4 **NEW SECTION. Section 4. Student rights.** (1) An eligible student may not be denied admission or  
5 readmission to an educational institution on the basis of the student's membership in the reserve component of  
6 the United States armed forces or in the Montana national guard.

7 (2) If an eligible student is ordered to active duty while enrolled in one or more courses at an educational  
8 institution:

- 9 (a) if the student has completed 85% of a course's requirements, the student must be allowed to:

11 work because of the active duty; or  
12 (ii) withdraw from the course and receive financial credit as provided in [section 5].

13 (b) if the student has completed less than 85% of a course's requirements, the student must be allowed

26 charged for courses the student enrolls in after being readmitted to the institution.

27 (3) The student may not be charged any readmission fees.

28 (4) If a student does not reenroll within the timeframe required under subsection (1) due to an illness or
