

1 HOUSE BILL NO. 90

2 INTRODUCED BY S. GUNDERSON

3 BY REQUEST OF THE STATE AUDITOR

4
5 A BILL FOR AN ACT ENTITLED: "AN ACT GENERALLY REVISING SECURITIES REGULATORY LAWS;
6 CLARIFYING EXEMPT TRANSACTIONS; REVISING THE DEFINITION OF "PYRAMID PROMOTIONAL
7 SCHEME" TO INCLUDE PAYMENT OF ANYTHING OF VALUE; REMOVING FILING AND NOTICE BY
8 MULTILEVELMARKETERS; AMENDING SECTIONS 30-10-105, 30-10-303, AND 30-10-324, MCA; REPEALING
9 SECTION 30-10-327, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

10
11 WHEREAS, in Redding v. McCarter, 2012 MT 144, 365 Mont. 316, the Montana Supreme Court stated
12 that the Securities Act of Montana was drafted broadly to be in harmony with federal securities law, which
13 recognizes the virtually limitless scope of human ingenuity, especially in the creation of the countless and variable
14 schemes devised by those who seek the use of money of others on the promise of profits; and

15 WHEREAS, recent enforcement actions by the Montana State Auditor have encountered securities
16 schemes promising investors with profits through payment of items of no value but of purported value.

17 THEREFORE, this act seeks to definitively clarify that the Montana Securities Act applies to the virtually
18 limitless scope of securities schemes, including those not involving strictly the payment of money.

19
20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

21
22 **Section 1.** Section 30-10-105, MCA, is amended to read:

23 **"30-10-105. Exempt transactions -- rulemaking.** Except as expressly provided in this section,
24 30-10-201 through 30-10-207 and 30-10-211 do not apply to the following transactions:

25 (1) a nonissuer isolated transaction, whether effected through a broker-dealer or not. A transaction is
26 presumed to be isolated if it is one of not more than three transactions during the prior 12-month period.

27 (2) (a) a nonissuer distribution of an outstanding security by a broker-dealer registered pursuant to
28 30-10-201 if:

29 (i) quotations for the securities to be offered or sold or the securities issuable upon exercise of any
30 warrant or right to purchase or subscribe to the securities are reported by the automated quotations system

1 operated by the national association of securities dealers, inc., or by any other quotation system approved by the
2 commissioner by rule; or

3 (ii) the security has a fixed maturity or a fixed interest or dividend provision and there has not been a
4 default during the current fiscal year or within the 3 preceding fiscal years or if the issuer and any predecessors
5 have been in existence for less than 3 years and there has not been a default in the payment of principal, interest,
6 or dividends on the security.

7 (b) The commissioner may by order deny or revoke the exemption specified in subsection (2)(a) with
8 respect to a specific security. Upon the entry of an order, the commissioner shall promptly notify all registered
9 broker-dealers that it has been entered and give the reasons for the order and shall notify them that within 15
10 days of the receipt of a written request, the matter will be set for hearing. If a hearing is not requested and is not
11 ordered by the commissioner, the order remains in effect until it is modified or vacated by the commissioner. If
12 a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested
13 persons, may modify or vacate the order or extend it until final determination. An order under this subsection may
14 not operate retroactively. A person may not be considered to have violated parts 1 through 3 of this chapter by
15 reason of any offer or sale effected after the entry of an order under this subsection if the person sustains the
16 burden of proof that the person did not know and in the exercise of reasonable care could not have known of the
17 order.

18 (3) a nonissuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited
19 order or offer to buy, but the commissioner may require that the customer acknowledge upon a specified form
20 that the sale was unsolicited and that a signed copy of each form be preserved by the broker-dealer for a
21 specified period;

22 (4) a transaction between the issuer or other person on whose behalf the offering is made and an
23 underwriter or between underwriters;

24 (5) a transaction by an executor, administrator, sheriff, marshal, receiver, trustee in bankruptcy, guardian,
25 or conservator in the performance of official duties;

27 this chapter;

1 capacity;

2 (8) (a) a transaction pursuant to an offer made in this state directed by the offeror to not more than 10
3 persons, other than those designated in subsection (7), during any period of 12 consecutive months, if:

4 (i) the seller reasonably believes that all the buyers are purchasing for investment; and

5 (ii) a commission or other remuneration is not paid or given directly or indirectly for soliciting a prospective
6 buyer. However, a commission may be paid to a registered broker-dealer if the securities involved are registered
7 with the United States securities and exchange commission under the federal Securities Act of 1933, as
8 amended.

