BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Competitive bidding process -- all-beverages, retail beer and wine, and restaurant beer and wine licenses. (1) When the department determines that a quota area is eligible for a license under 16-4-105, 16-4-201, 16-4-204, or 16-4-420, the department shall use a competitive bidding process to determine the party afforded the opportunity to apply for the license. The department shall:

(a) determine the minimum bid based on 75% of the market value of applicable licenses in the quota area;

(b) publish notice that a quota area is eligible for a new license;

(c) notify the bidder with the highest bid; and

(d) keep confidential the identity of bidders, number of bids, and bid amounts until the highest bidder has been approved.

(2) To enter the competitive bidding process, a bidder shall submit:

(a) an electronic bid form provided by the department; and

(b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary of at least the bid amount.

(3) In the case of a tie for the highest bid, the tied bidders may submit new bids. The minimum bid must

1 be the tied bid amount. To submit a new bid, a tied bidder shall submit:

2 (a) an electronic bid form provided by the department; and

3 (b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary
4 of at least the new bid amount.

5 (4) The highest bidder shall:

6 (a) submit an application provided by the department and applicable fees for the license within 60 days
7 of the department's notification of being the highest bidder;

8 (b) pay the bid amount prior to approval of the license;

9 (c) meet all other requirements to own the license; and

10 (d) commence business within 1 year of the department's notification, unless the department grants an
11 extension because commencement was delayed by circumstances beyond the applicant's control. Any extension
12 request must be made in writing to the department prior to the deadline for commencing business.

13 (5) If the highest bidder is not approved to own the license, the department shall offer the license to the
14 next highest bidder. That bidder shall comply with the requirements of subsection (4). If no qualified bidder is
15 approved to own the license, the department shall reopen the competitive bidding process for the license.

16 (6) (a) If no bids are received during the competitive bidding process, the department shall reopen the
17 bid at a lower bid amount than initially determined in subsection (1).

18 (b) If, after holding a competitive bidding process, the department determines that there is no significant
19 market value for a particular license, the department may withdraw that license from the competitive bidding
20 process and process applications for the license in the order received.

21 (c) If a quota area is already eligible for a license as of November 24, 2017, the department shall process
22 applications for the license in the order received.

23 (7) (a) The successful applicant is subject to forfeiture of the license, the license fees, and the original
24 bid amount if the successful applicant:

25 (i) transfers the awarded license to another person or business entity within 5 years after receiving the
26 license unless that transfer is due to a death of an owner;

27 (ii) proposes a location for the license that had the same license type within the previous 12 months; or

28 (iii) does not use the license within 1 year of receiving the license or stops using the license within 5
29 years. The department may extend the time for use if the successful applicant provides evidence that the delay
30 in use is for reasons outside the applicant's control. Evidence of the delay must be made in writing to the

department prior to the deadline for commencing business.

(b) If a license is forfeited, the department shall determine whether there is a lien against the license. If there is a lien, the department shall notify the lienholder or secured party of the forfeiture and the lienholder or secured party may foreclose on the license and request transfer of the license pursuant to 16-4-801. If there is not a lien on the license or if the lienholder or secured party does not foreclose on the license pursuant to 16-4-801, the department shall conduct another competitive bidding process for the license.

(8) A license issued under this section is not a qualification for licensure of any gaming or gambling activity. A gaming or gambling activity may not occur on the premises of a license issued pursuant to this section.

(9) Nothing in subsection (7) relating to forfeiture prohibits a lienholder or secured party from foreclosing on a license. A lien may be placed on a license issued under this section and may be foreclosed on. If a license is foreclosed on, the department shall keep the license fees and the original bid amount and the lienholder or secured party may resell the license, pending department approval of the applicant.

