The Honorable Debby Barrett
President of the Senate

Dear President Barrett:

Governor

April 10, 2015

The Honorable Debby Barrett
President of the Senate
State Capitol
Helena, MT 59620

The Honorable Austin Knudsen
Speaker of the House
State Capitol
Helena, MT 59620

Dear President Barrett and Speaker Knudsen:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby **veto Senate Bill 277** (SB 277), "AN ACT PROHIBITING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES FROM COLLECTING PERSONALLY IDENTIFIABLE INFORMATION ABOUT PERSONS PROVIDING CERTAIN PERSONAL ASSISTANCE SERVICES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

SB 277 would prohibit the Department of Health and Human Services from collecting information about workers providing publicly-funded personal assistance and community first choice services. I join many advocates, providers, and families throughout this state in celebrating the development of the Community First Choice program, and I thank all of the Montanans who played critical roles in making this program a reality in Montana. I am proud of the collective work we have done to keep more Montanans needing long-term care in their homes and near their loved ones.

Unfortunately, SB 277 would prevent the state from moving forward on assessments and evaluations of workforce quality, stability, and sustainability in this field of vital importance to the safety and care of Montana's seniors. As Montana's population continues to age, this workforce will continue to grow in importance and merits special attention because of the nature of the work performed -- assistance in the activities of daily living, including bathing, medical assistance, and

managing personal finances.

Montana lags behind many states in terms of transparency, accountability, and opportunities for workers going into the homes of some of our most vulnerable neighbors. For example, at least forty-one states currently require background checks for home health care workers. While our state's rules do not go that far, they are a modest first step in better understanding this vital segment of our workforce and in helping protect the families being served.

I remain committed to evaluating workforce availability and sustainability, enhancing comparative information available to consumers, and improving the consistency and quality of care available to Montanans.

For these reasons, I veto SB 277.

Sincerely,

STEVE BULLOCK
Governor
