"7-14-1133. Bonds and obligations. (1) Except for providing financial support to a private development organization, including a corporation organized under Title 32, chapter 4, whose purpose is to advance the economic development of its jurisdiction and of the state and its citizens, an authority may borrow money for any of its corporate purposes and issue bonds, including refunding bonds, for any of its corporate purposes. The bonds may be in the form and upon terms as it determines, payable out of any revenue of the authority, including
revenue derived from:

(a) any port or transportation and storage facility;

(b) taxes levied pursuant to 7-14-1131 or 67-10-402;

(c) grants or contributions from the federal government; or

(d) other sources.

(2) The bonds may be issued by resolution of the authority, without an election and without any limitation of amount, except that bonds may not be issued at any time if the total amount of principal and interest to become due in any year on the bonds and on any then outstanding bonds for which revenue from the same source is pledged exceeds the amount of revenue to be received in that year, as estimated in the resolution authorizing the issuance of the bonds. The authority shall take all action necessary and possible to impose, maintain, and collect rates, charges, and rentals and to request taxes, if any are pledged, sufficient to make the revenue from the pledged source in such that year at least equal to the amount of principal and interest due in that year.

(3) The bonds may be sold at public or private sale and may bear interest as provided in 17-5-102.

Except as otherwise provided in this part, any bonds issued pursuant to this part by an authority may be payable as to principal and interest solely from revenue of the authority or from particular port, transportation, storage, or other facilities of the authority. The bonds must state on their face the applicable limitations or restrictions regarding the source from which principal and interest are payable.

(4) Bonds issued by an authority, county, or municipality pursuant to the provisions of this part are declared to be issued for an essential public and governmental purpose by a political subdivision within the meaning of 15-30-2110(2)(a).

The sums required from time to time to pay principal and interest and to create and maintain a reserve for the bonds may be paid from any revenue referred to in this part, prior to the payment of current costs of operation and maintenance of the facilities.

(b) As further security for the bonds, the authority, with the approval of the governing body of the county or municipality that created the authority, may pledge, lease, sell, mortgage, or grant a security interest in all or any portion of its port, transportation, storage, or other facilities, whether or not the facilities are financed by the bonds. The instrument effecting the pledge, lease, sale, mortgage, or security interest may contain any
agreements and provisions customarily contained in instruments securing bonds, as the commissioners of the
authority consider advisable. The provisions must be consistent with this part and are subject to and must be in
accordance with the laws of this state governing mortgages, trust indentures, security agreements, or
instruments. The instrument may provide that in the event of a default in the payment of principal or interest on
the bonds or in the performance of any agreement contained in the proceedings authorizing the bonds or
instrument, the payment or performance may be enforced by mandamus or by the appointment of a receiver in
equity. The receiver may collect charges, rental, or fees and may apply the revenue from the mortgaged property
or collateral in accordance with the proceedings or the provisions of the instrument.

(6) Nothing in this section or 7-14-1134 or this section may be construed to limit the use of port authority
revenue, including federal and state money as described in 7-14-1136, to make grants and loans or to otherwise
provide financial and other support to private development organizations, including corporations organized under
the provisions of the development corporation act in Title 32, chapter 4. The credit of the state, county, or

of amount, except that bonds may not be issued at any time if the total amount of principal and interest to become
due in a year on the bonds and on any then-outstanding bonds for which revenue from the same source is
pledged exceeds the amount of the revenue to be received in that year, as estimated in the resolution authorizing
the issuance of the bonds. The authority shall take all action necessary and possible to impose, maintain, and
collect rates, charges, and rentals and to request taxes, if any are pledged, sufficient to make the revenue from
the pledged source in the year at least equal to the amount of principal and interest due in that year.
(3) The bonds may be sold at public or private sale and may bear interest as provided in 17-5-102. (2) To be eligible for a credit under this section, the owner of a business located in an empowerment zone:

(a) shall conduct a business in a facility within the empowerment zone in which retail sales of tangible personal property, other than that manufactured in the business facility, are not in excess of 10% of the business conducted in the facility, whether measured by number of employees doing retail sales, by square footage, or by dollar volume; and

(b) shall increase employment in the empowerment zone with employees:

(i) who are employed for at least 1,750 hours a year in permanent employment intended to last at least 3 years;

Section 9. Section 15-7-102, MCA, is amended to read:

**15-7-102. Notice of classification and appraisal to owners -- appeals.** (1) (a) Except as provided in 15-7-138, the department shall mail to each owner or purchaser under contract for deed a notice of the classification of the land owned or being purchased and the appraisal of the improvements on the land only if one or more of the following changes pertaining to the land or improvements have been made since the last notice:

(i) change in ownership;

(ii) change in classification;

(iii) except as provided in subsection (1)(b), change in valuation; or

(iv) addition or subtraction of personal property affixed to the land.

(b) After the first year, the department is not required to mail the notice provided for in subsection (1)(a)(iii) if the change in valuation is the result of an annual incremental change in valuation caused by the phasing in of a reappraisal under 15-7-111 or the application of the exemptions under 15-6-222 or caused by an incremental change in the tax rate.

(c) The notice must include the following for the taxpayer’s informational purposes:

(i) a notice of the availability of all the property tax assistance programs available to property taxpayers, including the property tax assistance program under 15-6-134, the extended property tax assistance program under 15-6-193, and the disabled or deceased veterans’ residence exemption under 15-6-211, and the residential property tax credit for the elderly under 15-30-233 through 15-30-2341;

(ii) the total amount of mills levied against the property in the prior year; and

(iii) a statement that the notice is not a tax bill.

(d) When the department uses an appraisal method that values land and improvements as a unit, including the comparable sales method for residential condominiums or the income method for commercial property, the notice must contain a combined appraised value of land and improvements.

(e) Any misinformation provided in the information required by subsection (1)(c) does not affect the validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

(2) (a) Except as provided in subsection (2)(c), the department shall assign each assessment to the correct owner or purchaser under contract for deed and mail the notice of classification and appraisal on a standardized form, adopted by the department, containing sufficient information in a comprehensible manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of changes over the prior tax year.
(b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in 15-1-402.

(c) The department is not required to mail the notice of classification and appraisal to a new owner or purchaser under contract for deed unless the department has received the transfer certificate from the clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by subsection (2)(a) are mailed. The department shall notify the county tax appeal board of the date of the mailing.

(3) (a) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the market value of the property as determined by the department or with the classification of the land or improvements, the owner may request an assessment review by submitting an objection in writing to the department on forms provided by the department for that purpose. For property other than class three property described in 15-6-133, class four property described in 15-6-134, and class ten property described in 15-6-143, the objection must be submitted within 30 days after receiving the notice of classification and appraisal from the department. For class three property described in 15-6-133, class four property described in 15-6-134, and class ten property described in 15-6-143, the objection may be made at any time but only once each valuation cycle.

(b) For properties valued using sales price or the capitalization of net income method as an indication of value, the form must include a provision that the objector agrees to confidentiality requirements for receipt of comparable sales data from information received from realty transfer certificates under 15-7-308. Within 4 weeks of submitting an objection, if the objection relates to residential and commercial property, the department shall provide the objector by posted mail or e-mail, unless the objector waives receiving the information, with:

(i) data from comparable sales used by the department to value the property;

(ii) the methodology and sources of data used by the department in the valuation of the property; and

(iii) if the department uses a blend of evaluations developed from various sources, the reasons that the methodology was used.