Section 2. Section 16-4-105, MCA, is amended to read:

"16-4-105. (Temporary) Limit on retail beer licenses -- wine license amendments -- limitation on use of license -- exceptions -- competitive bidding -- rulemaking. (1) Except as provided in 16-4-109, 16-4-110, 16-4-115, 16-4-420, and chapter 4, part 3, of this title, a license to sell beer at retail or beer and wine at retail, in accordance with the provisions of this code and the rules of the department, may be issued to any person or business entity that is approved by the department, subject to the following exceptions:

(a) The number of retail beer licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within ~~a distance of 5 miles from~~ of the corporate limits of the cities and towns must be determined on the basis of population prescribed in 16-4-502 as follows:

(i) in incorporated towns of 500 inhabitants or ~~less~~ fewer and within ~~a distance of 5 miles from~~ of the corporate limits of the towns, not more than one retail beer license;

(ii) in incorporated cities or incorporated towns of more than 500 inhabitants and not ~~over~~ more than 2,000 inhabitants and within ~~a distance of 5 miles from~~ of the corporate limits of the cities or towns, one retail beer license for every 500 inhabitants;

(iii) in incorporated cities of ~~over~~ more than 2,000 inhabitants and within ~~a distance of 5 miles from~~ of the corporate limits of the cities, four retail beer licenses for the first 2,000 inhabitants, two additional retail beer licenses for the next 2,000 inhabitants or major fraction of 2,000 inhabitants, and one additional retail beer license

1 for ~~every~~ each additional 2,000 inhabitants.

2 (b) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number
3 of inhabitants residing within ~~a distance of 5 miles from~~ of the corporate limits of the city or town, governs the
4 number of retail beer licenses that may be issued for use within the city or town and within ~~a distance of 5 miles~~
5 ~~from~~ of the corporate limits of the city or town. The distance of 5 miles from the corporate limits of ~~any~~ an
6 incorporated city or incorporated town must be measured in a straight line from the nearest entrance of the
7 premises proposed for licensing to the nearest corporate boundary of the city or town.

8 (c) (i) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile
9 boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a
10 straight line equidistant between each city or town.

11 (ii) If there are more than two overlapping quota areas, the quota area for each city or town terminates
12 from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as
13 of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the
14 straight line equidistant between each city or town, except for the following:

15 (A) In the Helena and East Helena previously combined quota area, the straight line will be drawn
16 connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area
17 boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a
18 Helena license or with a physical address of East Helena will become an East Helena license, regardless of
19 where it falls in the new quota areas.

20 (B) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn along
21 Mill Creek road to the quota area boundaries.

22 (d) Retail beer licenses of issue on March 7, 1947, and retail beer licenses issued under 16-4-110 that
23 are in excess of the limitations in this section are renewable, but new licenses may not be issued in violation of
24 the limitations.

25 (e) The limitations do not prevent the issuance of a nontransferable and nonassignable retail beer license
26 to an enlisted persons', noncommissioned officers', or officers' club located on a state or federal military
27 reservation on May 13, 1985, or to a post of a nationally chartered veterans' organization or a lodge of a
28 recognized national fraternal organization if the veterans' or fraternal organization has been in existence for a
29 period of 5 years or more prior to January 1, 1949.

30 (f) The number of retail beer licenses that the department may issue for use at premises situated outside

1 of any incorporated city or incorporated town and outside of the area within ~~a distance of 5 miles from~~ of the
2 corporate limits or for use at premises situated within any unincorporated area must be determined by the
3 department in its discretion, except that a retail beer license may not be issued for any premises so situated
4 unless the department determines that the issuance of the license is required by public convenience and
5 necessity pursuant to 16-4-203. Subsection ~~(12)~~ (6) does not apply to licenses issued under this subsection (1)(f).
6 The owner of the license whose premises are situated outside of an incorporated city or incorporated town may
7 offer gambling, regardless of when the license was issued, if the owner and premises qualify under Title 23,
8 chapter 5, part 3, 5, or 6.

9 (2) (a) For a period of 12 years after November 24, 2017, existing licenses as of November 24, 2017,
10 in either of two quota areas that were established as provided in subsection (1)(c) may be transferred between
11 the two quota areas if they were part of a combined quota area prior to November 24, 2017.

12 (b) If any new retail beer licenses are allowed by separating a combined quota area that existed as of
13 November 24, 2017, as provided in subsection (1)(c), the department shall publish the availability of no more than
14 one new beer license a year until the quota has been reached.

15 (3) A license issued under subsection (1)(f) that becomes located within 5 miles of an incorporated city
16 or town because of annexation after April 15, 2005, may not be transferred to another location within the city
17 quota area ~~for~~ any sooner than 5 years from the date of the annexation.

