**Section 2.** Section 39-71-118, MCA, is amended to read:

**"39-71-118. Employee, worker, volunteer, volunteer firefighter, and volunteer emergency medical technician defined.** (1) As used in this chapter, the term "employee" or "worker" means:

(a) each person in this state, including a contractor other than an independent contractor, who is in the service of an employer, as defined by 39-71-117, under any appointment or contract of hire, expressed or implied, oral or written. The terms include aliens and minors, whether lawfully or unlawfully employed, and all of the elected and appointed paid public officers and officers and members of boards of directors of quasi-public or private corporations, except those officers identified in 39-71-401(2), while rendering actual service for the corporations for pay. Casual employees, as defined by 39-71-116, are included as employees if they are not otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic employment is excluded.

(b) any juvenile who is performing work under authorization of a district court judge in a delinquency prevention or rehabilitation program;

(c) a person who is receiving on-the-job vocational rehabilitation training or other on-the-job training under a state or federal vocational training program, whether or not under an appointment or contract of hire with an employer, as defined in 39-71-117, and, except as provided in subsection (9), whether or not receiving payment from a third party. However, this subsection (1)(c) does not apply to students enrolled in vocational training programs, as outlined in this subsection, while they are on the premises of a public school or community college.

(d) an aircrew member or other person who is employed as a volunteer under 67-2-105;

(e) a person, other than a juvenile as described in subsection (1)(b), who is performing community service for a nonprofit organization or association or for a federal, state, or local government entity under a court order, or an order from a hearings officer as a result of a probation or parole violation, whether or not under appointment or contract of hire with an employer, as defined in 39-71-117, and whether or not receiving payment from a third party. For a person covered by the definition in this subsection (1)(e):

(i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part 4, for a full-time employee at the time of the injury; and

The department of public health and human services shall provide workers' compensation coverage for recipients of financial assistance, as defined in 53-4-201, or for participants in the food stamp program, as defined in 53-2-902, who are placed at public or private worksites through an endorsement to the department of public health and human services' workers' compensation policy naming the public or private worksite entities as named insureds under the policy. The endorsement may cover only the entity's public assistance participants and may be only for the duration of each participant's training while receiving financial assistance or while participating in the food stamp program under a written agreement between the department of public health and human services and each public or private entity. The department of public health and human services may not provide workers' compensation coverage for individuals who are covered for workers' compensation purposes by another state or federal employment training program. Premiums and benefits must be based upon the wage that a probationary employee is paid for work of a similar nature at the assigned worksite.

(i) subject to subsection (11), a member of a religious corporation, religious organization, or religious trust while performing services for the religious corporation, religious organization, or religious trust, as described in 39-71-117(1)(d).

The person may receive reimbursement for providing room and board, obtaining training, respite care, leisure and recreational activities, and providing for other needs and activities arising in the provision of in-home foster care.

(d) performing temporary agricultural work for an employer if the person performing the work is otherwise exempt from the requirement to obtain workers' compensation coverage under 39-71-401(2)(r) with respect to a company that primarily performs agricultural work at a fixed business location or under 39-71-401(2)(d) and is not required to obtain an independent contractor's exemption certificate under 39-71-417 because the person does not regularly perform agricultural work away from the person's own fixed business location. For the purposes of this subsection, the term "agricultural" has the meaning provided in 15-1-101(1)(a).

(3) With the approval of the insurer, an employer may elect to include as an employee under the provisions of this chapter a volunteer as defined in subsection (2)(b), a volunteer emergency medical technician as defined in subsection (10), or a volunteer firefighter as defined in 7-33-4510. An ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer nontransporting medical unit, as defined in 50-6-302, in service to a town, city, or county may elect to include as an employee under the provisions of this chapter a volunteer emergency medical technician.

(4) (a) If the employer is a partnership, limited liability partnership, sole proprietor, or a member-managed limited liability company, the employer may elect to include as an employee within the provisions of this chapter any member of the partnership or limited liability partnership, the owner of the sole proprietorship, or any member of the limited liability company devoting full time to the partnership, limited liability partnership, proprietorship, or limited liability company business.