(c) For properties valued using the capitalization of net income method as one approximation of market value, notice must be provided that the taxpayer will be given a form to acknowledge confidentiality requirements for the receipt of all aggregate model output that the department used in the valuation model for the property.

(d) The review must be conducted informally and is not subject to the contested case procedures of the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer in support of the taxpayer's opinion as to the market value of the property. The department shall give
reasonable notice to the taxpayer of the time and place of the review.

(e) After the review, the department shall determine the correct appraisal and classification of the land or improvements and notify the taxpayer of its determination. The department may not determine an appraised value that is higher than the value that was the subject of the objection unless the reason for an increase was the result of a physical change in the property or caused by an error in the description of the property that is kept by the department and used for calculating the appraised value. In the notification, the department shall state its reasons for revising the classification or appraisal. When the proper appraisal and classification have been determined, the land must be classified and the improvements appraised in the manner ordered by the department.

(4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an appraisal or classification upon the taxpayer's objection unless:

(a) the taxpayer has submitted an objection in writing; and
(b) the department has stated its reason in writing for making the adjustment.

(5) A taxpayer's written objection to a classification or appraisal and the department's notification to the taxpayer of its determination and the reason for that determination are public records. The department shall make the records available for inspection during regular office hours.

(6) If any property owner feels aggrieved by the classification or appraisal made by the department after the review provided for in subsection (3), the property owner has the right to first appeal to the county tax appeal board and then to the state tax appeal board, whose findings are final subject to the right of review in the courts. The appeal to the county tax appeal board must be filed within 30 days after notice of the department's determination is mailed to the taxpayer. A county tax appeal board or the state tax appeal board may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax appeal board or the state tax appeal board determines that an adjustment should be made, the department shall adjust the base value of the property in accordance with the board's order."

Section 10. Section 15-16-101, MCA, is amended to read:

November 30 or within 30 days after the notice is postmarked and that unless paid prior to that time the amount then due will be delinquent and will draw interest at the rate of 5/6 of 1% a month from the time of delinquency until paid and 2% will be added to the delinquent taxes as a penalty;

(b) If the property is the subject of a tax lien sale for which a tax lien sale certificate has been issued under 15-17-212, the notice must also include, in a manner calculated to draw attention, a statement that the property is the subject of a tax lien sale and that the taxpayer may contact the county treasurer for complete information.

(3) The municipality shall, upon request of the county treasurer, provide the information to be included under subsection (2)(a)(iii) ready for mailing.

(4) The notice in every case must be published once a week for 2 weeks in a weekly or daily newspaper published in the county, if there is one, or if there is not, then by posting it in three public places. All income except what has been expressly exempted under the provisions of the Internal Revenue Code or this chapter and income not permitted to be taxed under the constitution of this state or the constitution or laws of the United States shall must be included and considered in determining the net income of taxpayers subject to tax within the provision provisions of this chapter."

Section 13. Section 15-30-2103, MCA, is amended to read:

"15-30-2103. Rate of tax. (b) This subsection (1) does not permit any items of income, gain, loss, deduction, expense, or credit to be counted more than once in determining the amount of Montana source income, and the department may adopt rules that are reasonably necessary to prevent duplication or to provide for allocation of particular items of income, gain, loss, deduction, expense, or credit.

(2) Pursuant to the provisions of Article III, section 2, of the Multistate Tax Compact, each nonresident taxpayer required to file a return and whose only activity in Montana consists of making sales and who does not own or rent real estate or tangible personal property within Montana and whose annual gross volume of sales made in Montana during the taxable year does not exceed $100,000 may elect to pay an income tax of 1/2 of 1% of the dollar volume of gross sales made in Montana during the taxable year. The fiduciary shall include in the return a statement of each beneficiary's distributive share of net income, whether or not distributed before the close of the tax year for which the return is made, and at the request of the department shall furnish a copy of the federal income tax return for the estate or trust as provided in 15-30-2619. (3) In cases under subsections (1)(a), (1)(b), and (1)(c), the tax must be imposed upon the fiduciary of the estate or trust with respect to the net income of the estate or trust and must be paid by the fiduciary. If the taxpayer's net income for the tax year of the estate or trust is computed upon the basis of a period different from that upon the basis of which the net income of the estate or trust is computed, then the taxpayer's distributive share of the net income of the estate or trust for any accounting period of the estate or trust ending within the fiscal or calendar year must be computed upon the basis on which the beneficiary's net income is computed. In these cases, a beneficiary who is not a resident must be taxable with respect to the beneficiary's
income derived through the estate or trust only to the extent provided in 15-30-2111 for individuals other than residents.

(5) Where any part of the income of a trust other than a testamentary trust is or may be applied to the payment of premiums upon policies of insurance on the life of the grantor, except policies of insurance irrevocably payable for the purposes and in the manner specified relating to the so-called "charitable contribution" deduction, or to the payment of premiums upon policies of life insurance under which the grantor is the beneficiary, the part of the income of the trust must be included in computing the net income of the grantor.

(4) (a) The credit allowed under this section may not exceed the taxpayer's income tax liability.
(b) There is no carryback or carryforward of the credit permitted under this section, and the credit must be applied in the year the conversion is made, as determined by the taxpayer's accounting method."

Section 19. Section 15-30-2328, MCA, is amended to read:

"15-30-2328. (Temporary) Credit for contributions to qualified endowment -- recapture of credit -- deduction included as income. (1) A taxpayer is allowed a tax credit against the taxes imposed by 15-30-2103 or 15-31-101 in an amount equal to 40% of the present value of the aggregate amount of the charitable gift portion of a planned gift made by the taxpayer during the year to any qualified endowment. The maximum credit that may be claimed by a taxpayer for contributions made from all sources in a year is $10,000. The credit allowed under this section may not exceed the taxpayer's income tax liability.

(2) The credit allowed under this section may not be claimed by an individual taxpayer if the taxpayer has included the full amount of the contribution upon which the amount of the credit was computed as a deduction under 15-30-2131(1) or 15-30-2152(2).

(3) There is no carryback or carryforward of the credit permitted under this section, and the credit must be applied to the tax year in which the contribution is made.

(4) If during any tax year a charitable gift is recovered by the taxpayer, the taxpayer shall:

(a) include as income the amount deducted in any prior year that is attributable to the charitable gift to the extent that the deduction reduced the taxpayer's individual income tax or corporation license tax; and

(b) increase the amount of tax due under 15-30-2103 or 15-31-101 by the amount of the credit allowed in the tax year in which the credit was taken. (Terminates December 31, 2013--sec. 7, Ch. 4, L. 2005; secs. 2,
Section 20. Section 15-30-2329, MCA, is amended to read:

"15-30-2329. (Temporary) Beneficiaries of estates -- credit for contribution to qualified endowment. A contribution to a qualified endowment, as defined in 15-30-2327, by an estate qualifies for the credit provided in 15-30-2328 if the contribution is a planned gift or in 15-31-161 if the contribution is an outright gift to a qualified endowment. Any credit not used by the estate may be attributed to each beneficiary of the estate in the same proportion used to report the beneficiary's income from the estate for Montana income tax purposes. The maximum amount of credit that a beneficiary may claim is $10,000, subject to the limitation in 15-30-2328(2), and the credit must be claimed in the year in which the contribution is made. The credit may not be carried forward or carried back. (Terminates December 31, 2013--secs. 2, 3, Ch. 208, L. 2007.)"