18 (4) When the department determines that a quota area is eligible for a new retail beer license under
19 subsection (1) or (2)(b), the department shall use a competitive bidding process as provided in [section 1] to
20 determine the party afforded the opportunity to apply for the new license. ~~The department shall:~~

21 ~~—— (a) determine the minimum bid based on 75% of the market value of retail beer licenses in the quota~~
22 ~~area;~~

23 ~~—— (b) publish notice that a quota area is eligible for a new license;~~

24 ~~—— (c) notify the bidder with the highest bid; and~~

25 ~~—— (d) keep confidential the identity of bidders, number of bids, and bid amounts until the highest bidder has~~
26 ~~been approved.~~

27 ~~—— (5) To enter the competitive bidding process, a bidder shall submit:~~

28 ~~—— (a) an application form provided by the department; and~~

29 ~~—— (b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary~~
30 ~~of the bid amount.~~

~~———— (6) In the case of a tie for the highest bid, the tied bidders may submit new bids. The minimum bid must be set at the tied bid amount. To submit a new bid, a tied bidder shall submit:~~

~~———— (a) an application form provided by the department; and~~

~~———— (b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary of the new bid amount.~~

~~———— (7) The highest bidder shall:~~

~~———— (a) submit an application provided by the department and applicable fees for the license within 60 days of the department's notification of being the highest bidder;~~

~~———— (b) pay the bid amount prior to the license being approved;~~

~~———— (c) meet all other requirements to own a retail beer license; and~~

~~———— (d) commence business within 1 year of the department's notification unless the department grants an extension because commencement was delayed by circumstances beyond the applicant's control.~~

~~———— (8) If the highest bidder is not approved to own the license, the department shall offer the license to the next highest bidder. That bidder shall comply with the requirements of subsection (7).~~

~~———— (9) If no bids are received during the competitive bidding process or if a quota area is already eligible for another new license, the department shall process applications for the license in the order received.~~

~~———— (10) (a) The successful applicant is subject to forfeiture of the license and the original license fee if the successful applicant:~~

~~———— (i) transfers the awarded license to another person or business entity after receiving the license unless that transfer is due to a death of an owner;~~

~~———— (ii) does not use the license within 1 year of receiving the license or stops using the license within 5 years. The department may extend the time for use if the successful applicant provides evidence that the delay in use is for reasons outside the applicant's control; or~~

~~———— (iii) proposes a location for the license that had the same license type within the previous 12 months.~~

~~———— (b) If a license is forfeited, the department shall offer the license to the next eligible highest bidder in the auction.~~

~~(14)(5)~~ A person holding a license to sell beer for consumption on the premises at retail may apply to the department for an amendment to the license permitting the holder to sell wine as well as beer. The department may issue an amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine for consumption on the premises would be supplementary to a restaurant or prepared-food business. Except for beer

1 and wine licenses issued pursuant to 16-4-420, a person holding a beer and wine license may sell wine for
2 consumption on or off the premises. Nonretention of the beer license, for whatever reason, means automatic loss
3 of the wine amendment license.

4 ~~(12)~~(6) Except as provided in subsection (1)(f), a license issued pursuant to this section after October
5 1, 1997, must have a conspicuous notice that the license may not be used for premises where gambling is
6 conducted.

7 ~~(13)~~(7) A ~~successful~~ An applicant shall pay to the department a \$25,000 original license fee and in
8 subsequent years pay the annual fee for the license as provided in 16-4-501.

9 ~~(14)~~(8) The department may adopt rules to implement this section. ~~(Terminates December 31, 2023--sec.~~

16 ~~----- (a) The number of retail beer licenses that the department may issue for premises situated within~~
17 ~~incorporated cities and incorporated towns and within a distance of 5 miles from the corporate limits of the cities~~
18 ~~and towns must be determined on the basis of population prescribed in 16-4-502 as follows:~~

19 ~~----- (i) in incorporated towns of 500 inhabitants or less and within a distance of 5 miles from the corporate~~
20 ~~limits of the towns, not more than one retail beer license;~~

21 ~~----- (ii) in incorporated cities or incorporated towns of more than 500 inhabitants and not over 2,000~~

27 ~~additional 2,000 inhabitants.~~

28 ~~----- (b) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number~~

1 from the corporate limits of the city or town. The distance of 5 miles from the corporate limits of any incorporated
2 city or incorporated town must be measured in a straight line from the nearest entrance of the premises proposed
3 for licensing to the nearest corporate boundary of the city or town.

