10 elected and appointed paid public officers and officers and members of boards of directors of quasi-public or
11 private corporations, except those officers identified in 39-71-401(2), while rendering actual service for the
12 corporations for pay. Casual employees, as defined by 39-71-116, are included as employees if they are not
13 otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of
14 the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic
15 employment is excluded.

16 (b) any juvenile who is performing work under authorization of a district court judge in a delinquency
17 prevention or rehabilitation program;

20 an employer, as defined in 39-71-117, and, except as provided in subsection (9), whether or not receiving
21 payment from a third party. However, this subsection (1)(c) does not apply to students enrolled in vocational
22 training programs, as outlined in this subsection, while they are on the premises of a public school or community
23 college.

24 (d) an aircrew member or other person who is employed as a volunteer under 67-2-105;

25 (e) a person, other than a juvenile as described in subsection (1)(b), who is performing community
26 service for a nonprofit organization or association or for a federal, state, or local government entity under a court

28 appointment or contract of hire with an employer, as defined in 39-71-117, and whether or not receiving payment
29 from a third party. For a person covered by the definition in this subsection (1)(e):

30 (i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment

1 award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part
2 4, for a full-time employee at the time of the injury; and

3 (ii) premiums must be paid by the employer, as defined in 39-71-117(3), and must be based upon the

15 under the policy. The endorsement may cover only the entity's public assistance participants and may be only
16 for the duration of each participant's training while receiving financial assistance or while participating in the ~~food~~
17 ~~stamp~~ supplemental nutrition assistance program under a written agreement between the department of public
18 health and human services and each public or private entity. The department of public health and human services
19 may not provide workers' compensation coverage for individuals who are covered for workers' compensation
20 purposes by another state or federal employment training program. Premiums and benefits must be based upon
21 the wage that a probationary employee is paid for work of a similar nature at the assigned worksite.

4 and recreational activities, and providing for other needs and activities arising in the provision of in-home foster
5 care.

6 (d) performing temporary agricultural work for an employer if the person performing the work is otherwise
7 exempt from the requirement to obtain workers' compensation coverage under 39-71-401(2)(r) with respect to
8 a company that primarily performs agricultural work at a fixed business location or under 39-71-401(2)(d) and is
9 not required to obtain an independent contractor's exemption certificate under 39-71-417 because the person
10 does not regularly perform agricultural work away from the person's own fixed business location. For the
11 purposes of this subsection, the term "agricultural" has the meaning provided in 15-1-101(1)(a).

12 (3) With the approval of the insurer, an employer may elect to include as an employee under the
13 provisions of this chapter a volunteer as defined in subsection (2)(b) or a volunteer firefighter as defined in
14 7-33-4510.

15 (4) (a) If the employer is a partnership, limited liability partnership, sole proprietor, or a member-managed

17 any member of the partnership or limited liability partnership, the owner of the sole proprietorship, or any member
18 of the limited liability company devoting full time to the partnership, limited liability partnership, proprietorship, or
19 limited liability company business.

20 (b) In the event of an election, the employer shall serve upon the employer's insurer written notice
21 naming the partners, sole proprietor, or members to be covered and stating the level of compensation coverage
22 desired by electing the amount of wages to be reported, subject to the limitations in subsection (4)(d). A partner,
23 sole proprietor, or member is not considered an employee within this chapter until notice has been given.

24 (c) A change in elected wages must be in writing and is effective at the start of the next quarter following
25 notification.

26 (d) All weekly compensation benefits must be based on the amount of elected wages, subject to the
27 minimum and maximum limitations of this subsection (4)(d). For premium ratemaking and for the determination
28 of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than
29 \$900 a month and not more than 1 1/2 times the state's average weekly wage.

30 (5) (a) If the employer is a quasi-public or a private corporation or a manager-managed limited liability

2 officer or manager exempted under 39-71-401(2).

3 (b) In the event of an election, the employer shall serve upon the employer's insurer written notice
4 naming the corporate officer or manager to be covered and stating the level of compensation coverage desired
5 by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A corporate officer

8 notification.

9 (d) For the purposes of an election under this subsection (5), all weekly compensation benefits must be
10 based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (5)(d).
11 For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the
12 electing employer may elect an amount of not less than \$200 a week and not more than 1 1/2 times the state's
13 average weekly wage.

14 (6) Except as provided in Title 39, chapter 8, an employee or worker in this state whose services are
15 furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or
16 corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to
17 be under the control and employment of the employer. This presumption may be rebutted as provided in
18 39-71-117(3).