(a) Subject to the due date provision in 15-30-2604(1)(b), for each taxpayer whose tax year begins on January 1, estimated tax payments are due on the following dates:

<table>
<thead>
<tr>
<th>Installment</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>April 15</td>
</tr>
<tr>
<td>Second</td>
<td>June 15</td>
</tr>
<tr>
<td>Third</td>
<td>September 15</td>
</tr>
<tr>
<td>Fourth</td>
<td>January 15 of the following tax year</td>
</tr>
</tbody>
</table>

(b) Subject to the due date provision in 15-30-2604(1)(b), for each taxpayer whose tax year begins on a date other than January 1, estimated tax payments are due on the following dates:

<table>
<thead>
<tr>
<th>Installment</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>15th day of the 4th month following the beginning of the tax year</td>
</tr>
<tr>
<td>Second</td>
<td>15th day of the 6th month following the beginning of the tax year</td>
</tr>
<tr>
<td>Third</td>
<td>15th day of the 9th month following the beginning of the tax year</td>
</tr>
<tr>
<td>Fourth</td>
<td>15th day of the month following the close of the tax year</td>
</tr>
</tbody>
</table>

(3) (a) Except as provided in subsection (4), each installment must be 25% of the required annual payment determined pursuant to subsection (1). If the taxpayer’s tax situation changes, each succeeding installment must be proportionally changed so that the balance of the required annual payment is paid in equal installments over the remaining period of time.

(b) If the taxpayer's tax situation changes after the date for the first installment or any subsequent
installment, as specified in subsection (2)(a) or (2)(b), so that the taxpayer is required to pay estimated taxes, the taxpayer shall pay 25% for each succeeding installment except for the first one in which a payment is required.

For estimated taxes required to be paid beginning with the second installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 50% for that installment and 25% for the third and fourth installments, respectively. For estimated taxes required to be paid beginning with the third installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 75% for that installment and 25% for the fourth installment.

(4) (a) If for any required installment the taxpayer determines that the installment payment is less than the amount determined under subsection (3)(a), the lower amount may be paid as an annualized income installment.

(b) For any required installment, the annualized income installment is the applicable percentage described in subsection (4)(c) applied to the tax computed on the basis of annualized Montana taxable income in the tax year for the months ending before the due date for the installment less the total amount of any prior required installments for the tax year.

(c) For the purposes of this subsection (4), the applicable percentage is determined according to the following schedule:

<table>
<thead>
<tr>
<th>Required Installment</th>
<th>Applicable Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>22.5%</td>
</tr>
<tr>
<td>Second</td>
<td>45%</td>
</tr>
<tr>
<td>Third</td>
<td>67.5%</td>
</tr>
<tr>
<td>Fourth</td>
<td>90%</td>
</tr>
</tbody>
</table>

(d) A reduction in a required installment resulting from the application of an annualized income installment must be recaptured by increasing the amount of the next required installment, determined under subsection (3)(a), by the amount of the reduction. Any subsequent installment must be increased by the amount of the reduction until the amount has been recaptured.

(5) (a) If an estimated tax, an employer withholding tax, or a combination of estimated tax and employer withholding tax is underpaid, there must be added to the amount due under this chapter interest on the amount of the underpayment as provided in 15-1-216. The interest is computed on the amount of the underpayment, as determined in subsection (5)(b), for the period from the time the payment was due to the date payment was made or to the 15th day of the 4th month of the year following the tax year in which the payment was to be made, whichever is earlier.
(b) For the purpose of determining the amount of interest due in subsection (5)(a), the amount of the underpayment is the required installment amount less the installment amount paid, if any, on or before the due date for the installment.

(c) For the purpose of determining the amount of interest due in subsection (5)(a), an estimated payment must be credited against unpaid required installments in the order in which those installments are required to be paid.

(d) For a married taxpayer filing separately on the same form, the interest provided for in subsection (5)(a) must be computed on the combined tax liability after reductions for credits and withholding, as shown on the taxpayer's return.

(e)(d) Interest may not be charged with respect to any underpayment of the fourth installment of estimated taxes if:

(i) the taxpayer pays in full the amount computed on the return as payable; and

(ii) the taxpayer files a return on or before the last day of the month following the close of the tax year referred to in subsection (2)(a) or (2)(b).

(6) For the purposes of this section, "farmer or rancher" means a taxpayer who derives at least 66 2/3% of the taxpayer’s gross income, as defined in 15-30-2101 determined for federal income tax purposes, from farming or ranching operations, or both.

(7) The department shall promulgate rules governing reasonable extensions of time for paying the estimated tax. An extension may not be for more than 6 months."

Section 23. Section 15-30-2602, MCA, is amended to read:

"15-30-2602. Returns and payment of tax -- penalty and interest -- refunds -- credits -- inflation adjustment. (1) For both resident and nonresident taxpayers, each single individual required to file a federal income tax return pursuant to the Internal Revenue Code, each individual, including each nonresident with Montana source income, and each estate or trust shall file each married individual not filing a joint return with a spouse and having a gross income for the tax year of more than $3,560, as adjusted under the provisions of subsection (6), and married individuals not filing separate returns and having a combined gross income for the tax year of more than $7,120, as adjusted under the provisions of subsection (6), are liable for a return to be filed on forms and according to rules that the department may prescribe. The gross income amounts referred to in this subsection (1) must be increased by $1,900, as adjusted under the provisions of 15-30-2114(6), for each additional personal
exemption allowance that the taxpayer is entitled to claim for the taxpayer and the taxpayer's spouse under 45-30-2114(3) and (4).

(2) In accordance with instructions set forth by the department, each taxpayer who is married and living with a husband or wife and is required to file a return may, at the taxpayer's option, file a joint return with the husband or wife even though one of the spouses has neither gross income nor deductions. If a joint return is made, the tax must be computed on the aggregate taxable income and, subject to 15-30-2646, the liability with respect to the tax is joint and several. If a joint return has been filed for a tax year, the spouses may not file separate returns after the time for filing the return of either has expired unless the department consents.

(3) If a taxpayer is unable to make the taxpayer's own return, the return must be made by an authorized agent or by a guardian or other person charged with the care of the person or property of the taxpayer.

(4) All taxpayers, including but not limited to those subject to the provisions of 15-30-2502 and 15-30-2512, shall compute the amount of income tax payable and shall, on or before the date required by this chapter for filing a return, pay to the department any balance of income tax remaining unpaid after crediting the amount withheld, as provided by 15-30-2502, and any payment made by reason of an estimated tax return provided for in 15-30-2512. However, the tax computed must be greater by $1 than the amount withheld and paid by estimated return as provided in this chapter. If the amount of tax withheld and the payment of estimated tax exceed by more than $1 the amount of income tax as computed, the taxpayer is entitled to a refund of the excess.

(5) If the department determines that the amount of tax due is greater than the amount of tax computed by the taxpayer on the return, the department shall mail a notice to the taxpayer as provided in 15-30-2642 of the additional tax proposed to be assessed, including penalty and interest as provided in 15-1-216.

(6) By November 1 of each year, the department shall multiply the minimum amount of gross income necessitating the filing of a return by the inflation factor for the tax year. These adjusted amounts are effective for that tax year, and persons who have gross incomes less than these adjusted amounts are not required to file a return:

(7) Individual income tax forms distributed by the department for each tax year must contain instructions and tables based on the adjusted base year Montana income tax structure for that tax year."

Section 24. Section 15-30-2605, MCA, is amended to read:

"15-30-2605. Revision of return by department -- statute of limitations -- examination of records and persons. (1) If, in the opinion of the department, any return of a taxpayer is in any essential respect incorrect,
it may revise the return.

