12  
13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

14  
15 NEW SECTION. **Section 1. Short title.** [Sections 1 through 11] may be cited as the "Parental Consent  
16 for Abortion Act of 2013".

17  
18 NEW SECTION. **Section 2. Legislative purpose and findings.** (1) The legislature finds that:

19 (a) immature minors often lack the ability to make fully informed choices that take into account both  
20 immediate and long-range consequences;

21 (b) the medical, emotional, and psychological consequences of abortion are sometimes serious and can  
22 be lasting, particularly when the patient is immature;

23 (c) the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of an  
24 abortion are not necessarily related;

25 (d) parents ordinarily possess information essential to a physician in the exercise of the physician's best  
26 medical judgment concerning the minor;

27 (e) parents who are aware that their minor daughter has had an abortion may better ensure that the  
28 daughter receives adequate medical care after the abortion; and

29 (f) parental consultation is usually desirable and in the best interests of the minor.

30 (2) The purpose of [sections 1 through 11] is to further the important and compelling state interests of:

- 1 (a) protecting minors against their own immaturity;  
2 (b) fostering family unity and preserving the family as a viable social unit;  
3 (c) protecting the constitutional rights of parents to rear children who are members of their household;  
4 and  
5 (d) reducing teenage pregnancy and unnecessary abortion.  
6

17 physician or physician assistant, so complicates the medical condition of a pregnant woman as to necessitate  
18 the immediate abortion of the woman's pregnancy to avert the woman's death or a condition for which a delay  
19 in treatment will create serious risk of substantial and irreversible impairment of a major bodily function.

20 (5) "Minor" means a pregnant female under 18 years of age who is not an emancipated minor.

21 (6) "Physical abuse" means any physical injury intentionally inflicted by a parent or legal guardian on a  
22 minor.

23 (7) "Physician" means a person licensed to practice medicine under Title 37, chapter 3.

24 (8) "Physician assistant" means a person licensed pursuant to Title 37, chapter 20, who provides medical  
25 services under the supervision of a physician.

**NEW SECTION. Section 6. Proof of identification and relationship to minor -- retention of records.**

(1) A parent or legal guardian of a minor who is consenting to the performance of an abortion on the minor shall provide the attending physician or physician assistant or the agent of the physician or physician assistant with government-issued proof of identity and written documentation that establishes that the parent or legal guardian is the lawful parent or legal guardian of the minor.

(2) A physician or physician assistant shall retain the completed consent form and the documentation provided pursuant to subsection (1) in the minor's medical file for 5 years after the minor reaches 18 years of age, but in no event less than 7 years.

(3) A physician or physician assistant receiving documentation under this section shall execute for inclusion in the minor's medical record an affidavit stating: "I, (insert name of physician or physician assistant), certify that according to my best information and belief, a reasonable person under similar circumstances would rely on the information presented by both the minor and the minor's parent or legal guardian as sufficient evidence of identity and relationship."

**NEW SECTION. Section 7. Exceptions.** Consent is not required under [section 4] if:

(1) the attending physician or physician assistant certifies in the minor's medical record that a medical emergency exists and there is insufficient time to provide consent;

(2) consent is waived, in a notarized writing, by the person entitled to give consent; or

(3) consent is waived under [section 9].

**NEW SECTION. Section 8. Coercion prohibited.** A parent, a legal guardian, or any other person may

not coerce a minor to have an abortion. If a minor is denied financial support by the minor's parents, legal guardian, or custodian because of the minor's refusal to have an abortion, the minor must be considered an emancipated minor for the purposes of eligibility for public assistance benefits. The public assistance benefits may not be used to obtain an abortion.

**NEW SECTION. Section 9. Procedure for judicial waiver of consent.** (1) The requirements and procedures under this section are available to minors whether or not they are residents of this state.

(2) A minor may petition the youth court for a waiver of the requirement for consent and may participate

1 in the proceedings on the minor's own behalf. The petition must include a statement that the minor is pregnant  
2 and is not emancipated. The court may appoint a guardian ad litem for the minor. A guardian ad litem is required  
3 to maintain the confidentiality of the proceedings. The youth court shall advise the minor of the right to assigned  
4 counsel and shall order the office of state public defender, provided for in 47-1-201, to assign counsel upon  
5 request.

6 (3) Proceedings under this section are confidential and must ensure the anonymity of the minor. All  
7 proceedings under this section must be sealed. The minor may file the petition using a pseudonym or using the  
8 minor's initials. All documents related to the petition and the proceedings on the petition are confidential and are  
9 not available to the public. The proceedings on the petition must be given preference over other pending matters  
10 to the extent necessary to ensure that the court reaches a prompt decision. The court shall issue written findings  
11 of fact and conclusions of law and rule within 48 hours of the time that the petition is filed unless the time is  
12 extended at the request of the minor. If the court fails to rule within 48 hours and the time is not extended, the  
13 petition is granted and the requirement for consent is waived.

