BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. **Section 1. Resort area -- purpose -- policy.** It is the intent and purpose of [sections 1 through 3] to encourage the growth of quality recreational resort facilities in undeveloped areas of the state and to provide for the orderly growth of existing recreational sites by the establishment of resort areas within which retail all-beverages licenses may be issued by the department under the terms of [section 3].

NEW SECTION. **Section 2. Resort area determination.** (1) To obtain a license, the resort area developer or landowner must submit an application with a plat setting forth the resort area boundaries and designating the ownership of the lands within the resort area. The plat must show the location and general design of the buildings and other improvements existing or to be built in the resort area. A master plan for the development of the resort area may be filed by the resort area developer in satisfaction of this section.

- (2) (a) In addition to the other requirements of this code, at the time of application, a resort area must:
 - (i) not be located within the boundaries of a quota area as described in 16-4-201;
 - (ii) have a current actual valuation of resort or recreational facilities, including land and improvements, of not less than \$1,000,000, at least half of which valuation must be for a structure or structures within the resort area;
 - (iii) be under the sole ownership or control of one person or entity;
 - (iv) contain a minimum of 50 acres of land; and
 - (v) provide details of the recreational facilities that are or will be on the grounds of the resort that warrant

1 the resort designation being granted. These recreational facilities must be completed prior to licenses being
 2 issued in [section 3].

3 (b) For the purposes of this section, "control" means land or improvements that are owned or that are
 4 held under contract, lease, option, or permit.

5 (3) Within 15 business days after the application is filed, the department shall schedule a public hearing
 6 to be held in the proposed area to determine whether the facility proposed by the resort area developer or
 7 landowner is a resort area. At least 30 days prior to the date of the hearing, the department shall publish notice
 8 of the hearing in a newspaper published in the county or counties in which the resort area is located, once a week
 9 for 4 consecutive weeks. The notice must include a description of the proposed resort area. The resort area
 10 developer or landowner shall, at the time of filing an application, pay to the department an amount sufficient to
 11 cover the costs of publication.

12 (4) A person may present, in person or in writing, a statement to the department at the hearing in
 13 opposition to or in support of the application.

14 (5) Within 30 days after the hearing, the department shall approve or deny the application. If the
 15 application is denied, the applicant may request a review of the decision of the department pursuant to the
 16 Montana Administrative Procedure Act.

17 (6) Once a resort area has been approved by the department, the boundaries of a resort area may not
 18 be changed without a new application.

19
 20 **NEW SECTION. Section 3. Resort retail all-beverages licenses -- resort alcohol storage facility**

21 **licenses.** (1) After a resort area has been approved, applications may be filed with the department for the
 22 issuance of resort retail all-beverages licenses within the resort area.

23 (2) The department may issue one resort retail all-beverages license for the first 100 accommodation
 24 units and an additional license for each additional 50 accommodation units within an approved resort area as long
 25 as the recreational facilities under [section 2] have also been completed.

26 (a) For purposes of this code, "accommodation unit" means a unit that is available for short-term guest
 27 rental and includes:

- 28 (i) a single-family home;
- 29 (ii) a single unit of an apartment, condominium, or multi-plex;
- 30 (iii) a single room of a hotel or motel; or

1 (iv) similar living space for occupants making up a single household. A space under this subsection
2 (2)(a)(iv) must be distinctly separated from other living spaces within the building and have its own sleeping, bath,
3 and toilet facilities.

4 (3) Regardless of how many resort area all-beverages licenses are issued in a resort area, no more than
5 20 gambling machine permits may be issued for the resort area.

6 (4) A resort retail all-beverages license within the resort area is:

7 (a) subject to all other requirements of an all-beverages license in this code;

8 (b) not subject to the quota limitations set forth in 16-4-201; and

9 (c) nontransferable.