(2) If a taxpayer does not file a return as required under this chapter, the department may, at any time, audit the taxpayer or estimate the Montana taxable income of the taxpayer from any information in its possession and, based upon the audit or estimate, assess the taxpayer for the taxes, penalties, and interest due the state.

(3) Except as provided in subsections (2) and (4), the amount of tax due under any return may be determined by the department within 5 years after the return was filed, regardless of whether the return was filed on or after the last day prescribed for filing. For the purposes of 15-30-2607 and this section, a tax return due under this chapter and filed before the last day prescribed by law or rule is considered to be filed on the last day prescribed for filing.

(4) If a taxpayer, with intent to evade the tax, purposely or knowingly files a false or fraudulent return that violates a provision of this chapter, the amount of tax due may be determined at any time after the return is filed and the tax may be collected at any time after it becomes due.

(5) The department, for the purpose of ascertaining the correctness of any return or for the purpose of making an estimate of Montana taxable income of any person where information has been obtained, may also examine or cause to have examined by any agent or representative designated by it for that purpose any books, papers, or records of memoranda bearing upon the matters required to be included in the return and may require the attendance of the person rendering the return or any officer or employee of the person or the attendance of any person having knowledge in the premises and may take testimony and require proof material for its information, with power to administer oaths to the person or persons."

Section 25. Section 15-30-2606, MCA, is amended to read:

"15-30-2606. Tolling of statute of limitations. The running of the statute of limitations provided for under 15-30-2605 must be suspended during any period that the federal statute of limitations for collection of federal income tax has been suspended by written agreement signed by the taxpayer or when the taxpayer has instituted an action that has the effect of suspending the running of the federal statute of limitations and for 1 additional year. If the taxpayer fails to file an amended Montana return as required by 15-30-2619, the statute of limitations does not apply until 5 years from the date the federal changes become final or the amended federal return was filed. If the taxpayer omits from federal gross income, as defined and described in section 61 of the Internal Revenue Code (26 U.S.C. 61), an amount properly includable as federal gross income and the amount is in excess of 25% of the amount of adjusted gross income stated in the return, the statute of limitations does
not apply for 2 additional years from the time specified in 15-30-2605."

Section 26. Section 15-30-2618, MCA, is amended to read:

"15-30-2618. Confidentiality of tax records. (1) Except as provided in 5-12-303, 15-1-106, 17-7-111, and subsections (7) and (8) of this section, in accordance with a proper judicial order, or as otherwise provided by law, it is unlawful to divulge or make known in any manner:

(a) the amount of income or any particulars set forth or disclosed in any individual report or individual return required under this chapter or any other information secured in the administration of this chapter; or

(b) any federal return or federal return information disclosed on any return or report required by rule of the department or under this chapter.

(2) (a) The officers charged with the custody of the reports and returns may not be required to produce them or evidence of anything contained in them in an action or proceeding in a court, except in an action or proceeding:

(i) to which the department is a party under the provisions of this chapter or any other taxing act; or
(ii) on behalf of a party to any action or proceedings under the provisions of this chapter or other taxes when the reports or facts shown by the reports are directly involved in the action or proceedings.

(b) The court may require the production of and may admit in evidence only as much of the reports or of the facts shown by the reports as are pertinent to the action or proceedings.

(3) This section does not prohibit:

(a) the delivery to a taxpayer or the taxpayer's authorized representative of a certified copy of any return or report filed in connection with the taxpayer's tax;

(b) the publication of statistics classified to prevent the identification of particular reports or returns and the items of particular reports or returns; or

(c) the inspection by the attorney general or other legal representative of the state of the report or return of any taxpayer who brings an action to set aside or review the tax based on the report or return or against whom an action or proceeding has been instituted in accordance with the provisions of 15-30-2630.

(4) Reports and returns must be preserved for at least 3 years and may be preserved until the department orders them to be destroyed.

(5) Any offense against subsections (1) through (4) is punishable by a fine not exceeding $500. If the offender is an officer or employee of the state, the offender must be dismissed from office or employment and
may not hold any public office or public employment in this state for a period of 1 year after dismissal or, in the
case of a former officer or employee, for 1 year after conviction.

(6) This section may not be construed to prohibit the department from providing taxpayer return

(a) the department of labor and industry to be used for the purpose of investigation and prevention of
noncompliance, tax evasion, fraud, and abuse under the unemployment insurance laws; or
(b) the state fund to be used for the purpose of investigation and prevention of noncompliance, fraud,
and abuse under the workers’ compensation program.

(7) The department may permit the commissioner of internal revenue of the United States or the proper
officer of any state imposing a tax upon the incomes of individuals or the authorized representative of either officer
to inspect the return of income of any individual or may furnish to the officer or an authorized representative an
abstract of the return of income of any individual or supply the officer with information concerning an item of
income contained in a return or disclosed by the report of an investigation of the income or return of income of
an individual, but the permission may be granted or information furnished only if the statutes of the United States
or of the other state grant substantially similar privileges to the proper officer of this state charged with the
administration of this chapter.

(8) On written request to the director or a designee of the director, the department shall furnish:
(a) to the department of justice all information necessary to identify those persons qualifying for the
additional exemption for blindness pursuant to 15-30-2114(4), for the purpose of enabling the department of
justice to administer the provisions of 61-5-105;
(b) to the department of public health and human services information acquired under 15-30-2616,
pertaining to an applicant for public assistance, reasonably necessary for the prevention and detection of public
assistance fraud and abuse, provided notice to the applicant has been given;

Section 27. Section 15-30-3003, MCA, is amended to read:

"15-30-3003. (Temporary) Montana farm and ranch risk management account -- deposits -- exclusion from income. (1) An individual or a family farm corporation engaged in an eligible agricultural business may create a Montana farm and ranch risk management account that is composed of contributions that were made to the account prior to January 1, 2014, as provided in this part, to use as a risk management tool for the individual's or family farm corporation's agricultural business. The number of risk management accounts that may be created is limited to one for each individual or family farm corporation.

(2) Deposits to the account may be excluded from adjusted gross income as provided in 15-30-2110 in an amount not to exceed the lesser of 20% of the taxpayer's net income attributable to agricultural business included in federal adjusted gross income or $20,000 a year. For the purposes of this section, a taxpayer is considered to have made a deposit to an account if the deposit is made:

(a) during a tax year beginning before January 1, 2014;

(b) for a specific tax year if it is made within 3 1/2 months after the close of the tax year.

(3) A deposit not distributed within 5 years is considered to have been distributed to the taxpayer as provided in 15-30-3005.

The taxpayer shall file a return or amended return as necessary to report the income in the appropriate year. (Terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"
Section 28. Section 15-30-3004, MCA, is amended to read:

"15-30-3004. (Temporary) Montana farm and ranch risk management account -- creation -- administration. (1) A Montana farm and ranch risk management account is a trust created or organized in the state for the exclusive benefit of the taxpayer. The account trustee must be a financial institution, other than an investment adviser, as defined in 15-62-103, supervised by the United States or by the state of Montana. The trust must be created by written instrument.

(2) The trustee may not accept any deposit for any tax year in excess of the amount allowed as a deduction under 15-30-3003.

(3) The trustee shall report to the department if a portion of a deposit is distributed within 6 months of the date of deposit.

(4) The assets of the trust must consist entirely of cash or of obligations that have adequate stated interest and that pay the interest at least annually.

(5) All income of the trust must be distributed currently to the grantor.

