13 and collect reasonable fees or other charges for the use of privileges and conveniences that may be provided  
14 and to grant concessions that it considers advisable, except as provided in subsections (2) and (6). All money  
15 derived from the activities of the department, except as provided in subsection (5), must be deposited in the state  
16 treasury in a state special revenue fund to the credit of the department. [This state special revenue fund is subject  
17 to legislative fund transfer.]

18 (2) Overnight camping fees established by the department under subsection (1) must be discounted 50%  
19 for a campsite rented by a person who is a resident of Montana, as defined in 87-2-102, and either 62 years of  
20 age or older or certified as disabled in accordance with rules adopted by the department.

21 (3) For a violation of any fee collection rule involving a vehicle, the registered owner of the vehicle at the  
22 time of the violation is personally responsible if an adult is not in the vehicle at the time the violation is discovered  
23 by an authorized officer. A defense that the vehicle was driven into the fee area by another person is not  
24 allowable unless it is shown that at that time, the vehicle was being used without the consent of the registered  
25 owner.

26 (4) Money received from the collection of fees and charges is subject to the deposit requirements of  
27 17-6-105(6) unless the department has submitted and received approval for a modified deposit schedule pursuant  
28 to 17-6-105(8).

29 (5) There is a fund of the enterprise fund type, as defined in 17-2-102(2)(a), for the purpose of managing  
30 state park visitor services revenue. The fund is to be used by the department to serve the recreating public by

 3 facilities. The fund consists of money from the sale of educational, commemorative, and interpretive merchandise  
 4 and other related goods and services and from donations. Gross revenue from the sale of educational,  
 5 commemorative, and interpretive merchandise and other related goods and services must be deposited in the  
 6 fund. All interest and earnings on money deposited in the fund must be credited to the fund for use as provided  
 7 in this subsection.

8 (6) In recognition of the fact that individuals support state parks through the payment of certain motor  
 9 vehicle registration fees, persons who pay the fee provided for in 61-3-321(19)(a) may not be required to pay a  
 10 day-use fee for access to state parks. Other fees for the use of state parks and fishing access sites, such as  
 11 overnight camping fees, are still chargeable and may be collected by the department.

12 (7) Any increase in the motor vehicle registration fee collected pursuant to 61-3-321(19)(a) on or after  
 13 January 1, 2012, that is dedicated to state parks must be used by the department for maintenance and operation
