8 AND A TERMINATION DATE."

9
10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11
12 **Section 1.** Section 19-20-731, MCA, is amended to read:

13 **"19-20-731. Postretirement employment limitations -- cancellation and recalculation of benefits**
14 **-- reporting obligation of retired member.** (1) (a) Except as [provided in 19-20-732 or as] otherwise provided
15 in this section, a retired member may be employed by an employer in a position that is reportable to the retirement
16 system and may earn, without an adjustment of retirement benefits, an amount not to exceed the greater of:

17 (i) one-third of the sum of the member's average final compensation; or

18 (ii) one-third of the median of the average final compensation for members retired during the preceding
19 fiscal year as determined by the retirement board.

20 (b) The maximum compensation that a retired member may earn under subsection (1)(a) without an
21 adjustment of retirement benefits includes all amounts paid to or on behalf of the retired member and the value
22 of all benefits provided to or on behalf of the retired member by the employer, including any amounts deferred
23 for payment to a later year, excluding:

24 (i) health insurance premiums directly paid by the employer on the retired member's behalf for health
25 care coverage provided by the employer;

26 (ii) the value of housing provided by the employer to the retired member;

27 (iii) the amount of employment-related travel expenses reimbursed to the retired member by the
28 employer;

29 (iv) de minimis fringe benefits, as defined in 26 U.S.C. 132(e), paid by the employer to or on behalf of the
30 retired member; and

1 (v) payroll taxes paid by the employer on behalf of the retired member.

2 (c) A member applying for a retirement allowance or resumption or recalculation of a retirement
3 allowance based on a termination date of January 1, 2014, or later is required to complete the break-in-service
4 period set forth in [section 2] before the retired member may be employed in a position reportable to the
5 retirement system.

6 (2) On July 1 of each year following the member's retirement effective date, the maximum that a retired
7 member may earn under subsection (1)(a)(i) is increased by an amount equal to the consumer price index
8 increase for urban wage earners compiled by the bureau of labor statistics of the United States department of
9 labor or its successor agency in the preceding calendar year.

10 (3) [Except as provided in 19-20-732,] the retirement benefit of a retired member:

11 (a) employed and earning more than allowed by subsections (1) and (2) must be temporarily reduced
12 by \$1 for each dollar earned over the maximum allowed. Monthly benefits must be reduced beginning as soon
13 as practical after the excess earnings have been reported to the retirement system by the employer. The
14 retirement benefit must be suspended if the retired member's earnings over the maximum allowed exceed the
15 gross monthly benefit amount.

16 (b) employed in one or more part-time positions under one or more contracts providing for an aggregate
17 payment of a total amount that is more than the maximum allowed must be suspended effective on the date on
18 which the retired member returns to employment.

19 (4) For purposes of this section, the term "employed in a position that is reportable to the retirement
20 system" includes any work performed or service provided by a retired member to or on behalf of an employer,
21 including but not limited to work performed or service provided through a professional employer arrangement,
22 an employee leasing arrangement, as a temporary service contractor, or as an independent contractor.

23 (5) For purposes of this section, the employment status and maximum compensation of a retired member
24 who is employed in more than one position or under more than one contract, whether with one employer or more
25 than one employer, is the aggregate full-time equivalency and compensation derived from all positions reportable
26 to the retirement system in which the retired member is employed.

27 (6) Within 30 days of the date of the execution of an agreement for the employment of a retired member
28 or of the first date on which the retired member provides services if no agreement is entered into, the retired
29 member shall provide written notice of the postretirement employment to the retirement system.

30 (7) For purposes of this section, if a retired member is employed by an employer in a position that is

1 reportable to the retirement system and the retired member is concurrently working for the employer in another
 2 position that is not reportable to the system, the position that is not reportable is considered to be part of the
 3 position that is reportable to the retirement system. All earnings of the retired member that are generated by these
 4 positions are reportable to the retirement system.

5 (8) The retirement allowance of any retired member who is employed in a position and who elects to
 6 participate in the optional retirement program under Title 19, chapter 21, must be suspended until the member
 7 is no longer employed in the position and is no longer participating in the optional retirement program. (Bracketed
 8 language terminates June 30, 2015--sec. 5, Ch. 129, L. 2009.)"