(2) Distributions from an account:

(b) must be considered to be made from deposits in the order in which the deposits were made, beginning with the earliest deposits. Income is considered to be deposited on the date the income is received by the account.

(3) All distributions from the account are taxable unless:

(a) the deposit, or that portion of the deposit to which the distribution is attributable, was not excluded from adjusted gross income in calculating Montana individual income taxes for the tax year the deposit was made; or

(b) the distribution has already been taxed because it was considered a distribution as provided in subsection (4)."
(4) (a) (i) Amounts that are not distributed within the 5-year eligibility period established in subsection 1 are considered to be distributed to the taxpayer on the last day of the tax year in which the fifth anniversary of the deposit occurs. The distribution is taxable, and a penalty equal to 10% of the tax due on the distributed amount is added to the tax as a penalty.

(ii) The 5-year eligibility period for withdrawal of a deposit without penalty is the due date, including extensions, for the filing of a tax return required by this chapter or, if the taxpayer files earlier, the date the taxpayer files the return for the tax year in which the fifth anniversary of the deposit occurs.

(b) At the end of the first disqualification period after a period in which the taxpayer was engaged in eligible agricultural business, the balance of the account is considered to be distributed to the taxpayer and is taxable to the taxpayer. Section 30. Section 15-30-3312, MCA, is amended to read:

"15-30-3312. Composite returns and tax. (1) A partnership or S. corporation may elect to file a composite return and pay a composite tax on behalf of participants. A participant is a partner, shareholder, member, or other owner who:

(b) consents to be included in the filing.

(2) (a) Each participant's composite tax liability is the product obtained by:

(ii) multiplying that amount by the ratio of the entity's Montana source income to the entity's income from all sources for federal income tax purposes."
(b) A participant's share of the entity's income is the aggregate of the participant's share of the entity's income, gain, loss, or deduction or item of income, gain, loss, or deduction.

(3) The composite tax is the sum of each participant's composite tax liability.

(d) shall make quarterly estimated tax payments and be subject to the underpayment interest as prescribed by 15-30-2512(5)(a) computed on the composite tax liability included in the filing of a composite return; and

(e) shall retain powers of attorney executed by each participant included in the composite return, authorizing the entity to file the composite return and to act on behalf of each participant.

(5) The composite return must be made on forms the department prescribes and filed on or before the due date, including extensions, for filing the entity information return. The composite return is in lieu of an individual income tax return required under 15-30-2602 and 15-30-2604, a corporation license tax return required under 15-31-111, and a corporation income tax return required under 15-31-403.

Section 32. Section 15-31-131, MCA, is amended to read:

"15-31-131. Credit for dependent care assistance and referral services. (1) There is a credit against the taxes otherwise due under this chapter allowable to an employer for amounts paid or incurred during the tax year by the employer for dependent care assistance actually provided to or on behalf of an employee if the assistance is furnished by a registered or licensed day-care provider and pursuant to a program that meets the requirements of section 129(d)(2) through (6) of the Internal Revenue Code, 26 U.S.C. 129(d)(2) through (d)(6).

(2) (a) The amount of the credit allowed under subsection (1) is 25% of the amount paid or incurred by the employer during the tax year, but the credit may not exceed $1,575 of day-care assistance actually provided to or on behalf of the employee.

(b) For the purposes of this subsection, marital status must be determined under the rules of section 21(e)(3) and (4) of the Internal Revenue Code, 26 U.S.C. 21(e)(3) and (e)(4).

(c) In the case of an onsite facility, the amount upon which the credit allowed under subsection (1) is based, with respect to any dependent, must be based upon utilization and the value of the services provided.

(3) (a) In addition to the credit allowed under subsection (1), there is a credit against the taxes otherwise due under this chapter allowable to an employer for amounts paid or incurred during the tax year by the employer to provide information and referral services to assist employees of the employer employed within this state to obtain dependent care.

(b) The amount of the credit allowed under subsection (3)(a) is equal to 25% of the amount paid or incurred in the tax year.

(4) An amount paid or incurred during the tax year of an employer in providing dependent care assistance to or on behalf of any employee does not qualify for the credit allowed under subsection (1) if the amount was paid or incurred to an individual described in section 129(c)(1) or (2) of the Internal Revenue Code, 26 U.S.C. 129(c)(1) or (c)(2).

(5) An amount paid or incurred by an employer to provide dependent care assistance to or on behalf of an employee does not qualify for the credit allowed under subsection (1):
(a) to the extent the amount is paid or incurred pursuant to a salary reduction plan; or
(b) if the amount is paid or incurred for services not performed within this state.
(6) If the credit allowed under subsection (1) or (3) is claimed, the amount of any deduction allowed or
allowable under this chapter for the amount that qualifies for the credit (or upon which the credit is based) must
be reduced by the dollar amount of the credit allowed. The election to claim a credit allowed under this section
must be made at the time of filing the tax return.
(7) The amount upon which the credit allowed under subsection (1) is based may not be included in the

under this subsection. Amounts excluded under this subsection do not qualify as expenses for which a deduction
is allowed to the employee under 15-30-2131.
(8) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a particular
year may be carried forward and offset against the taxpayer’s tax liability for the next succeeding tax year. Any
credit remaining unused in the next succeeding tax year may be carried forward and used in the second
succeeding tax year and likewise through the fifth year succeeding the tax year in which the credit was first
allowed or allowable. A credit may not be carried forward beyond the fifth succeeding tax year.
(9) If the taxpayer is an S. corporation, as defined in section 1361 of the Internal Revenue Code, 26
U.S.C. 1361, and the taxpayer elects to take tax credit relief, the election may be made on behalf of the
corporation’s shareholders. A shareholder’s credit must be computed using the shareholder’s pro-rata share of
the corporation’s costs that qualify for the credit. In all other respects, the effect of the tax credit applies to the
corporation as otherwise provided by law.
(a) the definitions and special rules contained in section 129(e) of the Internal Revenue Code, 26 U.S.C.
129(e), apply to the extent applicable; and
(b) "employer" means an employer carrying on a business, trade, occupation, or profession in this state.”

Section 33. Section 15-31-134, MCA, is amended to read:
"15-31-134. Empowerment zone new employees -- tax credit. (1) There is a credit for taxes due

(2) The amount of the credit for each qualifying employee is:

1st year of employment $500
2nd year of employment $1,000
3rd year of employment $1,500

(3) If the amount of the credit exceeds the taxpayer’s liability, the credit may be carried forward 7 years
and carried back 3 years. The entire amount of the tax credit not used in the year earned must be carried first
to the earliest tax year in which the credit may be applied and then to each succeeding tax year.

(4) If the credit allowed under this section is claimed by a small business corporation, as defined in
15-30-3301, a pass-through entity, or a partnership, the credit must be attributed to shareholders, owners, or
partners using the same proportion as used to report the entity’s income or loss.

or as subsequently amended.

(b) For purposes of the credit, the:

(i) applicable percentage specified in 26 U.S.C. 41(a) is 5%;
(ii) election of the alternative incremental credit allowed under 26 U.S.C. 41(c)(4) does not apply;
(iii) special rules in 26 U.S.C. 41(g) do not apply; and
(iv) termination date provided for in 26 U.S.C. 41(h)(1)(B) does not apply.

(2) The credit allowed under this section for a tax year may not exceed the tax liability under chapter 30
or 31. A credit may not be refunded if a taxpayer has tax liability less than the amount of the credit.