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the partners, sole proprietor, or members to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (4)(d). A partner, sole proprietor, or member is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (4)(d). For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than

\$900 a month and not more than 1 1/2 times the state's average weekly wage.

(5) (a) If the employer is a quasi-public or a private corporation or a manager-managed limited liability company, the employer may elect to include as an employee within the provisions of this chapter any corporate officer or manager exempted under 39-71-401(2).

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the corporate officer or manager to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A corporate officer or manager is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) For the purposes of an election under this subsection (5), all weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (5)(d). For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than \$200 a week and not more than 1 1/2 times the state's average weekly wage.

(6) Except as provided in Title 39, chapter 8, an employee or worker in this state whose services are furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

(7) A student currently enrolled in an elementary, secondary, or postsecondary educational institution who is participating in work-based learning activities and who is paid wages by the educational institution or business partner is the employee of the entity that pays the student's wages for all purposes under this chapter. A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject to the provisions of this chapter.

(8) For purposes of this section, an "employee or worker in this state" means:

(a) a resident of Montana who is employed by an employer and whose employment duties are primarily carried out or controlled within this state;

(b) a nonresident of Montana whose principal employment duties are conducted within this state on a

regular basis for an employer;

(c) a nonresident employee of an employer from another state engaged in the construction industry, as defined in 39-71-116, within this state; or

(d) a nonresident of Montana who does not meet the requirements of subsection (8)(b) and whose employer elects coverage with an insurer that allows an election for an employer whose:

- (i) nonresident employees are hired in Montana;
- (ii) nonresident employees' wages are paid in Montana;
- (iii) nonresident employees are supervised in Montana; and
- (iv) business records are maintained in Montana.

(9) An insurer may require coverage for all nonresident employees of a Montana employer who do not meet the requirements of subsection (8)(b) or (8)(d) as a condition of approving the election under subsection (8)(d).

(10) (a) With the approval of the insurer, an ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer nontransporting medical unit, as defined in 50-6-302, in service to a town, city, or county may elect to include as an employee within the provisions of this chapter a volunteer emergency medical technician who serves public safety through the ambulance service not otherwise covered by subsection (1)(g) or the paid or volunteer nontransporting medical unit.

(b) In the event of an election under subsection (10)(a), the employer shall report payroll for all volunteer emergency medical technicians for premium and weekly benefit purposes based on the number of volunteer hours of each emergency medical technician, but no more than 60 hours, times the state's average weekly wage divided by 40 hours.

(c) An ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer nontransporting medical unit, as defined in 50-6-302, may make a separate election to provide benefits as described in this subsection (10) to a member who is either a self-employed sole proprietor or partner who has elected not to be covered under this chapter, but who is covered as a volunteer emergency medical technician pursuant to subsection (10)(a). When injured in the course and scope of employment as a volunteer emergency medical technician, a member may instead of the benefits described in subsection (10)(b) be eligible for benefits at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year. If the separate election is made as provided in this subsection (10), payroll information for those self-employed

sole proprietors or partners must be reported and premiums must be assessed on the assumed weekly wage.

(d) A volunteer emergency medical technician who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 17, if the individual is also eligible as a volunteer firefighter.

(e) (i) The term "volunteer emergency medical technician" means a person who has received a certificate issued by the board of medical examiners as provided in Title 50, chapter 6, part 2, and who serves the public through an ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer nontransporting medical unit, as defined in 50-6-302, in service to a town, city, or county.

(ii) The term does not include a volunteer emergency medical technician who serves an employer as defined in 7-33-4510.

(f) The term "volunteer hours" means the time spent by a volunteer emergency medical technician in the service of an employer or as a volunteer for a town, city, or county, including but not limited to training time, response time, and time spent at the employer's premises.

(11) The definition of "employee" or "worker" in subsection (1)(i) is limited to implementing the administrative purposes of this chapter and may not be interpreted or construed to create an employment relationship in any other context."
