BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 23-4-105, MCA, is amended to read:

"23-4-105. Authority of board. (1) The board shall license and regulate racing, match bronc rides, and wild horse rides and review race meets held in this state under this chapter. All percentages withheld from amounts wagered, amounts set aside pursuant to 23-4-202(4)(d), percentages collected pursuant to 23-4-204(3), percentages collected pursuant to 23-4-302(3) and (5)(b)(iii), and money collected pursuant to 23-4-304(1)(a) and (1)(b) must be deposited in a state special revenue account and are statutorily appropriated to the board as provided in 17-7-502. The board shall then distribute all funds collected under 23-4-202(4)(d), 23-4-204(3), 23-4-302(3) and (5)(b)(iii), and 23-4-304(1)(a) and (1)(b) to live race purses or for other purposes for the good of the existing horseracing industry. If the board decides to authorize new forms of racing, including new forms of simulcast racing, not currently authorized in Montana, the board shall do so after holding public hearings to determine the effects of these forms of racing on the existing saddle racing program in Montana. The board shall consider both the economic and safety impacts on the existing racing and breeding industry.

(2) Funds retained by the board in a state special revenue fund pursuant to 23-4-302(1) and (4) are statutorily appropriated to the board as provided in 17-7-502 for the operation of a simulcast parimutual network and for other purposes that the board considers appropriate for the good of the existing horseracing industry."

**Section 2.** Section 23-4-302, MCA, is amended to read:

"23-4-302. Distribution of deposits -- breakage. (1) Each licensee conducting the parimutuel system for a simulcast race meet shall distribute all funds deposited in any pool to the winner of the parimutuel pool, less an amount that in the case of exotic wagering on races may not exceed 26% and in all other races may not exceed 20% of the total deposits plus the odd cents of all redistribution to be based on each dollar deposited exceeding a sum equal to the next lowest multiple of 10, known as "breakage".

- (2) Each licensee conducting the parimutuel system for a simulcast race meet shall distribute all funds deposited with the licensee in any pool for the simulcast race meet, less an amount that in the case of exotic wagering on these races may not exceed 26%, unless the signal originator percentage is higher, in which case the Montana simulcast licensee may adopt the same percentage withheld as the place where the signal originated, and that in all other of these races may not exceed 20% of the total deposits plus the odd cents of all redistribution to be based on each dollar deposited exceeding a sum equal to the next lowest multiple of 10, known as "breakage".
- (3) Each licensee conducting a parimutuel system for a simulcast race meet shall deduct 1% of the total amount wagered on the race meet and deposit it in a state special revenue account. The board shall then distribute all funds collected under this subsection to live race purses or for other purposes that the board considers appropriate for the good of the existing horseracing industry.
- (4) (a) Source market fees from licensed advance deposit wagering hub operators must be deposited by the board in the board's state special revenue account.
- (b) The board shall pay 80% of the source market fees generated between May 1 and the following April 30 to live race meet licensees based on each live race meet licensee's percentage of the total annual on-track parimutuel handle during the previous live race season. Prior to the beginning of each year's live race season, the correct percentage must be distributed by the board to each live race meet licensee to be used for race purses or other purposes that the board considers appropriate for the good of the horseracing industry.
- (c) Ten percent of the source market fees paid to the board in a calendar year may be retained by the board for the payment of administrative expenses. One-half of the remaining 10% of the source market fees paid to the board in a calendar year must, by January 31 of the following calendar year, be paid to the owner bonus program and the other one-half to the breeder bonus program.
- (5) (a) The parimutuel network licensee conducting fantasy sports league wagering shall distribute all funds deposited in the pool to the winner of the parimutuel pool less the takeout amount of <del>26%</del> not more than

30% of the total deposits.

- (b) The takeout amount must be distributed as follows:
- (i) 15.3846% to the parimutuel facility licensee;
- (ii) 23.0769% to the parimutuel network licensee as an administrative fee; and
- (iii) 61.5385% to the board's special revenue account according to the yearly license agreement between the parimutuel facility licensee, the parimutuel network licensee, and the board. No more than 10% of the amount collected under this subsection (5)(b)(iii) may be appropriated by the legislature for administration of this chapter. The remaining portion collected under this subsection (5)(b)(iii) must be deposited in a state special revenue account. The board shall then distribute this portion to live race purses and for other purposes that the board considers appropriate for the good of the existing horseracing industry.
- (c) The odd cents of all redistribution based on each dollar deposited that exceeds a sum equal to the next lowest multiple of 10, known as "breakage", as well as unclaimed winning tickets from each parimutuel pool, must be distributed to the parimutuel network licensee by the board to live race purses or for other purposes that the board considers appropriate for the good of the existing horseracing industry."

## **Section 3.** Section 23-4-304, MCA, is amended to read:

- "23-4-304. Gross receipts -- department's percentage -- collection and allocation. (1) (a) Each live race meet licensee shall pay to the department within 5 days following receipt by the licensee 1% of the gross receipts of each day's parimutual betting at each race meet. At the end of each race meet the licensee shall prepare a report to the department showing the amount of the overpayments and underpayments. If the report shows the underpayments to be in excess of the overpayments, the balance must be paid to the department. Money paid to the department may be used for the expenses incurred in carrying out this chapter. The licensee shall, at the same time, pay to the department all funds collected under 23-4-202(4)(d) on exotic wagering on races. These funds must be deposited in a state special revenue account. The board shall then distribute all funds collected under 23-4-202(4)(d) to live race purses or for other purposes that the board considers appropriate for the good of the existing horseracing industry.
- (b) Each licensed simulcast facility shall pay to the department either 1% of the gross receipts of each day's parimutual betting at each race meet or the actual cost to the board of regulating the simulcast race meet, whichever is higher. The money must be paid to the department within 5 days after receipt of the money by the

licensee. At the end of each race meet the licensed simulcast facility shall prepare a report to the department showing the amount of the overpayments and underpayments. If the report shows the underpayments to be in excess of the overpayments, the balance must be paid to the department. Money paid to the department must be deposited in an account in the state special revenue fund and must be used for the administration of this chapter. The licensed simulcast facility shall, at the same time, pay to the department all funds collected under 23-4-202(4)(d) on exotic wagering on races. These funds must be deposited in a state special revenue account.

The board shall then distribute all funds collected under 23-4-202(4)(d) to live race purses or for other purposes

that the board considers appropriate for the good of the existing horseracing industry.

(c) The licensed parimutuel network conducting fantasy sports league wagering shall pay the funds distributed pursuant to 23-4-302(5)(b)(iii) to the department within 10 days after receipt of the money by the licensee.

(2) Prior to the beginning of the live racing season, funds collected under 23-4-202(4)(d) must be distributed by the department, after first passing through a state special revenue account, to be used for race purses that are distributed to each live race meet by the board or for other purposes that the board considers appropriate for the good of the horseracing industry."