(3) The credit allowed under this section may be used as a carryback against taxes imposed under
chapter 30 or 31 for the 2 preceding tax years and may be used as a carryforward against taxes imposed by
chapter 30 or 31 for the 15 succeeding tax years. The entire amount of the credit not used in the year earned
must be carried first to the earliest tax year in which the credit may be applied and then to each succeeding tax
year.

(4) A taxpayer may not claim a current year credit under this section after December 31, 2010. However, any unused credit may be carried back or forward as provided in subsection (3).

(5) A corporation, an individual, a small business corporation, a partnership, a limited liability partnership, or a limited liability company that is subject to taxation under this chapter qualifies for the credit under this section. If the credit is claimed by a small business corporation, a partnership, a limited liability partnership, or a limited liability company, the credit must be attributed to the individual shareholders, partners, members, or managers in the same proportion used to report income or loss for state tax purposes. The allocations in 26 U.S.C. 41(f)
do not apply to this section.

(6) For purposes of calculating the credit, the following definitions apply:

(a) "Gross receipts" means:

(i) for a corporation that has income from business activity that is taxable only within the state, all gross sales less returns of the corporation for the tax year; and

(ii) for a corporation that has income from business activity that is taxable both within and outside of the state, only the gross sales less returns of the corporation apportioned to Montana for the tax year.

(b) "Qualified research" has the meaning provided in 26 U.S.C. 41(d), but is limited to research conducted in Montana.

(c) "Qualified research expenses" has the meaning provided in 26 U.S.C. 41(b), but includes only the sum of amounts paid or incurred by the taxpayer for research conducted in Montana.

(d) "Supplies" has the meaning provided in 26 U.S.C. 41(b)(2)(C), but includes only those supplies used in the conduct of qualified research in Montana.

(e) (i) "Wages" has the meaning provided in 39-51-201, except as provided in subsection (6)(e)(ii) of this section, and includes only those wages paid or incurred for an employee for qualified services performed by the employee in Montana.

(ii) Notwithstanding the exception to the definition of wages in 39-51-201(24)(b)(v), for a self-employed individual and an owner-employee, the term includes the income, as defined in 26 U.S.C. 401(c)(2), of the employee.

(7) The department shall adopt rules, prepare forms, maintain records, and perform other duties necessary to implement this section. In adopting rules to implement this section, the department shall conform
the rules to regulations prescribed by the secretary of the treasury under 26 U.S.C. 41 except to the extent that
the regulations need to be modified to conform to this section."

rehabilitation expenditures, with respect to any certified historic building located in Montana, as provided in 26
U.S.C. 47 or as that section may be renumbered or amended.

(b) The amount of the credit allowed for a tax year is 25% of the amount of the credit determined under
26 U.S.C. 47(a)(2) or as that section may be renumbered or amended.

(2) The credit allowed by this section may not be refunded if the taxpayer has a tax liability less than the
amount of the credit. If the sum of credit carryovers from the credit, if any, and the amount of credit allowed by
this section for the tax year exceeds the taxpayer's tax liability for the current tax year, the excess attributable to
the current tax year's credit is a credit carryover to the 7 succeeding tax years. The entire amount of unused credit
must be carried forward to the earliest of the succeeding years, and the oldest available unused credit must be
used first.

(3) If the credit under this section is claimed by a small business corporation, as defined in 15-30-3301,

report the corporation's or partnership's income or loss for Montana income tax purposes."

a limited liability company may claim in a year is $10,000, subject to the limitations in 15-30-2328(2). The credit allowed under this section may not exceed the taxpayer's income tax liability. There is no carryback or carryforward of the credit permitted under this section, and the credit must be applied to the tax year in which the contribution is made.

(2) (a) If during any tax year a charitable gift is recovered by the small business corporation, partnership, or limited liability company, the entity shall include as income the amount deducted in any prior year that is attributable to the charitable gift.

(3) A business that is created or expanded as the result of a loan made pursuant to 17-6-309(2) and subsection (1) of this section is entitled to a credit against taxes due under Title 15, chapter 30 or 31, for the portion of the fees attributable to the use of the infrastructure. Section 75. Section 33-22-2006, MCA, is amended to read:

"33-22-2006. Premium incentive payments, premium assistance payments, and tax credits for small employer health insurance premiums paid -- eligibility for small group coverage -- amounts. (1) An employer is eligible to apply for premium incentive payments and premium assistance payments or a tax credit under this part if the employer and any related employers:
(a) did not have more than the number of employees established for eligibility by the commissioner at the time of registering for premium incentive payments or premium assistance payments or a tax credit under 33-22-2008;

(b) provide or will provide a group health plan that meets the requirements of creditable coverage for the employer's and any related employer's employees;

(c) do not have delinquent state tax liability owing to the department of revenue from previous years;

(d) have been registered as eligible small employer participants by the commissioner as provided in 33-22-2008; and

(e) do not have any employees, not including an owner, partner, or shareholder of the business, who received more than $75,000 in wages, as defined in 39-71-123, from the small employer or related employer in the prior tax year.

(2) An owner, partner, or shareholder of a business who received more than $75,000 in wages, as defined in 39-71-123, and those individuals' spouses who are employees are not eligible under this chapter for:

(a) any premium assistance payment. However, a premium incentive payment may be made for the premium share paid by the business for group health insurance coverage for:

(i) the owner, partner, or shareholder;

(ii) a spouse of those listed in subsection (2)(a)(i) who is also an employee of the business; or

(iii) dependents of those listed in subsection (2)(a)(i).

(b) a tax credit for group health insurance premiums paid by the business or the owner, partner, or shareholder for group health insurance coverage for the individual or the individual's dependents.

(3) An employee, including an owner, partner, or shareholder or any dependent of an employee, who is also eligible for the children's health insurance program provided for under Title 53, chapter 4, part 10, or medicaid under Title XIX of the Social Security Act may become ineligible to receive a premium assistance payment.

(4) The commissioner shall establish, by rule, the maximum number of employees that may be employed to qualify as a small employer under subsection (1). However, the number may not be less than two employees or more than nine employees. The maximum number may be different for employers seeking premium incentive payments and premium assistance payments than for employers seeking a tax credit. The number must be set to maximize the number of employees receiving coverage under this part. The commissioner may not change the maximum employee number more often than every 6 months. If the maximum number of allowable employees
is changed, the change does not disqualify registered employers with respect to the tax year for which the
employer has registered.

(5) Except as provided in subsection (6), an eligible small employer that is a corporation, as defined in
15-31-101, may claim a tax credit against taxes imposed by Title 15, chapter 31, in the following amounts:

(a) (i) not more than $100 each month for each employee and $100 each month for each employee's
spouse, if the employer covers the employee's spouse, if the average age of the group is under 45 years of age;
or
(ii) not more than $125 each month for each employee and $100 each month for each employee's
spouse, if the employer covers the employee's spouse, if the average age of the group is 45 years of age or older;
and
(b) not more than $40 each month for each dependent, other than the employee's spouse, if the
employer is paying for coverage for the dependents, not to exceed two dependents of an employee in addition
to the employee's spouse.

(6) An employer may not claim a tax credit:

(a) in excess of 50% of the total premiums paid by the employer for the qualifying small group;
(b) for premiums paid from a medical care savings account provided for in Title 15, chapter 61; or
(c) for premiums for which a deduction is claimed under 15-30-213 or 15-31-114.

(7) An employer may not claim a premium incentive payment in excess of 50% of the total premiums paid
by the employer for the qualifying small group."

