Minority Leader Schreiner rose on **Point of Personal Privilege** and made the following statement: “Earlier in the debate, and I appreciate the tenor of the debate throughout this session, there was a story that was told about an individual who is on their fifth DUI. In this story, the race of that individual was mentioned which did not play a part in the rest of the story. I would hope that this body would be more sensitive in the future about only including the information that pertains to it, and understand that what you say is not what you say, it is how it lands on others and let’s just live with decorum.”
