22 **Section 2.** Section 37-15-202, MCA, is amended to read:

23 **"37-15-202. Powers and duties of board and department.** (1) The board shall:

24 (a) administer, coordinate, and enforce the provisions of this chapter;

25 (b) evaluate the qualifications of each applicant for a license as issued under this chapter and supervise  
26 the examination of applicants;

27 (c) conduct hearings and keep records and minutes as the board considers necessary to an orderly  
28 dispatch of business;

29 (d) adopt rules, including but not limited to those governing ethical standards of practice or standards  
30 for telepractice under this chapter;

1 (e) make recommendations to the governor and other state officials regarding new and revised programs  
2 and legislation related to speech-language pathology or audiology which could be beneficial to the citizens of the  
3 state of Montana;

4 (f) cause the prosecution and enjoinder of all persons violating this chapter, by the complaints of its  
5 secretary filed with the county attorney in the county where the violation took place, and incur necessary  
6 expenses ~~therefor~~ for the prosecution;

7 (g) adopt a seal by which the board shall authenticate its proceedings.

8 (2) Copies of the proceedings, records, and acts of the board, signed by the presiding officer or secretary  
9 of the board and stamped with the seal, are prima facie evidence of the validity of the documents.

10 (3) The board may make rules ~~which~~ that are reasonable or necessary for the proper performance of  
11 its duties and for the regulation of proceedings before it.

12 (4) The department may employ persons it considers necessary to carry out the provisions of this  
13 chapter.

14 (5) The department shall prepare a report to the governor as required by law."  
15

16 **NEW SECTION. Section 3. Telepractice -- authorization -- licensure.** (1) An audiologist or  
17 speech-language pathologist who is licensed under and meets the requirements of this chapter may engage in  
18 telepractice in Montana without obtaining a separate or additional license from the board.

19 (2) Except as provided in 37-15-103, an audiologist or speech-language pathologist who is not a resident  
20 of Montana and who is not licensed under this chapter may not provide services to patients in Montana through  
21 telepractice without first obtaining a license from the board in accordance with this part.

22 (3) An audiology aide or assistant or a speech-language pathology aide or assistant may not engage  
23 in telepractice. This section does not prohibit an audiology aide or assistant or a speech-language pathology aide  
24 or assistant from serving as a facilitator.  
25

26 **NEW SECTION. Section 4. Scope of telepractice -- requirements.** (1) The quality of services  
27 provided through telepractice must be equivalent to the quality of audiology or speech-language pathology  
28 services that are provided in person and must conform to all existing state, federal, and institutional professional  
29 standards, policies, and requirements for audiologists and speech-language pathologists.

30 (2) Technology used to provide telepractice, including but not limited to equipment, connectivity, software,

1 hardware, and network compatibility, must be appropriate for the service being delivered and must address the  
2 unique needs of each patient. Audio and video quality utilized in telepractice must be sufficient to deliver services  
3 that are equivalent to services that are provided in person. A person providing telepractice services is responsible  
4 for calibrating clinical instruments in accordance with standard operating procedures and the manufacturer's  
5 specifications.

6 (3) A person providing telepractice services shall comply with all state and federal laws, rules, and  
7 regulations governing the maintenance of patient records, including maintaining patient confidentiality and  
8 protecting sensitive patient data.

9 (4) A person providing telepractice services shall conduct an initial assessment of each patient's  
10 candidacy for telepractice, including the patient's behavioral, physical, and cognitive abilities to participate in  
11 services provided through telepractice. Telepractice may not be provided only through written correspondence.

12 (5) At a minimum, a person providing telepractice services shall provide a notice of telepractice services  
13 to each patient and, if applicable, the patient's guardian, caregiver, or multidisciplinary team. The notification must  
14 provide that a patient has the right to refuse telepractice services and has options for service delivery and must  
15 include instructions on filing and resolving complaints.

16  
17 NEW SECTION. **Section 5. Codification instruction.** [Sections 3 and 4] are intended to be codified  
18 as an integral part of Title 37, chapter 15, part 3, and the provisions of Title 37, chapter 15, part 3, apply to  
19 [sections 3 and 4].

20

21 ~~NEW SECTION. Section 6. Effective date. [This act] is effective on passage and approval.~~