Section 76. Section 33-22-2007, MCA, is amended to read:

"33-22-2007. Filing for tax credit -- filing for premium incentive payments and premium assistance
payments. (1) An eligible small employer may:

(a) apply the tax credit against taxes due for the current tax year on a return filed pursuant to Title 15,
chapter 30 or 31; or
(b) if the eligible small employer did not sponsor a group health plan that provides creditable coverage
for employees during the 2 years prior to the first tax year of registration for the premium incentive payments or
premium assistance payments or operates a new business that is less than 2 years old and has never sponsored
a group health plan that provides creditable coverage, apply to receive monthly premium incentive payments and
premium assistance payments to be applied to coverage obtained through the purchasing pool or qualified
association health plan coverage approved by the commissioner.

(2) An eligible small employer may not, in the same tax year, apply the tax credit against taxes due for the current tax year as provided for in subsection (1)(a) and receive premium incentive payments as provided for in subsection (1)(b).

(3) The premium incentive payments and premium assistance payments provided for in subsection (1)(b) must be paid pursuant to a plan of operation implemented by the board and any applicable administrative rules.

(4) (a) If an eligible small employer is a corporation, as defined in 15-31-101, and an eligible small employer’s tax credit as provided in subsection (1)(a) exceeds the employer’s liability under 15-30-2103 or 15-31-121, the amount of the excess must be refunded to the eligible small employer. The tax credit may be claimed even if the eligible small employer that is a corporation has no tax liability under 15-30-2103 or 15-31-121.

(b) A tax credit is not allowed under 15-30-2367, 15-31-132; or any other provision of Title 15, chapter 30 or 31, with respect to any amount for which a tax credit is allowed under this part.

(5) The department of revenue or the commissioner may grant a reasonable extension for filing a claim for premium incentive payments or premium assistance payments or a tax credit whenever, in the department's or the commissioner's judgment, good cause exists. The department of revenue and the commissioner shall keep a record of each extension and the reason for granting the extension.

(6) (a) If an employer that would have a claim under this part ceases doing business before filing the claim, the representative of the employer who files the tax return or pays the premium may file the claim.

(b) If a corporation that would have a claim under this part merges with or is acquired by another corporation and the merger or acquisition makes the previously eligible corporation ineligible for the premium incentive payments, premium assistance payments, or tax credit in the future, the surviving or acquired corporation may file for the premium incentive payments, premium assistance payments, or tax credit for any claim period during which the former eligible corporation remained eligible.

(c) If an employer that would have a claim under this part files for bankruptcy protection, the receiver may file for the premium incentive payments, premium assistance payments, or tax credit for any claim period during which the employer was eligible."

Section 77. Section 33-22-2008, MCA, is amended to read:

"33-22-2008. Registration -- funding limitations -- transfers -- maximum number -- waiting list --
information transfer for tax credits. (1) (a) Each eligible small employer that proposes to apply for premium incentive payments and premium assistance payments or a tax credit against taxes imposed by Title 15, chapter 31, under this part must be registered each year with the commissioner.

(b) An eligible small employer may submit a new application for the premium incentive payments and premium assistance payments or the tax credit anytime during the year, but in order to maintain the employer's registration for the next year, the registration application must be renewed each year.

(c) The registration application must include the number of individuals covered, as of the date of the registration application, under the small group health plan for which the employer is seeking premium incentive payments and premium assistance payments or a tax credit. If, after the initial registration, the number of individuals increases, the employer may apply to register the additional individuals, but those additional individuals may be added only at the discretion of the commissioner, who shall limit enrollment based on available funds.

(d) A small employer is not eligible to apply for premium incentive payments and premium assistance payments or a tax credit for a number of employees, or the employees' spouses or dependents, over the number that has been established in 33-22-2006 as the maximum number of employees an employer may have in order to qualify for registration for the time period in question.

(e) An employer's decision to apply for premium incentive payments and premium assistance payments or a tax credit against taxes imposed by Title 15, chapter 31, is irrevocable for 12 months or until the purchasing pool group health plan or qualified association health plan renews its registration, whichever time period is less. An employer may choose to discontinue receiving any premium incentive payments and premium assistance payments or tax credits at any time.

(2) The commissioner shall register qualifying eligible small employers in the order in which applications are received and according to whether or not the application is for premium incentive payments and premium assistance payments or a tax credit against taxes imposed by Title 15, chapter 31. Initially, 60% of the available funding must be dedicated to provide and maintain premium incentive payments and premium assistance payments for eligible small employers who have not sponsored group health plans that provide creditable coverage in the previous 2 years and who chose to join the purchasing pool or a qualified association health plan and 40% of the available funding must be dedicated to tax credits for eligible small employers who currently sponsor a small group health plan that provides creditable coverage. Funding may be transferred from the allocated fund for premium incentive payments and premium assistance payments to the general fund for tax
credits or from the funds allocated for tax credits to the allocated fund for premium incentive payments and
premium assistance payments if the board requests the transfer as provided in 33-22-2004 and the commissioner
approves the request.

3 (a) The maximum number of eligible small employers is reached when the anticipated amount of
claims for premium incentive payments and premium assistance payments and tax credits has reached 95% of
the amount of money allocated for premium incentive payments and premium assistance payments and tax
credits.

(b) The commissioner may establish a waiting list for applicants that are otherwise qualified for
registration but cannot be registered because of a lack of money or because the maximum number of eligible
small employers has been reached.

(c) The commissioner shall mail to each employer registered under this section a notice of registration
containing a unique registration number and indicating eligibility for either premium incentive payments and
premium assistance payments or a tax credit. The commissioner shall also issue to each employer that is eligible
for premium incentive payments and premium assistance payments or the tax credit a certificate, placard, sticker,
or other evidence of participation that may be publicly posted.

(d) The commissioner shall notify all persons who applied for registration and who were not accepted
that they were not registered and the reason that they were not registered.

4 (a) A prospective participant shall apply for registration on a form provided by the commissioner. The
prospective participant shall:

(b) provide the number of employees and whether the employer qualifies under 33-22-2006;

(c) provide information that is necessary to estimate the amount of the premium incentive payments and
premium assistance payments payable to the applicant or the amount of the tax credit available to the applicant,
such as the ages of employees or dependents, relationships of employees’ dependents, and information required
by the department of public health and human services for determination of eligibility for premium assistance
payments matched by federal funds;

(d) indicate whether the prospective employer intends to pursue the claim as a tax credit through the
income tax process against taxes imposed by Title 15, chapter 31, or through premium incentive payments and
premium assistance payments to be applied toward purchasing pool or eligible qualified association health plan
coverage;

(d) indicate whether or not the employer previously sponsored a group health plan that provided
creditable coverage and, if so, when and for how long; and

(e) provide any additional information determined by the commissioner to be necessary to support an application.

(5) Each year, small employer participants shall timely reregister with the commissioner in order to determine the participant's continued eligibility. The commissioner shall accept applications for continued registration:

(a) for purchasing pool participants at any time within 12 months of the initial registration approval or within the time period for renewal of the coverage under this part, whichever is longer;

(b) for tax credit participants on December 1 of each year. The commissioner shall stop accepting renewal applications for tax credit participants 60 calendar days later.

(6) The commissioner shall transmit to the department of revenue, at least annually, a list of eligible small employers that are taxpayer corporations as defined in 15-31-101 that are entitled to the tax credit against taxes imposed by Title 15, chapter 31, and shall specify the taxpayer's name and tax identification number, the tax year to which the credit applies, the amount of the credit, and whether the credit is to be applied against taxes due on the taxpayer's return or paid as premium incentive payments or premium assistance payments. Unless there has been a finding of fraud or misrepresentation on the part of the taxpayer regarding issues relating to eligibility for the tax credit, the department of revenue may not redetermine or change the commissioner's determination regarding the taxpayer's entitlement to and amount of the tax credit.

