23 becomes indigent at any subsequent stage of the proceedings, the court shall order the assignment of counsel

19 and time for the hearing on the petition that may not be on the same day as the initial appearance and that may  
20 not exceed 5 days, including weekends and holidays, unless the fifth day falls upon a weekend or holiday and

14 **Section 40.** Section 53-24-302, MCA, is amended to read:

15 **"53-24-302. Involuntary commitment of alcoholics -- rights.** (1) A person may be committed to the  
16 custody of the department by the district court upon the petition of the person's spouse or guardian, a relative,  
17 the certifying physician, or the chief of any approved public treatment facility. The petition must allege that the  
18 person is an alcoholic who habitually lacks self-control as to the use of alcoholic beverages and that the person  
19 has threatened, attempted, or inflicted physical harm on another and that unless committed is likely to inflict  
20 physical harm on another or is incapacitated by alcohol. A refusal to undergo treatment does not constitute  
21 evidence of lack of judgment as to the need for treatment. The petition must be accompanied by a certificate of  
22 a licensed physician who has examined the person within 2 days before submission of the petition unless the  
23 person whose commitment is sought has refused to submit to a medical examination, in which case the fact of  
24 refusal must be alleged in the petition. The certificate must set forth the physician's findings in support of the  
25 allegations of the petition. A physician employed by the admitting facility or the department is not eligible to be  
26 the certifying physician.

27 (2) Upon filing the petition, the court shall fix a date for a hearing no later than 10 days after the date the  
28 petition was filed. A copy of the petition and of the notice of the hearing, including the date fixed by the court, must  
29 be served on the petitioner, the person whose commitment is sought, the person's next of kin other than the  
30 petitioner, a parent or the person's legal guardian if the person is a minor, the administrator in charge of the

1 approved public treatment facility to which the person has been committed for emergency care, and any other  
2 person the court believes advisable. A copy of the petition and certificate must be delivered to each person  
3 notified.

4 (3) At the hearing, the court shall hear all relevant testimony, including, if possible, the testimony of at  
5 least one licensed physician who has examined the person whose commitment is sought. The person has a right  
6 to have a licensed physician of the person's own choosing conduct an examination and testify on the person's  
7 behalf. If the person has no funds with which to pay the physician, the reasonable costs of one examination and  
8 testimony must be paid by the county. The person must be present unless the court believes that the person's  
9 presence is likely to be injurious to the person. The court shall examine the person in open court or, if advisable,  
10 shall examine the person in chambers. If the person refuses an examination by a licensed physician and there  
11 is sufficient evidence to believe that the allegations of the petition are true or if the court believes that more  
12 medical evidence is necessary, the court may make a temporary order committing the person to the department  
13 for a period of not more than 5 days for purposes of a diagnostic examination.

14 (4) If after hearing all relevant evidence, including the results of any diagnostic examination by the  
15 department, the court finds that grounds for involuntary commitment have been established by clear and  
16 convincing evidence, it shall make an order of commitment to the department. The court may not order  
17 commitment of a person unless it determines that the department is able to provide adequate and appropriate  
18 treatment for the person and that the treatment is likely to be beneficial.

19 (5) A person committed under this section must remain in the custody of the department for treatment  
20 for a period of 40 days unless sooner discharged. At the end of the 40-day period, the person must automatically  
21 be discharged unless before expiration of the period the department obtains a court order from the district court  
22 of the committing district for the person's recommitment upon the grounds set forth in subsection (1) for a further  
23 period of 90 days unless sooner discharged. If a person has been committed because the person is an alcoholic  
24 likely to inflict physical harm on another, the department shall apply for recommitment if after examination it is  
25 determined that the likelihood still exists.

26 (6) A person recommitted under subsection (5) who has not been discharged by the department before  
27 the end of the 90-day period must be discharged at the expiration of that period unless before expiration of the  
28 period the department obtains a court order from the district court of the committing district on the grounds set  
29 forth in subsection (1) for recommitment for a further period not to exceed 90 days. If a person has been  
30 committed because the person is an alcoholic likely to inflict physical harm on another, the department shall apply

1 for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders  
2 under subsections (5) and (6) are permitted.

3 (7) Upon the filing of a petition for recommitment under subsection (5) or (6), the court shall fix a date  
4 for hearing no later than 10 days after the date the petition was filed. A copy of the petition and of the notice of  
5 hearing, including the date fixed by the court, must be served on the petitioner, the person whose commitment  
6 is sought, the person's next of kin other than the petitioner, the original petitioner under subsection (1) if different  
7 from the petitioner for recommitment, one of the person's parents or the person's legal guardian if the person is  
8 a minor, and any other person the court believes advisable. At the hearing, the court shall proceed as provided  
9 in subsection (3).

10 (8) A person committed to the custody of the department for treatment must be discharged at any time  
11 before the end of the period for which the person has been committed if either of the following conditions is met:

12 (a) in case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon  
13 another, that the person is no longer in need of treatment or the likelihood no longer exists; or

14 (b) in case of an alcoholic committed on the grounds of incapacity and the need of treatment, that the  
15 incapacity no longer exists, further treatment will not be likely to bring about significant improvement in the  
16 person's condition, or treatment is no longer adequate or appropriate.

17 (9) The court shall inform the person whose commitment or recommitment is sought of the person's right  
18 to contest the application, be represented by counsel at every stage of any proceedings relating to the person's  
19 commitment and recommitment, and have assigned counsel pursuant to the Montana Public Defender Act, Title  
20 47, chapter 1, if the person wants the assistance of counsel and is unable to obtain private counsel. If the court  
21 believes that the person needs the assistance of counsel, the court shall order the office of state public defender,  
22 provided for in ~~47-4-204~~ ~~section 3~~ SECTION 1, to assign counsel for the person regardless of the person's  
23 wishes. The person whose commitment or recommitment is sought must be informed of the right to be examined  
24 by a licensed physician of the person's choice. If the person is unable to obtain a licensed physician and requests  
25 examination by a physician, the court shall employ a licensed physician.

26 (10) If a private treatment facility agrees with the request of a competent patient or the patient's parent,  
27 sibling, adult child, or guardian to accept the patient for treatment, the department may transfer the patient to the  
28 private treatment facility.

29 (11) A person committed under this section may at any time seek to be discharged from commitment by  
30 writ of habeas corpus or other appropriate means.

1 (12) The venue for proceedings under this section is the place in which the person to be committed  
2 resides or is present."
