2 Any individual so identified must be at least 21 years of age, possess the registry identification card at all
3 relevant times, and otherwise comply with the daily possession limits set forth in this chapter and rules adopted
4 by the department.

5
6 **NEW SECTION. Section 15. Health care facility procedures for patients with marijuana for use.**

7 (1) (a) A health care facility as defined in 50-5-101 shall take the following measures when a patient who is a
8 registered cardholder has marijuana in the patient's possession upon admission to the health care facility:

67th Legislature

HB 701.2.28

1 usable marijuana a day.

2 (b) (i) A registered cardholder may petition the department for an exception to the monthly limit on
3 purchases. The request must be accompanied by a confirmation from the physician who signed the
4 cardholder's written certification that the cardholder's debilitating medical condition warrants purchase of an
5 amount exceeding the monthly limit.

6 (ii) If the department approves an exception to the limit, the approval must establish the monthly
7 amount of usable marijuana that the cardholder may purchase and the limit must be entered into the seed-to-
8 sale tracking system.

9 (2) Except as provided in 16-12-108 and subject to the provisions of subsection (7) of this section, an
10 individual who possesses a registry identification card issued pursuant to [sections ~~14 through 28~~ 9 THROUGH
11 23] may not be arrested, prosecuted, or penalized in any manner or be denied any right or privilege, including
12 but not limited to civil penalty or disciplinary action by a professional licensing board or the department of labor
13 and industry, solely because:

14 (a) the person cultivates, manufactures, possesses, or transports marijuana in the amounts allowed
15 under this section; or

16 (b) the registered cardholder acquires or uses marijuana.

17 (3) A physician may not be arrested, prosecuted, or penalized in any manner or be denied any right or
18 privilege, including but not limited to civil penalty or disciplinary action by the board of medical examiners or the
19 department of labor and industry, solely for providing written certification for a patient with a debilitating medical
20 condition.

21 (4) Nothing in this section prevents the imposition of a civil penalty or a disciplinary action by a
22 professional licensing board or the department of labor and industry if:

23 (a) a registered cardholder's use of marijuana impairs the cardholder's job-related performance; or

24 (b) a physician violates the standard of care or other requirements of [sections ~~14 through 28~~ 9
25 THROUGH 23].

26 (5) (a) An individual may not be arrested or prosecuted for constructive possession, conspiracy as
27 provided in 45-4-102, or other provisions of law or any other offense solely for being in the presence or vicinity
28 of the use of marijuana and marijuana products as permitted under [sections ~~14 through 28~~ 9 THROUGH 23].

1 (b) This subsection (5) does not prevent the arrest or prosecution of an individual who is in the vicinity
2 of a registered cardholder's use of marijuana if the individual is in possession of or is using marijuana in excess
3 of the amounts otherwise provided in this chapter and is not a registered cardholder.

4 (6) Possession of or application for a registry identification card does not alone constitute probable
5 cause to search the person or individual or the property of the person or individual or otherwise subject the
6 person or individual or property of the person or individual possessing or applying for the card to inspection by
7 any governmental agency, including a law enforcement agency.

8 (7) The provisions of this section relating to protection from arrest or prosecution do not apply to an
9 individual unless the individual has obtained a registry identification card prior to an arrest or the filing of a
10 criminal charge. It is not a defense to a criminal charge that an individual obtains a registry identification card
11 after an arrest or the filing of a criminal charge.

12 (8) (a) A registered cardholder is presumed to be engaged in the use of marijuana as allowed by
13 [sections 44 through 28 9 THROUGH 23] if the person:

14 (i) is in possession of a valid registry identification card; and

15 (ii) is in possession of an amount of marijuana that does not exceed the amount permitted under
16 [sections 44 through 28 9 THROUGH 23].

17 (b) The presumption may be rebutted by evidence that the possession of marijuana was not for the
18 purpose of alleviating the symptoms or effects of a registered cardholder's debilitating medical condition and
19 exceeded the allowable amount of marijuana otherwise provided for in [sections 44 through 28 9 THROUGH 23].

20
21 **NEW SECTION. Section 17. Prohibitions on physician affiliation with licensees -- sanctions.** (1)

22 (a) A physician who provides written certifications may not:

4 (2) A person licensed under this chapter may not:

5 (a) arrange for a physician to conduct a physical examination or review of medical records required
6 under [sections ~~14 through 28~~ 9 THROUGH 23], either in the physician's office or at another location; or

7 (b) pay all or a portion of the costs for an individual to be seen by a physician for the purposes of
8 obtaining a written certification.

10 provision of rules adopted pursuant to [sections ~~14 through 28~~ 9 THROUGH 23], or has not met the standard of
11 care required under [sections ~~14 through 28~~ 9 THROUGH 23], the department may refer the matter to the board
12 of medical examiners provided for in 2-15-1731 for review pursuant to 37-1-308.

13 (4) A violation of this section constitutes unprofessional conduct under 37-1-316. If the board of
14 medical examiners finds that a physician has violated this section, the board shall restrict the physician's
15 authority to provide written certification for the use of marijuana. The board of medical examiners shall notify the
16 department of the sanction.