4 ~~———(c) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile boundary~~
5 ~~of another incorporated city or incorporated town, the quota area for each city or town terminates in a straight line~~
6 ~~equidistant between each city or town.~~

7 ~~———(d) Retail beer licenses of issue on March 7, 1947, and retail beer licenses issued under 16-4-110 that~~
8 ~~are in excess of the limitations in this section are renewable, but new licenses may not be issued in violation of~~
9 ~~the limitations.~~

10 ~~———(e) The limitations do not prevent the issuance of a nontransferable and nonassignable retail beer license~~
11 ~~to an enlisted persons', noncommissioned officers', or officers' club located on a state or federal military~~
12 ~~reservation on May 13, 1985, or to a post of a nationally chartered veterans' organization or a lodge of a~~

14 ~~period of 5 years or more prior to January 1, 1949.~~

15 ~~———(f) The number of retail beer licenses that the department may issue for use at premises situated outside~~
16 ~~of any incorporated city or incorporated town and outside of the area within a distance of 5 miles from the~~
17 ~~corporate limits or for use at premises situated within any unincorporated area must be determined by the~~
18 ~~department in its discretion, except that a retail beer license may not be issued for any premises so situated~~
19 ~~unless the department determines that the issuance of the license is required by public convenience and~~
20 ~~necessity pursuant to 16-4-203. Subsection (5) does not apply to licenses issued under this subsection (1)(f). The~~
21 ~~owner of the license whose premises are situated outside of an incorporated city or incorporated town may offer~~
22 ~~gambling, regardless of when the license was issued, if the owner and premises qualify under Title 23, chapter~~
23 ~~5, part 3, 5, or 6.~~

24 ~~———(2) (a) For a period of 7 years after January 1, 2024, existing licenses as of November 24, 2017, in either~~
25 ~~of two quota areas that were established as provided in subsection (1)(c) may be transferred between the two~~

The department may issue an amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine for consumption on the premises would be supplementary to a restaurant or prepared-food business. Except for beer and wine licenses issued pursuant to 16-4-420, a person holding a beer and wine license may sell wine for consumption on or off the premises. Nonretention of the beer license, for whatever reason, means automatic loss of the wine amendment license.~~

~~———— (5) Except as provided in subsection (1)(f), a license issued pursuant to this section after October 1, 1997, must have a conspicuous notice that the license may not be used for premises where gambling is conducted.~~

~~———— (6) (a) When the department determines that a quota area is eligible for an additional retail beer license as provided in this section, the department shall advertise the availability of the license in the quota area for which the license is available. If there are more applicants than number of licenses available, the license must be awarded to an applicant by a lottery.~~

~~———— (b) The department shall numerically rank all applicants in the lottery. Only the successful applicants will be required to submit a completed application and a one-time processing fee set by the department by rule. ~~reasons outside the applicant's control.~~

~~———— (ii) In the case of forfeiture, the department shall offer the license to the next eligible ranked applicant in the lottery.~~

~~———— (7) The department may adopt rules to implement this section."~~

The distance of 5 miles from the corporate limits of any incorporated city or incorporated town must be measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of the city or town.

(3) (a) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a straight line equidistant between each city or town.

1 (b) If there are more than two overlapping quota areas, the quota area for each city or town terminates

16 as of November 24, 2017, as provided in subsection (3), the department shall publish the availability of no more
17 than one new retail all-beverages license a year until the quota has been reached. The department shall use a
18 competitive bidding process as provided in [section 1] to determine the party afforded the opportunity to apply

20 (6) Retail all-beverages licenses of issue on March 7, 1947, and all-beverages licenses issued under
21 16-4-209 that are in excess of the limitations in subsections (1) and (2) are renewable, but new licenses may not
22 be issued in violation of the limitations.