14 (4) If the court finds that the minor is competent to decide whether to have an abortion, the court shall  
15 issue an order authorizing the minor to consent to the performance or inducement of an abortion without the  
16 consent of a parent or legal guardian.

17 (5) The court shall issue an order authorizing the minor to consent to an abortion without the consent  
18 of a parent or legal guardian if the court finds that:

19 (a) there is evidence of physical abuse, sexual abuse, or emotional abuse of the minor by one or both  
20 parents, a legal guardian, or a custodian; or

21 (b) the consent of a parent or legal guardian is not in the best interests of the minor.

22 (6) If the court does not make a finding specified in subsection (4) or (5), the court shall dismiss the  
23 petition.

24 (7) A court that conducts proceedings under this section shall issue written and specific findings of fact  
25 and conclusions of law supporting its decision and shall order that a confidential record of the evidence, findings,  
26 and conclusions be maintained.

27 (8) The supreme court may adopt rules providing an expedited confidential appeal by a minor if the youth  
28 court denies a petition. An order authorizing an abortion without the consent of a parent or legal guardian is not  
29 subject to appeal.

30 (9) Filing fees may not be required of a minor who petitions a court for a waiver of the requirement for

1 consent or who appeals a denial of a petition.

2

3 **NEW SECTION. Section 10. Criminal and civil penalties.** (1) A person convicted of performing an  
4 abortion in violation of [section 4] shall be fined an amount not to exceed \$1,000 or be imprisoned in the county  
5 jail for a term not to exceed 1 year, or both. On a second or subsequent conviction, the person shall be fined an  
6 amount not less than \$500 or more than \$50,000 and be imprisoned in the state prison for a term of not less than  
7 10 days or more than 5 years, or both.

8 (2) Failure to obtain the consent required under [section 4] is prima facie evidence in an appropriate civil  
9 action for a violation of a professional obligation. The evidence does not apply to issues other than failure to  
10 obtain the consent of a parent or legal guardian. A civil action may be based on a claim that the failure to obtain  
11 consent was the result of a violation of the appropriate legal standard of care. Failure to obtain consent is  
12 presumed to be actual malice pursuant to the provisions of 27-1-221. [Sections 1 through 11] do not limit the  
13 common-law rights of parents.

14 (3) A person who coerces a minor to have an abortion is guilty of a misdemeanor and upon conviction  
15 shall be fined an amount not to exceed \$1,000 or be imprisoned in the county jail for a term not to exceed 1 year,  
16 or both. On a second or subsequent conviction, the person shall be fined an amount not less than \$500 or more  
17 than \$50,000 and be imprisoned in the state prison for a term of not less than 10 days or more than 5 years, or  
18 both.

19 (4) A person not authorized to grant consent under [section 4] who signs a consent form provided for  
20 in [section 5] is guilty of a misdemeanor.

21

22 **NEW SECTION. Section 11. Construction.** Nothing in [sections 1 through 11] may be construed as  
23 creating or recognizing a right to abortion. It is not the intention of [sections 1 through 11] to make lawful an  
24 abortion that is currently unlawful.

25

26 **Section 12.** Section 41-1-405, MCA, is amended to read:

27 **"41-1-405. Emergencies and special situations.** (1) A health professional may render or attempt to  
28 render emergency service or first aid, medical, surgical, dental, or psychiatric treatment, without compensation,  
29 to any injured person or any person regardless of age who is in need of immediate health care when, in good  
30 faith, the professional believes that the giving of aid is the only alternative to probable death or serious physical

1 or mental damage.

2 (2) A health professional may render nonemergency services to minors for conditions that will endanger  
3 the health or life of the minor if services would be delayed by obtaining consent from spouse, parent, parents,  
4 or legal guardian.

5 (3) Consent may not be required of a minor who does not possess the mental capacity or who has a  
6 physical disability that renders the minor incapable of giving consent and who has no known relatives or legal  
7 guardians, if a physician determines that the health service should be given.

8 (4) Self-consent of minors does not apply to sterilization or abortion, except as provided in ~~Title 50,~~  
9 ~~chapter 20, part 2~~ sections 1 through 11."

10

11 **Section 13.** Section 47-1-104, MCA, is amended to read:

16 than 11 public defender regions. The commission may establish a regional office to provide public defender  
17 services in each region, as provided in 47-1-215, establish a contracted services program to provide services in  
18 the region, or utilize other service delivery methods as appropriate and consistent with the purposes described  
19 in 47-1-102.

20 (3) When a court orders the office or the office of appellate defender to assign counsel, the appropriate
