A BILL FOR AN ACT ENTITLED: "AN ACT REGULATING PRICING BY CERTAIN HEALTH CARE FACILITIES; ESTABLISHING CEILINGS ON HEALTH CARE FACILITY PRICES; PROVIDING STATE AUDITOR REVIEW OF HEALTH CARE FACILITY PRICES; PROVIDING PENALTIES; PROVIDING RULEMAKING AUTHORITY; AMENDING SECTIONS 50-5-103, 50-5-104, 50-5-106, AND 50-5-111, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Legislative findings -- purpose. (1) The legislature finds that many health care facilities exert monopolistic control over pricing and delivery of health care.

- (2) The legislature further finds that the increasing costs of health care services have:
 - (a) made it difficult for many Montanans to afford necessary health care services;
 - (b) contributed to the costs of health care insurance; and
 - (c) gravely impacted the ability of employers to operate competitively if they choose to offer health insurance coverage to their employees.

(3) The legislature further finds that many Montana health care facilities are organized as nonprofit entities and as such receive a tax benefit from the public.

(4) It is the intent of the legislature that the prices billed by certain health care facilities be reviewed and approved to ensure that:

- (a) consumers and health insurance issuers pay for charges that are reasonable and just; and
- (b) the tax exemption benefits available to facilities are extended to the public through differential limitations on prices charged by those facilities.

NEW SECTION. Section 2. Definitions. As used in [sections 1 through 8], the following definitions apply:

- (1) "Health care facility" or "facility" means any of the following as the terms are defined in 50-5-101:
 - (a) a hospital;

- 1 (b) a critical access hospital;
2 (c) an outpatient center for surgical services; and
3 (d) a specialty hospital.

4 (2) (a) "Price" means the price that a health care facility bills for a medical procedure, service, supply,
5 or episode of care.

6 (b) The term does not mean the amount that a health care facility will accept as payment in full from a
7 patient or third-party payer.

8
9 **NEW SECTION. Section 3. State auditor approval of certain health care facility prices --**

10 **community benefit calculation.** (1) Unless approved by the state auditor, a health care facility may not charge
11 a price that exceeds the reimbursement rate allowed by the medicare program established pursuant to Title XVIII
12 of the federal Social Security Act, 42 U.S.C. 1395, et seq., multiplied by:

- 13 (a) 2.5, if the facility is a nonprofit organization; and
14 (b) 3.5, if the facility is a for-profit entity.

15 (2) A health care facility shall submit to the state auditor a request to approve a price that exceeds the
16 price allowed under subsection (1).

17 (3) The request must include:

- 18 (a) a summary of the justification for the proposed price;
19 (b) an estimate of the number of consumers who will be affected by the proposed price; and
20 (c) additional information as required by rule.

21 (4) A health care facility seeking approval of a price pursuant to subsection (2) shall publish notice of the
22 proposed price and the proposed effective date on its website.

23 (5) The state auditor shall review the price request in accordance with the requirements of [sections 1
24 through 8] and approve or deny the price within 30 days.

25 (6) The state auditor may not review health care facility prices that are required or set under a federal
26 or state medical assistance program.

27 (7) Free or discounted care provided as part of the health care facility's community benefit may not be
28 calculated at a price exceeding the price set in subsection (1) for the purpose of calculating the community benefit
29 provided.

4 (2) A health care facility may not willfully withhold information from or knowingly give false or misleading
5 information to the state auditor about any factor affecting the health care facility's price request.

6
7 **NEW SECTION. Section 5. Decision of state auditor -- review of adverse decision.** (1) If the state

8 auditor finds the proposed price is unjust, unreasonable, or unjustly discriminatory, the auditor shall deny the
9 request. If a request is denied, the price must continue to comply with [section 3].

10 (2) A health care facility may request a hearing on an adverse decision. The request must be submitted