23 (7) The limitations in subsections (1) and (2) do not prevent the issuance of a nontransferable and

6 (iv) that serves an evening dinner meal at least 4 days a week for at least 2 hours a day between the
7 hours of 5 p.m. and 11 p.m. The provisions of subsection (6)(b) and this subsection (6)(a)(iv) do not apply to a
8 restaurant for which a restaurant beer and wine license is in effect as of April 9, 2009, or to subsequent renewals
9 of that license.

10 (b) The term does not mean a fast-food restaurant that, excluding any carry-out business, serves a
11 majority of its food and drink in throw-away containers not reused in the same restaurant.

12 (7) (a) A restaurant beer and wine license not issued through a competitive bidding process as provided
13 in [section 1] may be transferred, on approval by the department, from the original applicant to a new owner of
14 the restaurant only after 1 year of use by the original owner, unless that transfer is due to the death of an owner.

15 (b) A license issued under this section may be jointly owned, and the license may pass to the surviving
16 joint tenant upon the death of the other tenant. However, the license may not be transferred to any other person
17 or entity by operation of the laws of inheritance or succession or any other laws allowing the transfer of property
18 upon the death of the owner in this state or in another state.

19 (c) An estate may, upon the sale of a restaurant that is property of the estate and with the approval of
20 the department, transfer a restaurant beer and wine license to a new owner.

21 (8) (a) The department shall issue a restaurant beer and wine license to a qualified applicant:

22 (i) except as provided in subsection (8)(c), for a restaurant located in a quota area with a population of
23 5,000 persons or fewer, as the quota area population is determined in 16-4-105, if the number of restaurant beer
24 and wine licenses issued in that quota area is equal to or less than 80% of the number of beer licenses that may
25 be issued in that quota area pursuant to 16-4-105;

26 (ii) for a restaurant located in a quota area with a population of 5,001 to 20,000 persons, as the quota
27 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
28 area is equal to or less than 160% of the number of beer licenses that may be issued in that quota area pursuant
29 to 16-4-105;

30 (iii) for a restaurant located in a quota area with a population of 20,001 to 60,000 persons, as the quota

1 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
2 area is equal to or less than 100% of the number of beer licenses that may be issued in that quota area pursuant
3 to 16-4-105;

4 (iv) for a restaurant located in a quota area with a population of 60,001 persons or more, as the quota
5 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that quota
6 area is equal to or less than 80% of the number of beer licenses that may be issued in that quota area pursuant
7 to 16-4-105; and

8 (v) for a restaurant located in a quota area that is also a resort community, as defined in 7-6-1501, if the
9 number of restaurant beer and wine licenses issued in the quota area that is also a resort community is equal
10 to or less than 200% of the number of beer licenses that may be issued in that quota area pursuant to 16-4-105.

11 (b) In determining the number of restaurant beer and wine licenses that may be issued under this
12 subsection (8) based on the percentage amounts described in subsections (8)(a)(i) through (8)(a)(v), the
13 department shall round to the nearer whole number.

14 (c) If the department has issued the number of restaurant beer and wine licenses authorized for a quota
15 area under subsection (8)(a)(i), there must be a one-time adjustment of four additional licenses for that quota
16 area.

17 (d) (i) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile
18 boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a
19 straight line equidistant between each city or town.

20 (ii) If there are more than two overlapping quota areas, the quota area for each city or town terminates
21 from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as
22 of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the
23 straight line equidistant between each city or town, except for the following:

24 (A) In the Helena and East Helena previously combined quota area, the straight line will be drawn
25 connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area
26 boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a
27 Helena license or with a physical address of East Helena will become an East Helena license, regardless of
28 where it falls in the new quota areas.

29 (B) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn along
30 Mill Creek road to the quota area boundaries.

~~(9) If any new restaurant beer and wine licenses are allowed by separating a combined quota area, pursuant to 16-4-105 as of November 24, 2017, the department shall publish the availability of no more than one new restaurant beer and wine license a year until the quota has been reached. (a) For a period of 12 years after November 24, 2017, existing licenses as of November 24, 2017, in either of two quota areas that were established as provided in 16-4-105 and subsection (8)(d) of this section may be transferred between the two quota areas if they were part of a combined quota area prior to November 24, 2017.~~

~~(b) If any new restaurant beer and wine licenses are allowed by separating a combined quota area that existed as of November 24, 2017, as provided in 16-4-105 and subsection (9)(a) of this section, the department shall publish the availability of no more than one new restaurant beer and wine license a year until the quota has been reached.~~