19 (7) A student currently enrolled in an elementary, secondary, or postsecondary educational institution
20 who is participating in work-based learning activities and who is paid wages by the educational institution or
21 business partner is the employee of the entity that pays the student's wages for all purposes under this chapter.
22 A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject
23 to the provisions of this chapter.

24 (8) For purposes of this section, an "employee or worker in this state" means:

28 regular basis for an employer;

29 (c) a nonresident employee of an employer from another state engaged in the construction industry, as
30 defined in 39-71-116, within this state; or

2 employer elects coverage with an insurer that allows an election for an employer whose:

3 (i) nonresident employees are hired in Montana;

4 (ii) nonresident employees' wages are paid in Montana;

5 (iii) nonresident employees are supervised in Montana; and

6 (iv) business records are maintained in Montana.

7 (9) An insurer may require coverage for all nonresident employees of a Montana employer who do not
8 meet the requirements of subsection (8)(b) or (8)(d) as a condition of approving the election under subsection
9 (8)(d).

10 (10) (a) An ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer
11 nontransporting medical unit, as defined in 50-6-302, in service to a town, city, or county may elect to include as
12 an employee within the provisions of this chapter a volunteer emergency medical technician who serves public
13 safety through the ambulance service not otherwise covered by subsection (1)(g) or the paid or volunteer
14 nontransporting medical unit. The ambulance service or nontransporting medical unit may purchase workers'
15 compensation coverage from any entity authorized to provide workers' compensation coverage under plan No.
16 1, 2, or 3 as provided in this chapter.

17 (b) If there is an election under subsection (10)(a), the employer shall report payroll for all volunteer
18 emergency medical technicians for premium and weekly benefit purposes based on the number of volunteer
19 hours of each emergency medical technician, but no more than 60 hours, times the state's average weekly wage
20 divided by 40 hours.

21 (c) An ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer
22 nontransporting medical unit, as defined in 50-6-302, may make a separate election to provide benefits as
23 described in this subsection (10) to a member who is either a self-employed sole proprietor or partner who has
24 elected not to be covered under this chapter, but who is covered as a volunteer emergency medical technician
25 pursuant to subsection (10)(a). When injured in the course and scope of employment as a volunteer emergency
26 medical technician, a member may instead of the benefits described in subsection (10)(b) be eligible for benefits
27 at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year.
28 If the separate election is made as provided in this subsection (10), payroll information for those self-employed
29 sole proprietors or partners must be reported and premiums must be assessed on the assumed weekly wage.

30 (d) A volunteer emergency medical technician who receives workers' compensation coverage under this

1 section may not receive disability benefits under Title 19, chapter 17, if the individual is also eligible as a volunteer
2 firefighter.

3 (e) (i) The term "volunteer emergency medical technician" means a person who has received a certificate
4 issued by the board of medical examiners as provided in Title 50, chapter 6, part 2, and who serves the public
5 through an ambulance service not otherwise covered by subsection (1)(g) or a paid or volunteer nontransporting
6 medical unit, as defined in 50-6-302, in service to a town, city, or county.

7 (ii) The term does not include a volunteer emergency medical technician who serves an employer as
8 defined in 7-33-4510.

9 (f) The term "volunteer hours" means the time spent by a volunteer emergency medical technician in the
10 service of an employer or as a volunteer for a town, city, or county, including but not limited to training time,
11 response time, and time spent at the employer's premises.

12 (11) The definition of "employee" or "worker" in subsection (1)(i) is limited to implementing the
13 administrative purposes of this chapter and may not be interpreted or construed to create an employment
14 relationship in any other context."

17 **"40-4-215. Investigations and reports.** (1) If a parent or a court-appointed third party requests, or if
18 the court finds that a parenting proceeding is contested, the court may order an investigation and report
19 concerning parenting arrangements for the child. The investigator may be the child's guardian ad litem or other
20 professional considered appropriate by the court. The department of public health and human services may not
21 be ordered to conduct the investigation or draft a report unless the person requesting the investigation is a

 7 the investigator may consult with and obtain information from medical, psychiatric, or other expert persons who
 8 have served the child in the past without obtaining the consent of the persons or entities authorized by law to
 9 grant or withhold access to the records. The child's consent must be obtained if the child is 16 years of age or
 10 older unless the court finds that the child lacks mental capacity to consent. If the requirements of subsection (4)
 11 are fulfilled, the investigator's report may be received in evidence at the hearing.

12 (4) The investigator shall mail the investigator's report to counsel and to any party not represented by
 13 counsel at least 10 days prior to the hearing. When consistent with state and federal law, the investigator shall
