Following: line 33

Insert: "The indirect cost rate allocation is capped at 3% beginning July 1, 2019, for regional correctional facilities, which are both regional prisons in Dawson and Cascade Counties and the Missoula assessment and sanctions center. Capital costs for these regional correctional facilities are allocated to the per diem based on a use allowance for selected items of costs as follows: (1) the use allowance for buildings and improvements is limited to 2% of acquisition cost for a maximum of 40 years; and (2) the use allowance for equipment with an individual acquisition cost of \$5,000 or more is limited to 6.67% of acquisition cost for 15 years. Effective July 1, 2019, a regional correctional facility shall consult with the department prior to any anticipated personal services increases or nonroutine purchases that exceed \$5,000."