~~(10) When a restaurant beer and wine license becomes available by the initial issuance of licenses under this section or as the result of an increase in the population in a quota area, the nonrenewal of a restaurant beer and wine license, or the lapse or revocation of a license by the department, then the department shall advertise the availability of the license in the quota area for which it is available.~~

~~(11) When the department determines that a quota area is eligible for a new restaurant beer and wine license under subsection (9) or (10), the department shall use a competitive bidding process as provided in [section 1] to determine the party afforded the opportunity to apply for a new license. The department shall:~~

~~—— (a) determine the minimum bid based on 75% of the market value of all restaurant beer and wine licenses in the quota area;~~

~~—— (b) publish notice that a quota area is eligible for a new license;~~

~~—— (c) notify the bidder with the highest bid; and~~

~~—— (d) keep confidential the identity of bidders, number of bids, and bid amounts until the highest bidder has been approved.~~

~~(12) To enter the competitive bidding process, a bidder shall submit:~~

~~(a) an application form provided by the department; and~~

~~(b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary of the bid amount.~~

~~(13) The highest bidder shall:~~

~~(a) submit an application provided by the department and applicable fees for the license within 60 days of the department's notification of being the highest bidder;~~

1 ~~—— (b) pay the bid amount prior to the license being approved;~~
2 ~~—— (c) meet all other requirements to own a restaurant beer and wine license; and~~
3 ~~—— (d) commence business within 1 year of the department's notification unless the department grants an~~
4 ~~extension because commencement was delayed by circumstances beyond the applicant's control.~~
5 ~~—— (14) In the case of a tie for the highest bid, the tied bidders may submit new bids. The minimum bid must~~
6 ~~be set at the tied bid amount. To submit a new bid, a tied bidder shall submit:~~
7 ~~—— (a) an application form provided by the department; and~~
8 ~~—— (b) an irrevocable letter of credit from a financial institution establishing the department as the beneficiary~~
9 ~~of the new bid amount.~~
10 ~~—— (15) If the highest bidder is not approved to own the license, the department shall offer the license to the~~
11 ~~next highest bidder. That bidder shall comply with the requirements of subsection (13).~~
12 ~~—— (16) If no bids are received during the competitive bidding process or if a quota area is already eligible~~
13 ~~for another new license, the department shall process applications for the license in the order received.~~
14 ~~—— (17) (a) The successful applicant is subject to forfeiture of the license and the original license fee if the~~
15 ~~successful applicant:~~
16 ~~—— (i) transfers an awarded license to another person after receiving the license unless that transfer is due~~
17 ~~to the death of an owner;~~
18 ~~—— (ii) does not use the license within 1 year of receiving the license or stops using the license within 5 years.~~
19 ~~The department may extend the time for use if the successful applicant provides evidence that the delay in use~~
20 ~~is for reasons outside the applicant's control; or~~
21 ~~—— (iii) proposes a location for the license that had the same license type within the previous 12 months.~~
22 ~~—— (b) If a license is forfeited, the department shall offer the license to the next eligible highest bidder in the~~
23 ~~auction.~~
24 ~~(18)(12)~~ Under a restaurant beer and wine license, beer and wine may not be sold for off-premises
25 consumption.
26 ~~(19)(13)~~ An application for a restaurant beer and wine license must be accompanied by a fee equal to
27 20% of the initial licensing fee. If the department does not ~~make a decision~~ decide either ~~granting or denying to~~
28 grant or to deny the license within 4 months of receipt of a complete application, the department shall pay interest
29 on the application fee at the rate of 1% a month until a license is issued or the application is denied. Interest may
30 not accrue during any period that the processing of an application is delayed by reason of a protest filed pursuant

1 to 16-4-203 or 16-4-207. If the department denies an application, the application fee, plus any interest, less a
2 processing fee established by rule, must be refunded to the applicant. Upon the issuance of a license, the
3 licensee shall pay the balance of the initial licensing fee. The amount of the initial licensing fee is determined
4 according to the following schedule:

5 (a) \$5,000 for restaurants with a stated seating capacity of 60 persons or ~~less~~ fewer;

6 (b) \$10,000 for restaurants with a stated seating capacity of 61 to 100 persons; or

7 (c) \$20,000 for restaurants with a stated seating capacity of 101 persons or more.