10 (5) If a resort area has two or more resort retail all-beverages licenses issued under this section, the

12 (6) The resort alcohol storage facility license:

13 (a) must have the same ownership as all of the resort retail all-beverages licenses;

14 (b) must meet suitability and condition for operating rules as established by the department;

15 (c) is subject to all provisions of this code unless specifically designated;

16 (d) may not allow for on-premises consumption of alcohol; and

17 (e) is nontransferable.

18 (7) Because of the common ownership, the resort retail all-beverages licensees and the resort alcohol
19 storage facility licensee are treated as one entity and may:

20 (a) order and purchase alcohol for the resort retail all-beverages licensees within the approved resort
21 area;

22 (b) move and sell unopened alcohol between resort retail all-beverages licensed premises and resort
23 alcohol storage facility licensed premises within the approved resort area; and

24 (c) deliver alcohol to the accommodation units of guests, as long as the guests are present, age is
25 verified, and the guests are not intoxicated.

26 (8) Employees of the resort licensee who sell, serve, or deliver alcohol must be trained as provided in
27 16-4-1005.

28

29 **Section 4.** Section 16-4-203, MCA, is amended to read:

30 **"16-4-203. Determination of public convenience and necessity.** (1) An original license issued

1 pursuant to 16-4-104, 16-4-201, ~~16-4-202~~ [sections 2 and 3], or 16-4-208 or the transfer of location of an
2 on-premises retail license may be approved if the department does not receive the minimum number of protests
3 required for a public convenience and necessity determination pursuant to 16-4-207, in which case the application
4 must be regarded as a prima facie showing of public convenience and necessity and no further determination
5 of public convenience and necessity is allowed.

6 (2) (a) If the department receives at least the minimum number of protests required for a public
7 convenience and necessity determination, as provided in 16-4-207, an application must be approved when
8 evidence indicates that the issuance of an original license or transfer of location will materially promote the
9 public's ability to engage in the licensed activity.

10 (b) The issuance of an original license or a transfer of location will materially promote the public's ability
11 to engage in the licensed activity if:

12 (i) the applicant's history and experience demonstrate the capacity to operate the proposed license in
13 a lawful manner;

14 (ii) the approval of the application for the premises at the proposed location is consistent with the public's
15 demand or probable demand for the licensed activity that presently exists or is reasonably expected to exist within
16 the next 5 years in the quota area where the proposed premises is located and in quota areas adjacent to the
17 quota area where the proposed premises is located;

18 (iii) the approval of the application for the premises at the proposed location contributes to the public's
19 ability to participate in the licensed activity throughout the quota area where the proposed premises is located
20 and quota areas adjacent to the quota area where the proposed premises is located;

21 (iv) the approval of the application for the premises at the proposed location is consistent with adopted
22 or pending planning, annexation, and zoning ordinances of local governments that confer or will confer jurisdiction
23 over business and developments such as the proposed license in the quota area where the proposed premises
24 is located and in quota areas adjacent to the quota area where the proposed premises is located.

25 (3) When determining whether or not an application is justified by public convenience and necessity, the
26 department may:

27 (a) receive evidence at the public hearing specified in 16-4-207 only from the applicant, any protestors
28 whose protests the department has accepted pursuant to 16-4-207, and any other person summoned or called
29 by either a protestor or applicant;

30 (b) find that the application is justified by public convenience and necessity if the applicant has provided

1 substantial credible evidence as provided for in this subsection (3) that shows that the department's approval of
 2 the application will materially promote the public's ability to engage in the licensed activity. The substantial
 3 credible evidence required must include a consideration of each of the components of materially promoting the
 4 public's ability to engage in the licensed activity as provided in subsection (2)(b).

5 (4) For the purposes of this section, the following definitions apply:

6 (a) "Confer or will confer jurisdiction" means the power or authority that a local government or an
 7 appointed subsidiary of a local government has or may obtain within 1 year from the date of the hearing to
 8 consider and adopt planning, annexation, or zoning ordinances.

12 the license determination or if the license is for premises that are to be altered, as provided in 16-3-311, or newly

16 the license may be denied, and if issued, the license may be revoked.

17 (b) A statement on an application or at a hearing that is based upon a verifiable assertion made by a
