The Speaker stated that with the appeal being sustained, the discussion would revert back to Order of Business #2 Reports of Standing Committees from the previous day's session on the original objection of Minority Leader Hunter: "Does a Silver Bullet designation prevent or negate an Adverse Committee Report and make the Human Services Committee Report Out of Order."

The Speaker ruled that the House Human Services Report was proper and that the silver bullet rule H40-90(2) did not prevent a committee from adversely reporting a bill. He stated that H40-90(2) applied to bills that were still in possession of the committee therefore, the silver bullet rule did not preempt or prevent those bills from being adversely reported.

Minority Leader Hunter appealed the ruling of the Speaker.
