. The process described in subsection (3)(c) must take place in 5 days.

(5) Notwithstanding subsection (6), if a vacancy occurs prior to a primary election, 13-10-326 applies. If a vacancy occurs after a primary and prior to a general election, 13-10-327 applies.

(6) If the legislature is called into special session within 85 days of a general election, a person must be appointed to fill a legislative vacancy pursuant to subsections (1) through (4)."

Dear Speaker Blasdel:

I am returning House Bill 8 – Cook, House Bill 385 – Lavin and House Bill 562 – Swanson with amendments.

The Honorable Mark Blasdel
Speaker of the House
State Capitol Helena, MT 59620

Dear Speaker Blasdel:

In accordance with the powers vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 8 (HB 8), "AN ACT APPROVING

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 15, 2013

RENEWABLE RESOURCE PROJECTS AND AUTHORIZING LOANS; REAUTHORIZING RENEWABLE RESOURCE PROJECTS AUTHORIZED BY THE 62ND LEGISLATURE; APPROPRIATING MONEY TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR LOANS UNDER THE RENEW ABLE RESOURCE GRANT AND LOAN PROGRAM; AUTHORIZING THE ISSUANCE OF COAL SEVERANCE TAX BONDS; AUTHORIZING THE CREATION OF A STATE DEBT AND APPROPRIATING COAL SEVERANCE TAXES FOR DEBT SERVICE; PLACING CERTAIN CONDITIONS UPON LOANS; AND PROVIDING AN EFFECTIVE DATE."

The legislature amended into HB 8 funds for North Central and Dry Prairie Regional Water Systems projects totaling \$16,000,000. Since these projects have not yet had their federally funded match identified at the passage of this bill, I feel it is necessary that the department report back to the legislative finance committee the progress of these projects.

For these reasons, my amendment requires the Department of Natural Resources and Conservation to report to the Legislative Finance Committee on the progress of the Dry Prairie Regional Water and the North Central Regional Water projects by September 1, 2014.

I respectfully ask for your support of this amendment.

Sincerely,

Steve Bullock
Governor

The Honorable Jeff Essmann
President of the Senate
State Capitol Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill 283 (HB 283), "AN ACT PROVIDING FOR FISCAL NOTES THAT INCLUDE BUSINESS IMPACT STATEMENTS; AMENDING SECTION 5-4203, MCA; AND PROVIDING A TERMINATION DATE."

HB 283 requires the Legislative Fiscal Analyst, with the assistance of the Budget Director, to prepare a business impact statement for proposed legislation. This may seem like a reasonable request, given that the Office of Budget and Program Planning (OBPP) already prepares fiscal notes. However, the purpose of the fiscal note is to show in dollar amounts the estimated increase or decrease in governmental revenue or expenditures, costs that may be absorbed without additional funds, and long-range financial implications. A fiscal note may further illustrate technical or mechanical defects to a bill. At present the Budget Director works in cooperation with the state or local agencies affected by the bill to accomplish these requirements. Collectively these are sensible and realistic expectations.

However, asking the OBPP and Legislative Fiscal Division to determine the impact of proposed policies on private businesses is neither reasonable nor realistic. They do not have the expertise or resources to determine what costs businesses of varying sizes across a vast and diverse state may not incur relating to proposed legislation.

HB 283 is also unnecessary. Private businesses already have the opportunity to review and comment on proposed legislation throughout the legislative process. That is the best opportunity for both businesses and the Legislature to analyze the impacts.

For these reasons, I respectfully ask for your support in sustaining my veto.

Sincerely,

STEVE BULLOCK
Governor

Speaker of the House

The Honorable Jeff Essmann
President of the Senate
State Capitol
Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill 304 (HB 304), "AN ACT REVISING CONCEALED WEAPONS LAWS; PROVIDING THAT THE OFFENSE OF CARRYING A CONCEALED WEAPON DOES NOT APPLY TO A PERSON WHO IS ELIGIBLE TO POSSESS A HANDGUN UNDER STATE OR FEDERAL LAW; AND AMENDING SECTION 45-8-317, MCA."

Montana grants the authority to issue a concealed weapons permit with our locally elected sheriffs, who "shall" issue a permit to an applicant. The sheriff may require completion of basic firearms safety training before issuing a permit or they may deny a permit to a person struggling with mental illness. Denials are uncommon, and only happen under the most extreme circumstances.

Our laws have been in place since 1919 and have served our state well. As of April 11, 2013, there were 33,814 concealed weapons permit holders. I have improved this century-old process this legislative session by signing into law Senate Bill 145, which classifies all concealed weapons permit information as confidential criminal justice information.

