

HOUSE BILL NO. 104

INTRODUCED BY D. LOGE

BY REQUEST OF THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS

A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING NECESSARY LICENSE PREREQUISITES FOR FREE TO LANDOWNERS WHO RECEIVE A FREE COMBINATION LICENSE FOR COOPERATING IN THE HUNTER MANAGEMENT PROGRAM; AMENDING SECTION 87-1-266, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 87-1-266, MCA, is amended to read:

**"87-1-266. Hunter management program -- benefits for providing hunting access -- nonresident landowner limitation -- restriction on landowner liability.** (1) As provided in 87-1-265, the department may establish a voluntary hunter management program to provide tangible benefits to private landowners enrolled in the block management program who grant access to their land for public hunting. The decision to enroll a landowner in the hunter management program is the responsibility of the department. Benefits may be granted as provided in this section and by rule.

(2) As a benefit for enrolling property in the hunter management program, a resident landowner who becomes a cooperator in the program and who agrees to provide public hunting access may receive one Class AAA combination sports license and the necessary prerequisites, without charge, if the landowner is the owner of record. The license may be used for the full hunting or fishing season in any district where it is valid. The license may not be transferred by gift or sale.

(3) As a benefit for enrolling property in the hunter management program, a nonresident landowner who becomes a cooperator in the program and who agrees to provide public hunting access may receive one Class B-10 nonresident big game combination license and the necessary prerequisites, without charge, if the landowner is the owner of record. The license may be used for the full hunting or fishing season in any district where it is valid. The license may not be transferred by gift or sale. The grant of a license under this subsection also qualifies the licensee to apply for a permit through the normal drawing process. The grant of a license under this subsection does not affect the limits established under 87-2-505.

1 (4) (a) Instead of receiving the benefits provided in subsection (2) or (3), a landowner of record who  
2 becomes a cooperator in the hunter management program and who agrees to provide public hunting access may  
3 designate an immediate family member to receive a Class AAA combination sports license and the necessary  
4 prerequisites, without charge, if the family member is a resident or a Class B-10 nonresident big game  
5 combination license and the necessary prerequisites, without charge, if the family member is a nonresident. An  
6 employee rather than a family member may be designated to receive a license.

7 (b) For purposes of this subsection (4), an immediate family member means a parent, grandparent, child,  
8 or grandchild of the cooperator by blood or marriage, a spouse, a legally adopted child, a sibling of the cooperator  
9 or spouse, or a niece or nephew.

10 (c) For purposes of this subsection (4), the term "employee" means a person who works full time and  
11 year-round for the landowner as part of an active farm or ranch operation.

12 (d) An immediate family member or employee who is designated to receive a license pursuant to this  
13 subsection (4) must be eligible for licensure under current Montana law and may not transfer the license by gift  
14 or sale.

15 (e) The grant of a Class B-10 nonresident big game combination license to an immediate family member  
16 or employee pursuant to this subsection (4) does not affect the limits established in 87-2-505.

17 (5) Any landowner who is enrolled in the block management program may receive the benefits provided  
18 under the hunter management program, as outlined in this section, and the benefits provided under the hunting  
19 access enhancement program, as outlined in 87-1-267.

20 (6) The restriction on liability of a landowner, agent, or tenant that is provided under 70-16-302(1) applies  
21 to a landowner who participates in the hunter management program.

22 (7) For the purposes of this section, the term "necessary prerequisites" includes:

23 (a) the base hunting license established in 87-2-116;

24 (b) the aquatic invasive species prevention pass established in 87-2-130; and

25 (c) the wildlife conservation license established in 87-2-201."

27 **NEW SECTION. Section 2. Effective date.** [This act] is effective on passage and approval.
