(c) regarding the administration of electronic government services contracts;

(d) on the priority of government services to be provided electronically;

(e) on convenience fees prescribed in 2-17-1102 and 2-17-1103, if needed, for electronic government services; and

(f) on any other aspect of providing electronic government services;

(3) review and advise the department on:

(a) statewide information technology standards and policies;

(b) the state strategic information technology plan;

(c) major information technology budget requests;

- 1 (d) rates and other charges for services established by the department as provided in 2-17-512(1)(t);
- 2 (e) requests for exceptions as provided for in 2-17-515;
- 3 (f) notification of proposed exemptions by the university system and office of public instruction as
- 4 provided for in 2-17-516;
- 5 (g) action taken by the department as provided in 2-17-514(1) for any activity that is not in compliance
- 6 with this part;
- 7 (h) transfer of information technology funds, resources, and employees as provided for in 2-17-531; ~~and~~
- 8 (i) the implementation of major information technology projects and advise the respective governing
- 9 authority of any issue of concern to the board relating to implementation of the project; and
- 10 (j) financial reports, management reports, and other data as requested by the department;
- 11 (4) study state government's present and future information technology needs and advise the department
- 12 on the use of emerging technology in state government; ~~and~~
- 13 (5) request information and reports that it considers necessary from any entity using or having access
- 14 to the statewide telecommunications network or central computer center-;
- 15 (6) on the request of the governor or the legislature, prepare reports regarding the growth, performance,
- 16 and use of electronic government services and other measurements that the board considers necessary to
- 17 implement and enhance the functioning of electronic government service;
- 18 (7) assist in identifying, evaluating, and prioritizing potential departmental and interagency electronic
- 19 government services;
- 20 (8) serve as a central coordination point for electronic government services provided by the department
- 21 and other state agencies; and
- 22 (9) study, propose, develop, or coordinate any other activity in furtherance of electronic government
- 23 services as requested by the governor or the legislature."
- 24

25 **Section 2.** Section 2-17-1102, MCA, is amended to read:

26 **"2-17-1102. Definitions.** As used in this part, unless the context requires otherwise, the following