House Bill 304 would effectively eliminate Montana's concealed weapon permitting process by allowing anyone eligible to possess a handgun to carry a concealed weapon without a permit. The measure would allow individuals to decide whether they are eligible to carry a concealed weapon.

If the logic of HB 304 were applied to other situations, there would be no need for a person to be licensed before driving on our highways -all they would need to do would be to determine whether they were "eligible" to drive. The same goes for pilot's licenses, building permits, hunting licenses, or any other type of permit. While I will fiercely defend the 2nd amendment rights of our citizens, I cannot support an absurd concept that threatens the safety of our communities, by not providing for basic fundamentals of gun safety or mental health screening.

Moreover, instead of protecting the rights of Montanans, in reality HB 304 erodes the ability of a Montana citizen to purchase a weapon or carry concealed in another state. HB 304 would void our state's reciprocity agreements with more than 40 states that recognize concealed weapon pennints and it would void our laws allowing Montana permit holders to bypass the federal background check

required for a firearm purchase.

I respectfully ask that you stand with the Montana Sheriffs and Peace Officers Association, the Montana County Attorneys Association and the Montana Association of Chiefs of Police in opposition to this bill and sustain my veto.

The Honorable Mark Blasdel
Speaker of the House
State Capitol

The Honorable Jeff Essmann
President of Senate
State Capitol
Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the Laws of the State of Montana, I hereby veto House Bill 374 (HB 374), entitled, "AN ACT PROVIDING TO AN INDIVIDUAL LEGISLATOR WHO IS A SPONSOR OR COSPONSOR OF LEGISLATION STANDING TO INTERVENE IN DECLARATORY JUDGMENT ACTIONS INVOLVING ALLEGED CONSTITUTIONAL OR STATUTORY VIOLATIONS; PROVIDING LEGISLATIVE FINDINGS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE."

HB 374 allows legislators to intervene as parties in declaratory judgment actions challenging, on constitutional or statutory grounds, the laws they have sponsored or co-sponsored. The bill violates the separation of powers doctrine, which provides that one branch of government may not encroach upon the authority reserved to another branch of government. Mont. Const. art. III, § 1.

Under Montana's Constitution, it is within the exclusive authority of the executive branch to defend the state against lawsuits. Mont. Const. art. VI, § 4. Section 2-15-501 (1), (6), MCA. HB 374 would enable the Legislature to encroach on the exclusive authority of the executive branch. Further, the bill is unnecessary in light of the fact that legislators who would like to be heard in these cases may apply to the court to participate as amicus curiae.

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 15, 2013

For these reasons, I respectfully ask you to sustain my veto of HB 374.

Sincerely,

STEVE BULLOCK
Governor

April 12, 2013

The Honorable Mark Blasdel
Speaker of the House
State Capitol
Helena, MT 59620

Dear Speaker Blasdel:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 385 (HB 385), "AN ACT GENERALLY REVISING LAWS RELATING TO A TENANT ENGAGING IN OR KNOWINGLY ALLOWING ANY PERSON TO ENGAGE IN ANY ACTIVITY ON RENTAL PREMISES THAT CREATES A REASONABLE POTENTIAL THAT THE PREMISES MAYBE DAMAGED OR DESTROYED OR THAT NEIGHBORING TENANTS MAYBE INJURED; AND AMENDING SECTIONS 7024-303, 70-24-321, 70-24-422, AND 70-24-427, MCA."

HB 385 assists landlords in dealing with tenants who may be damaging property or endangering other tenants. I support the common sense provisions of this bill which broaden the circumstances under which a landlord may terminate a rental agreement.

However, the provisions of this bill concerning timelines for termination of an agreement and for court action in certain circumstances present practical and legal difficulties. First, it is unreasonable to provide for the immediate termination of a rental agreement upon written notice to a tenant. Any tenant will need a certain amount of time to find alternative housing and to move out. My amendments restore the three-day notice period as provided in current statute.

Second, the bill requires that a court, within 24 hours of receiving notice of certain tenant behavior, issue an order in favor of the landlord delivering possession of the premises to the landlord. This language contains no provision that the tenant be notified or provided an opportunity to be heard. The bill deprives tenants of due process. My amendments strike this provision in its entirety.

Finally, the new deadlines for court action following a landlord claim for possession or damages are unrealistic, given court caseloads. My amendments change the timeline from 3 business days to 14 days for a landlord claim to be heard, while requiring an accelerated 5 day timeline for certain claims. An appeal to a district court must similarly be heard within 14 days. Finally, a court must render a decision on a landlord's complaint within 5 days after the hearing.