11 (i) the seller reasonably believes that all the buyers are purchasing for investment;

13 buyer; however, a commission may be paid to a registered broker-dealer if the securities involved are registered
14 with the United States securities and exchange commission under the federal Securities Act of 1933, as
15 amended; and

16 (iii) the offeror applies for and obtains the written approval of the commissioner prior to making any offers
17 in this state and pays a filing fee that must accompany the application for approval. The commissioner may deny
18 an application.

19 (c) a transaction pursuant to an offer made in this state by an offeror that is used in conjunction with the
20 exemption found in subsection (8)(a) and the offeror has applied to the commissioner to use the exemption found
21 in subsection (8)(b) in conjunction with or in addition to the exemption in subsection (8)(a), which the
22 commissioner may allow if:

23 (i) the offeror has its corporate headquarters or principal place of business in this state;

24 (ii) the seller reasonably believes that all the buyers are purchasing for investment;

25 (iii) a commission or other remuneration is not paid or given directly or indirectly for soliciting a
26 prospective buyer; however, a commission may be paid to a registered broker-dealer if the securities involved
27 are registered with the United States securities and exchange commission under the federal Securities Act of
28 1933, as amended; and

29 (iv) the offeror applies for and obtains the written approval of the commissioner prior to making any offers
30 in addition to the offers made pursuant to subsection (8)(a) and pays a filing fee that must accompany the

1 application for approval. The commissioner may deny the application.

2 (d) For the purpose of the exemptions provided for in this subsection (8), an offer to sell is made in this
3 state, whether or not the offeror or any of the offerees are then present in this state, if the offer either originates

13 warrants exercisable within not more than 90 days of their issuance, if:

14 (a) a commission or other remuneration, other than a standby commission, is not paid or given directly
15 or indirectly for soliciting any security holder in this state; or

16 (b) the issuer first files a notice specifying the terms of the offer and the commissioner does not by order
17 disallow either subsection (10)(a) or the notice specifying the terms of the offer;

18 (11) an offer, but not a sale, of a security for which registration statements have been filed under both
19 parts 1 through 3 of this chapter and the Securities Act of 1933 if a stop, refusal, denial, suspension, or revocation
20 order is not in effect and a public proceeding or examination looking toward an order is not pending under either
21 law;

22 (12) an offer, but not a sale, of a security for which a registration statement has been filed under parts
23 1 through 3 of this chapter and the commissioner does not disallow the offer in writing within 10 days of the filing;

25 of the security or not, if nothing of value is given by security holders for the distribution other than the surrender
26 of a right to a cash dividend when the security holder can elect to take a dividend in cash or in securities;

8 (a) involves the purchase of one or more precious metals;

9 (b) requires, and under which the purchaser receives within 7 calendar days after payment in good funds
10 of any portion of the purchase price, physical delivery of the quantity of the precious metals purchased. For the
11 purposes of this subsection, physical delivery is considered to have occurred if, within the 7-day period, the
12 quantity of precious metals, whether in specifically segregated or fungible bulk, purchased by the payment is
13 delivered into the possession of a depository, other than the seller, that:

14 (i) (A) is a financial institution, meaning a bank, savings institution, or trust company organized under

27 as provided in subsection (18)(b), to be physically located within Montana at all times after the 7-day delivery

2 or any byproduct of the commodity;

3 (20) an offer or sale of a security to an employee of the issuer, pursuant to an employee stock ownership
4 plan qualified under section 401 of the Internal Revenue Code or 17 CFR 230.701;

5 (21) (a) an offer or sale of securities by a cooperative association organized under the provisions of Title
6 35, chapter 15 or 17, or under the laws of another state that are substantially the same as the provisions of Title