8 ~~(20)(14)~~ The annual fee for a restaurant beer and wine license is \$400.

9 ~~(24)(15)~~ If a restaurant licensed under this part increases the stated seating capacity of the licensed
10 restaurant or if the department determines that a licensee has increased the stated seating capacity of the
11 licensed restaurant, then the licensee shall pay to the department the difference between the fees paid at the time
12 of filing the original application and issuance of a license and the applicable fees for the additional seating.

13 ~~(22)(16)~~ The number of beer and wine licenses issued to restaurants with a stated seating capacity of
14 101 persons or more may not exceed 25% of the total licenses issued.

15 ~~(23)(17)~~ Possession of a restaurant beer and wine license is not a qualification for licensure of any
16 gaming or gambling activity. A gaming or gambling activity may not occur on the premises of a restaurant with
17 a restaurant beer and wine license.

18 ~~(24)(18)~~ The department may adopt rules to implement this section. ~~(Terminates December 31,~~
19 ~~2023--sec. 17, Ch. 5, Sp. L. November 2017.)~~

20 ~~16-4-420. (Effective January 1, 2024) Restaurant beer and wine license -- rulemaking. (1) The~~
21 ~~department shall issue a restaurant beer and wine license to an applicant whenever the department determines~~

30 ~~operation is expected to be the result of the sale of food;~~

1 ~~——— (ii) the restaurant beer and wine license will be used in conjunction with that restaurant, that the~~

5 ~~by rule;~~

6 ~~——— (c) the applicant understands and acknowledges in writing on the application that this license prohibits~~

8 ~~and that if any gaming or gambling activity or machine exists at the location where the restaurant beer and wine~~
9 ~~license will be used, the activity must be discontinued or the machines must be removed before the restaurant~~
10 ~~beer and wine license takes effect; and~~

11 ~~——— (d) the applicant states the planned seating capacity of the restaurant, if it is to be built, or the current~~
12 ~~seating capacity if the restaurant is operating.~~

13 ~~——— (2) (a) A restaurant that has an existing retail license for the sale of beer, wine, or any other alcoholic~~
14 ~~beverage may not be considered for a restaurant beer and wine license at the same location.~~

15 ~~——— (b) (i) An on-premises retail licensee who sells the licensee's existing retail license may not apply for a~~
16 ~~license under this section for a period of 1 year from the date that license is transferred to a new purchaser.~~

17 ~~——— (ii) A person, including an individual, with an ownership interest in an existing on-premises retail license~~

20 ~~purchaser.~~

21 ~~——— (3) A completed application for a license under this section and the appropriate application fee, as~~
22 ~~provided in subsection (11), must be submitted to the department. The department shall investigate the items~~
23 ~~relating to the application as described in subsections (3)(a) through (3)(d). Based on the results of the~~
24 ~~investigation and the exercise of its sound discretion, the department shall determine whether:~~

25 ~~——— (a) the applicant is qualified to receive a license;~~

26 ~~——— (b) the applicant's premises are suitable for the carrying on of the business;~~

27 ~~——— (c) the requirements of this code and the rules promulgated by the department are complied with; and~~

28 ~~——— (d) the seating capacity stated on the application is correct.~~

29 ~~——— (4) An application for a beer and wine license submitted under this section is subject to the provisions~~
30 ~~of 16-4-203, 16-4-207, and 16-4-405.~~

~~———— (5) If a premises proposed for licensing under this section is a new or remodeled structure, then the department may issue a conditional license prior to completion of the premises based on reasonable evidence, including a statement from the applicant's architect or contractor confirming that the seating capacity stated on the application is correct, that the premises will be suitable for the carrying on of business as a bona fide restaurant, as defined in subsection (6):~~

~~———— (6) (a) For purposes of this section, "restaurant" means a public eating place:~~

~~———— (i) where individually priced meals are prepared and served for on-premises consumption;~~

~~———— (iv) that serves an evening dinner meal at least 4 days a week for at least 2 hours a day between the hours of 5 p.m. and 11 p.m. The provisions of subsection (6)(b) and this subsection (6)(a)(iv) do not apply to a restaurant for which a restaurant beer and wine license is in effect as of April 9, 2009, or to subsequent renewals of that license.~~