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 15, 2013

These amendments assist landlords and provide for a faster legal process, while ensuring that the measure is consistent with basic constitutional protections.

I respectfully ask for your support of these amendments.

Sincerely,

STEVE BULLOCK
Governor

The Honorable Mark Blasdel
Speaker of the House
State Capitol
Helena, MT 59620

Dear Speaker Blasdel:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 562 (HB 562), "AN ACT REVISING SUBDIVISION LA WS REGARDING SURVEYS AND EXEMPTIONS FROM LOCAL SUBDIVISION REVIEW; EXEMPTING FROM REVIEW BOUNDARY RELOCATIONS AND RESULTING TRACTS OF RECORD UNDER CERTAIN CIRCUMSTANCES; AMENDING SECTION 76-3-207, MCA; AND PROVIDING AN EFFECTIVE DATE."

Current law identifies circumstances under which a division or aggregation of land is exempt from the subdivision review processes in the Montana Subdivision and Platting Act. HB 562 modifies the exemption from common boundary line relocation (Section 76-3-207(1)(a)) to clarify that the exemption is available for use even if the relocation of common boundary lines will result in the creation of a tract of record that is less than 160 acres. This new language reflects existing law and does not change the scope of the exemption.

This clarification, however, is applicable to all of the exemptions listed in Section 76-3-207, MCA. By adding the proposed language to the boundary line relocation exemption only, HB 562 could potentially create ambiguity in existing law and the applicability of the remaining exemptions listed in Section 76-3-207, MCA.

I propose an amendment to HB 562 to move the proposed language instead to the introductory section of 76-3-207, MCA. This change will make clear that all exemptions listed under this provision of the Montana Subdivision and Platting Act are available regardless of whether the use of the exemption will result in the creation of a tract of record that is less than 160 acres.

HOUSE JOURNAL
SEVENTY-NINTH LEGISLATIVE DAY - APRIL 15, 2013

I respectfully ask for your support of these amendments.

Sincerely,

STEVE BULLOCK

sum of direct state aid, the natural resource development K-12 funding payment, and the special education allowable cost payment for the district by totaling:

(i) the district's nonisolated school BASE budget requirement to be met by a district levy as provided in 20-9-303; and

(ii) any general fund budget amount adopted by the trustees of the district under the provisions of 20-9-308 and 20-9-353.

(b) Determine the money available for the reduction of the property tax on the district for the general fund by totaling:

(i) the general fund balance reappropriated, as established under the provisions of 20-9-104;

(ii) amounts received in the last fiscal year for which revenue reporting was required for each of the following:

(A) interest earned by the investment of general fund cash in accordance with the provisions of 20-9-213(4); and

(B) any other revenue received during the school fiscal year that may be used to finance the general fund, excluding any guaranteed tax base aid;

(iii) anticipated oil and natural gas production taxes;

(iv) pursuant to subsection (4), anticipated revenue from coal gross proceeds under 15-23-703; and

(v) school district block grants distributed under 20-9-630.

(c) Notwithstanding the provisions of subsection (2), subtract the money available to reduce the property tax required to finance the general fund that has been determined in subsection (1)(b) from any general fund budget amount adopted by the trustees of the district, up to the BASE budget amount, to determine the general fund BASE budget levy requirement.

(d) Determine the sum of any amount remaining after the determination in subsection (1)(c) and any tuition payments for out-of-district pupils to be received under the provisions of 20-5-320 through 20-5-324, except the amount of tuition received for a pupil who is a child with a disability in excess of the amount received for a pupil without disabilities, as calculated under 20-5-323(2).

(e) Subtract the amount determined in subsection (1)(d) from any additional funding requirement to be met by an over-BASE budget amount, a district levy as provided in 20-9-303, and any additional financing as provided in 20-9-353 to determine any additional general fund levy requirements.

(2) The county superintendent shall calculate the number of mills to be levied on the taxable property in the district to finance the general fund levy requirement for any amount that does not exceed the BASE budget amount for the district by dividing the amount determined in subsection (1)(c) by the sum of:

(a) the amount of guaranteed tax base aid that the district will receive for each mill levied, as certified by the superintendent of public instruction; and

(b) the current total taxable valuation of the district, as certified by the department of revenue under 15-10-202, divided by 1,000.

(3) The net general fund levy requirement determined in subsections (1)(c) and (1)(d) must be reported to the county commissioners by the later of the first Tuesday in September or within 30 calendar days after receiving certified taxable values by the county superintendent as the general fund net levy requirement for the district, and a levy must be set by the county commissioners in accordance with 20-9-142.