(7) If the department of public health and human services receives approval for a section 1115 waiver as provided in 53-2-216, the commissioner shall work with the department of public health and human services with regard to eligibility determinations as required by federal law or waiver conditions."

The authority shall take all action necessary and possible to impose, maintain, and collect rates, charges, rentals, and taxes, if any is pledged, sufficient to make the revenue from the pledged source in the year at least equal to the amount of principal and interest due in that year.

(3) The bonds may be sold at public or private sale and may bear interest as provided in 17-5-102. Except as otherwise provided in this section, any bonds issued pursuant to this chapter by an authority may be payable as to principal and interest solely from revenue of the authority and must state on their face the applicable limitations or restrictions regarding the source from which the principal and interest are payable.

(4) Bonds issued by an authority or municipality pursuant to the provisions of this chapter are declared to be issued for an essential public and governmental purpose by a political subdivision within the meaning of 45-30-2110(2)(a).

(5) For the security of bonds, the authority or municipality may by resolution make and enter into any
covenant, agreement, or indenture and may exercise any additional powers authorized to be exercised by a municipality under Title 7, chapter 7, parts 44 and 45. The sums required from time to time to pay principal and interest and to create and maintain a reserve for the bonds may be paid from any revenue referred to in this chapter, prior to the payment of current costs of operation and maintenance of the facilities.

(6) Subject to the conditions stated in this subsection, the governing body of any municipality having a population in excess of 10,000, with respect to bonds issued pursuant to this chapter by the municipality or by an authority in which the municipality is included, may by resolution covenant that in the event that at any time all revenue, including taxes, appropriated and collected for the bonds is insufficient to pay principal or interest then due, it shall, subject to 15-10-420, levy a general tax upon all of the taxable property in the municipality for the payment of the deficiency. The governing body may further covenant that at any time a deficiency is likely to occur within 1 year for the payment of principal and interest due on the bonds, it shall, subject to 15-10-420, levy a general tax upon all the taxable property in the municipality for the payment of the deficiency, and the taxes are limited to a rate estimated to be sufficient to produce the amount of the deficiency. In the event that more than one municipality having a population in excess of 10,000 is included in an authority issuing bonds pursuant to this chapter, the municipalities may apportion the obligation to levy taxes for the payment of, or in anticipation of, a deficiency in the revenue appropriated for the bonds in a manner that the municipalities may determine. The resolution must state the principal amount and purpose of the bonds and the substance of the covenant respecting deficiencies. A resolution may not be effective until the question of its approval has been submitted to the qualified electors of the municipality at a special election called for that purpose by the governing body of the municipality and a majority of the electors voting on the question have voted in favor of the resolution. The special election must be held in conjunction with a regular or primary election. The notice and conduct of the election is governed, to the extent applicable, as provided for municipal general obligation bonds in Title 7, chapter 7, part 42, for an election called by cities and towns and as provided for county general obligation bonds in Title 7, chapter 7, part 22, for an election called by counties. NEW SECTION. Section 91. Transition. (1) As used in this section, the following definitions apply:

(a) "Transition adjustment" means the net sum of all positive and negative adjustments to a taxpayer's Montana taxable income related to transition items provided in subsection (3).

(b) "Transition item" means any difference arising prior to January 1, 2014, from a difference in federal and Montana income tax laws in:

(i) the amount, character, realization, or recognition of income or an item of income, gain, or credit;

(ii) the amount, character, allowance, or disallowance of loss or an item of loss, deduction, or expense;

or

(iii) the basis of an asset or liability that will not, after December 31, 2013, increase or decrease a taxpayer's federal taxable income.

(2) No adjustment to Montana taxable income may be made to take transition items into account except that a taxpayer may elect to make a transition adjustment to Montana taxable income to take a transition item into account as provided in this section.

(3) On or before the due date, including extensions, of a return for the tax year ending after December 31, 2013, and before January 1, 2015, a taxpayer may on forms that the department prescribes file an election to make a transition adjustment to Montana taxable income. The election must specify and account for all transition items, including but not limited to the following:

(a) If a taxpayer has a disallowed passive activity loss within the meaning of section 469 of the Internal Revenue Code (26 U.S.C. 469) that is carried over to a tax year ending after December 31, 2013, and before January 1, 2015, and if the amount of the federal carryover is not the same amount as the Montana carryover, the difference is a positive adjustment to the taxpayer's Montana taxable income if the Montana carryover is smaller than the federal carryover and the difference is a negative adjustment to the taxpayer's Montana taxable income if the Montana carryover is larger than the federal carryover.

(b) If a taxpayer has excess long-term or short-term net capital loss described in section 1212(b)(1) of
the Internal Revenue Code (26 U.S.C. 1212(b)(1)) that is carried over to a tax year ending after December 31, 2013, and before January 1, 2015, and if the amount of the federal carryover is not the same amount as the Montana carryover, the difference is a positive adjustment to the taxpayer's Montana taxable income if the Montana carryover is smaller than the federal carryover and the difference is a negative adjustment to the taxpayer's Montana taxable income if the Montana carryover is larger than the federal carryover.

(c) If a taxpayer or a taxpayer and the taxpayer's spouse made an election on the taxpayer's federal return to defer income ratably because of a conversion from an IRA, other than a Roth IRA, to a Roth IRA pursuant to section 408A(d)(3) of the Internal Revenue Code (26 U.S.C. 408A(d)(3)) but included all the income in the taxpayer's Montana income tax return, the sum of the balance of the federal deferred amount as of January 1, 2014, is a negative adjustment to the taxpayer's Montana taxable income.

(d) Notwithstanding the deduction that a taxpayer would be allowed for net operating loss carryovers and net operating loss carrybacks under section 172(a) of the Internal Revenue Code (26 U.S.C. 172(a)) in a tax year ending after December 31, 2013, and before January 1, 2015, if the taxpayer's federal net operating loss is different from the taxpayer's Montana net operating loss as of December 31, 2013, no adjustment to the taxpayer's Montana taxable income may be made.

(e) If a taxpayer has an asset with a different adjusted basis for federal and Montana income tax purposes after taking into account the effect of the adjustments provided in subsections (3)(a), (3)(b), and (3)(c), the difference is a positive adjustment to the taxpayer's Montana taxable income if the Montana adjusted basis is higher than the federal adjusted basis and the difference is a negative adjustment to the taxpayer's Montana taxable income if the Montana adjusted basis is lower than the federal adjusted basis.

(f) If a taxpayer has a liability with a different adjusted basis for federal and Montana income tax purposes after taking into account the effect of the adjustments provided in subsections (3)(a), (3)(b), and (3)(c), the difference is a negative adjustment to the taxpayer's Montana taxable income if the Montana adjusted basis is higher than the federal adjusted basis and the difference is a positive adjustment to the taxpayer's Montana taxable income if the Montana adjusted basis is lower than the federal adjusted basis.

(g) If a taxpayer received a refund of federal income tax the deduction of which in a tax year beginning after December 31, 2012, resulted in a reduction of Montana income tax liability, the refund is, to the extent the deduction resulted in a reduction of Montana income tax liability, a positive adjustment to the taxpayer's Montana taxable income.

(4) The department is authorized to adopt rules and require facts and information to be reported that it
considers necessary to administer the transition adjustment provided in this section.
