Description of fiscal impact: SB 133 stipulates that the Department of Revenue certify that a livestock producer has paid the previous years per capita fee prior to the Livestock Loss Board issuing a reimbursement for loss.

FISCAL ANALYSIS

Assumptions:

Department of Livestock (DOL)

- The DOL already verifies if producers have paid their per capita fee when they submit loss claims.
- History indicates that increased revenue would be minimal from new per capita fees collected because of this change.

Technical Notes:

- The term 'certify' is not defined and may result in additional costs if a significant amount of documentation were to be required.
