A BILL FOR AN ACT ENTITLED: "AN ACT REVISING RURAL IMPROVEMENT DISTRICT LAWS; ALLOWING FOR THE CREATION OF A RURAL IMPROVEMENT DISTRICT SOLELY FOR ROAD MAINTENANCE UPON PETITION OF THE OWNERS OF MORE THAN 60% OF THE AREA IN THE PROPOSED DISTRICT; AND AMENDING SECTIONS 7-12-2102, 7-12-2105, 7-12-2109, AND 7-12-2113, MCA."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 7-12-2102, MCA, is amended to read:

**"7-12-2102. Authorization to create rural improvement districts -- property owners may petition for creation.** (1) Whenever the public interest or convenience may require, the board of county commissioners may order and create special improvement districts outside of the limits of incorporated towns and cities for the purpose of building, constructing, or acquiring by purchase one or more of the improvements of the kind described in 7-12-4102, in or for the benefit of the special improvement district.

(2) (a) The Except as provided in subsection (2)(b), the board of county commissioners may order and create a special improvement district upon the receipt of a petition to create a special improvement district that contains the consent of all of the owners of property to be included in the district.

(b) The board of county commissioners may order and create a special improvement district solely for the purpose of road maintenance upon the receipt of a petition to create the district that contains the consent of the owners of more than 60% of the area of the property proposed in the petition to be included in the district.

(3) The board of county commissioners may order and create special improvement districts covering projects abutting the city limits and include properties inside the city where the rural improvement district abuts and benefits that property. Properties within the proposed district boundaries inside the city may not be included in the rural special improvement district if, under the assessment methodology provided in the resolution of intention, the owners of lots, tracts, or parcels in the city representing not less than 40% of the total projected assessments against properties in the city protest the creation of the rural special improvement district. The property inside the city must be treated in a similar manner as to improvements, notices, and assessments as the property outside the city limits. A joint resolution of the city and county must be passed agreeing to the terms

1 of the rural special improvement district prior to passing the resolution of intention or resolution creating the rural  
2 special improvement district. A copy of the resolution of intention and the resolution creating the rural special  
3 improvement district must be provided to the city clerk upon the passage of the respective resolutions."

5 **Section 2.** Section 7-12-2105, MCA, is amended to read:

6 **"7-12-2105. Notice of resolution of intention to create district -- hearing -- exception.** (1) Upon

8 notice of the passage as provided in 7-1-2121.

9 (2) A copy of the notice must be mailed, as provided in 7-1-2122, to each person, firm, or corporation

12 (3) (a) The notice must describe the general character of the improvements proposed to be made or  
13 acquired by purchase, state the estimated cost of the improvements, describe generally the method or methods  
14 by which the costs of the improvements will be assessed, and designate the time when and the place where the

18 boundaries of the district during the term of the bonded indebtedness, the assessment per lot, tract, or parcel then  
19 in the district will be recalculated as provided in 7-12-2151(4).

20 (b) If the revolving fund is to be pledged to secure the payment of bonds and warrants, the notice must  
21 include a statement that, subject to the limitations in 7-12-2182:

22 (i) the county general fund may be used to provide loans to the revolving fund; or
