FISCAL ANALYSIS

Assumptions:

Department of Commerce

- This bill changes the definition for a "high-poverty county" in the Big Sky Economic Development Trust Fund program. The distribution of funds available to certain entities may change, but the overall program funding would not change; hence no fiscal impact.

Office of the Secretary of State

- This bill will have minimal cost for postage and administrative duties. The Office of the Secretary of State does not receive general fund monies for office operations but has agreed to assume the fiscal responsibility for this bill.