~~———— (b) The term does not mean a fast-food restaurant that, excluding any carry-out business, serves a majority of its food and drink in throw-away containers not reused in the same restaurant.~~

~~———— (7) (a) A restaurant beer and wine license may be transferred, on approval by the department, from the original applicant to a new owner of the restaurant only after 1 year of use by the original owner.~~

~~———— (b) A license issued under this section may be jointly owned, and the license may pass to the surviving joint tenant upon the death of the other tenant. However, the license may not be transferred to any other person or entity by operation of the laws of inheritance or succession or any other laws allowing the transfer of property upon the death of the owner in this state or in another state.~~

——— (v) for a restaurant located in a quota area that is also a resort community, as defined in 7-6-1501, if the number of restaurant beer and wine licenses issued in the quota area that is also a resort community is equal to or less than 200% of the number of beer licenses that may be issued in that quota area pursuant to 16-4-105.

——— (d) If there are more applicants than licenses available in a quota area, then the license must be awarded by lottery as provided in subsection (10).

——— (9) If any new restaurant beer and wine licenses are allowed by separating a combined quota area, pursuant to 16-4-105 as of November 24, 2017, the department shall publish the availability of no more than one new restaurant beer and wine license a year until the quota has been reached.

——— (10) (a) When a restaurant beer and wine license becomes available by the initial issuance of licenses

~~under this section or as the result of an increase in the population in a quota area, the nonrenewal of a restaurant beer and wine license, or the lapse or revocation of a license by the department, then the department shall advertise the availability of the license in the quota area for which it is available. If there are more applicants than number of licenses available, the license must be awarded to an applicant by a lottery.~~

An applicant with a preference must be awarded a license before any applicant without a preference.~~

~~———— (c) The department shall numerically rank all applicants in the lottery. Only the successful applicants will be required to submit a completed application and a one-time required fee. An applicant's ranking may not be sold or transferred to another person or entity. The preference and an applicant's ranking apply only to the intended license advertised by the department or to the number of licenses determined under subsection (8) when there are more applicants than licenses available. The applicant's qualifications for any other restaurant beer and wine license awarded by lottery must be determined at the time of the lottery.~~

~~———— (d) If a successful lottery applicant does not use a license within 1 year of notification by the department of license eligibility, the applicant shall forfeit the license. The department shall refund any fees paid except the application fee and offer the license to the next eligible ranked applicant in the lottery.~~

~~———— (11) Under a restaurant beer and wine license, beer and wine may not be sold for off-premises consumption.~~

~~———— (12) An application for a restaurant beer and wine license must be accompanied by a fee equal to 20% of the initial licensing fee. If the department does not make a decision either granting or denying the license within 4 months of receipt of a complete application, the department shall pay interest on the application fee at the rate of 4% a month until a license is issued or the application is denied. If the department denies an application, the application fee, plus any interest, less a processing fee established by rule, must be refunded to the applicant. Upon the issuance of a license, the licensee shall pay the balance of the initial licensing fee. The amount of the initial licensing fee is determined according to the following schedule:~~

1 ~~—— (c) \$20,000 for restaurants with a stated seating capacity of 101 persons or more.~~

2 ~~—— (13) The annual fee for a restaurant beer and wine license is \$400.~~

3 ~~—— (14) If a restaurant licensed under this part increases the stated seating capacity of the licensed~~
4 ~~restaurant or if the department determines that a licensee has increased the stated seating capacity of the~~
5 ~~licensed restaurant, then the licensee shall pay to the department the difference between the fees paid at the time~~
6 ~~of filing the original application and issuance of a license and the applicable fees for the additional seating.~~

7 ~~—— (15) The number of beer and wine licenses issued to restaurants with a stated seating capacity of 101~~
8 ~~persons or more may not exceed 25% of the total licenses issued.~~

9 ~~—— (16) Possession of a restaurant beer and wine license is not a qualification for licensure of any gaming~~
10 ~~or gambling activity. A gaming or gambling activity may not occur on the premises of a restaurant with a~~
11 ~~restaurant beer and wine license.~~
