4 (u) the amount of a student loan reimbursement, not to exceed \$5,000, except that a taxpayer using the
5 exclusion under subsection (13) or (14) is not eligible for the exemption under this subsection (2)(u). For the
6 purposes of this subsection (2)(u), "student loan reimbursement" means a payment made by a taxpayer's
7 employer to the taxpayer for a taxpayer who:

8 (i) has been employed on a full-time basis by the employer for at least 6 months; and

9 (ii) has provided documentation to the employer of the taxpayer's student loan payments made in the
10 current tax year.

11 (3) A shareholder of a DISC that is exempt from the corporate income tax under 15-31-102(1)(l) shall
12 include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as
13 provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election
14 is effective.

15 (4) (a) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's
16 business deductions:

17 (i) by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and
18 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and
19 salaries paid regardless of the credit taken; or

20 (ii) for which a federal tax credit was elected under the Internal Revenue Code is allowed to deduct the
21 amount of the business expense paid when there is no corresponding state income tax credit or deduction,
22 regardless of the credit taken.

23 (b) The deductions in subsection (4)(a) must be made in the year that the wages, salaries, or business
24 expenses were used to compute the credit. In the case of a partnership or small business corporation, the
25 deductions in subsection (4)(a) must be made to determine the amount of income or loss of the partnership or
26 small business corporation.

27 (5) Married taxpayers filing a joint federal return who are required to include part of their social security
28 benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal
29 base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement
30 benefits when they file separate Montana income tax returns. The federal base must be split equally on the

1 Montana return.

2 (6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under section
3 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns may
4 claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable capital
5 loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss
6 must be split equally on each return.

7 (7) In the case of passive and rental income losses, married taxpayers filing a joint federal return and
8 who file separate Montana income tax returns are not required to recompute allowable passive losses according
9 to the federal passive activity rules for married taxpayers filing separately under section 469 of the Internal
10 Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the loss must
11 be shown on that spouse's return; otherwise, the loss must be split equally on each return.

12 (8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed a
13 deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C.
14 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is
15 allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

16 (9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid for a
17 qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file separate
18 Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return.
19 The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted
20 gross income.

21 (b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition and
22 related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate Montana
23 income tax returns may claim the same amount of the deduction that is allowed on the federal return. The
24 deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross
25 income.

26 (10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end
27 of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income
28 up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is
29 absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the
30 excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the

1 taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the
2 limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted
3 gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage
4 in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting
5 or expected to last at least 12 months.

6 (11) (a) An individual who contributes to one or more accounts established under the Montana family
7 education savings program or to a qualified tuition program established and maintained by another state as
8 provided by section 529(b)(1)(A)(ii) of the Internal Revenue Code, 26 U.S.C. 529(b)(1)(A)(ii), may reduce adjusted
9 gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each
10 spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts. Spouses
11 may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The
12 reduction in adjusted gross income under this subsection applies only with respect to contributions to an account
13 of which the account owner is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the
14 taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect
15 to withdrawals of contributions that reduced adjusted gross income.

16 (b) Contributions made pursuant to this subsection (11) are subject to the recapture tax provided in
17 15-62-208.

18 (12) (a) An individual who contributes to one or more accounts established under the Montana achieving
19 a better life experience program or to a qualified program established and maintained by another state as
20 provided by section 529A(e)(7) of the Internal Revenue Code, 26 U.S.C. 529A(e)(7), may reduce adjusted gross
21 income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each spouse
22 is entitled to a reduction, not to exceed \$3,000, for the spouses' contributions to the accounts. Spouses may
23 jointly elect to treat one-half of the total contributions made by the spouses as being made by each spouse. The
24 reduction in adjusted gross income under this subsection (12)(a) applies only with respect to contributions to an
25 account for which the account owner is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild
26 if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with
27 respect to withdrawals of contributions that reduced adjusted gross income.

28 (b) Contributions made pursuant to this subsection (12) are subject to the recapture tax provided in
29 53-25-118.

30 (13) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection

1 (13)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

2 (i) is a health care professional licensed in Montana as provided in Title 37;

3 (ii) is serving a significant portion of a designated geographic area, special population, or facility
4 population in a federally designated health professional shortage area, a medically underserved area or
5 population, or a federal nursing shortage county as determined by the secretary of health and human services
6 or by the governor;

7 (iii) has had a student loan incurred as a result of health-related education; and

8 (iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment
9 program described in subsection (13)(b) as an incentive to practice in Montana.

10 (b) For the purposes of subsection (13)(a), a loan repayment program includes a federal, state, or
11 qualified private program. A qualified private loan repayment program includes a licensed health care facility, as
12 defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility
13 as a licensed health care professional.

14 (14) A taxpayer may exclude the amount of loan repayment assistance received during the tax year
15 pursuant to Title 20, chapter 4, part 5, not to exceed \$5,000, from the taxpayer's adjusted gross income.

16 ~~(14)(15)~~ Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40%
17 of capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are
18 determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

19 ~~(15)(16)~~ A refund received of federal income tax referred to in subsection (1)(b) must be allocated in the
20 following order as applicable:

21 (a) to federal income tax in a prior tax year that was not deducted on the state tax return in that prior tax
22 year;

23 (b) to federal income tax in a prior tax year that was deducted on the state tax return in that prior tax year
24 but did not result in a reduction in state income tax liability in that prior tax year; and

25 (c) to federal income tax in a prior tax year that was deducted on the state tax return in that prior tax year
26 and that reduced the taxpayer's state income tax liability in that prior tax year.

27 ~~(16)(17)~~ By November 1 of each year, the department shall multiply the amount of pension and annuity
28 income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii)
29 by the inflation factor for the following tax year, rounded to the nearest \$10. The resulting amounts are effective
30 for that following tax year and must be used as the basis for the exemption determined under subsection (2)(c).

1 (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates
2 on occurrence of contingency--sec. 9, Ch. 262, L. 2001; subsection (2)(s) terminates December 31, 2023--sec.
3 33, Ch. 457, L. 2015; subsection (2)(t) terminates June 30, 2027--sec. 10, Ch. 374, L. 2017.)"

4
5 **NEW SECTION. Section 2. Applicability.** [This act] applies to tax years beginning after December 31,
6 2019.