17 (5) If the board of medical examiners believes a physician's practices may harm the public health,
18 safety, or welfare, the board may summarily restrict a physician's authority to provide written certification for the
19 use of marijuana for a debilitating medical condition.

20 (6) (a) If the department has reason to believe a person licensed under this chapter has violated this
21 section, the department shall refer the matter to the law enforcement entity and county attorney having
22 jurisdiction where the person licensed under this chapter is doing business.

23 (b) If a person licensed under this chapter is found to have violated the provisions of this section, the
24 department shall revoke the person's license. A person whose license has been revoked for a violation of this
25 section is prohibited from reapplying for licensure under this chapter.

26 (7) (a) A law enforcement entity or county attorney who investigates a suspected violation of this
27 section shall report the results of the investigation to the department.

28 (b) The department may receive the results of this investigation even if the information constitutes

1 confidential criminal justice information as defined in 44-5-103.

2

3 **NEW SECTION. Section 18. Unlawful conduct by cardholders -- penalties.** (1) The department

4 shall revoke and may not reissue the registry identification card of an individual who:

5 (a) is convicted of a drug offense; or

6 (b) allows another individual to be in possession of the individual's:

7 (i) registry identification card, except as provided for in [section ~~19~~ 14]; or

8 (ii) mature marijuana plants, seedlings, usable marijuana, or marijuana products.

9 (2) If no other penalty is specified under [sections ~~14 through 28~~ 9 THROUGH 23], a registered

10 cardholder who violates [sections ~~14 through 28~~ 9 THROUGH 23] is punishable by a fine not to exceed \$500 or by

11 imprisonment in a county jail for a term not to exceed 6 months, or both, unless otherwise provided in [sections

27 **"39-71-407. (Temporary) Liability of insurers -- limitations.** (1) For workers' compensation

28 injuries, each insurer is liable for the payment of compensation, in the manner and to the extent provided in this

1 section, to an employee of an employer covered under plan No. 1, plan No. 2, and the state fund under plan
2 No. 3 that it insures who receives an injury arising out of and in the course of employment or, in the case of
3 death from the injury, to the employee's beneficiaries, if any.

4 (2) An injury does not arise out of and in the course of employment when the employee is:

5 (a) on a paid or unpaid break, is not at a worksite of the employer, and is not performing any specific
6 tasks for the employer during the break; or

7 (b) engaged in a social or recreational activity, regardless of whether the employer pays for any
8 portion of the activity. The exclusion from coverage of this subsection (2)(b) does not apply to an employee
9 who, at the time of injury, is on paid time while participating in a social or recreational activity or whose
10 presence at the activity is required or requested by the employer. For the purposes of this subsection (2)(b),
11 "requested" means the employer asked the employee to assume duties for the activity so that the employee's
12 presence is not completely voluntary and optional and the injury occurred in the performance of those duties.

13 (3) (a) Subject to subsection (3)(c), an insurer is liable for an injury, as defined in 39-71-119, only if
14 the injury is established by objective medical findings and if the claimant establishes that it is more probable
15 than not that:

16 (i) a claimed injury has occurred; or

17 (ii) a claimed injury has occurred and aggravated a preexisting condition.

18 (b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury
19 aggravated a preexisting condition is not sufficient to establish liability.

20 (c) Objective medical findings are sufficient for a presumptive occupational disease as defined in 39-
21 71-1401 but may be overcome by a preponderance of the evidence.

22 (4) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter
23 unless:

24 (i) the employer furnishes the transportation or the employee receives reimbursement from the
25 employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement
26 and the travel is necessitated by and on behalf of the employer as an integral part or condition of the
27 employment; or

28 (ii) the travel is required by the employer as part of the employee's job duties.

1 (b) A payment made to an employee under a collective bargaining agreement, personnel policy
2 manual, or employee handbook or any other document provided to the employee that is not wages but is
3 designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil,
4 or lodging, and the employee is not covered under this chapter while traveling.

5 (5) Except as provided in subsection (6), an employee is not eligible for benefits otherwise payable
6 under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major
7 contributing cause of the accident.

8 (6) (a) An employee who has received written certification, as defined in ~~50-46-302~~ [section 45 10],
9 from a physician for the use of marijuana for a debilitating medical condition and who is otherwise eligible for
10 benefits payable under this chapter is subject to the limitations of subsections (6)(b) through (6)(d).

11 (b) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use
12 of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15 SECTION 35 16-12-102], is
13 the major contributing cause of the injury or occupational disease.

14 (c) Nothing in this chapter may be construed to require an insurer to reimburse any person for costs
15 associated with the use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15
16 SECTION 35 16-12-102].

17 (d) In an accepted liability claim, the benefits payable under this chapter may not be increased or
18 enhanced due to a worker's use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~
19 [section 15 SECTION 35-16-12-102]. An insurer remains liable for those benefits that the worker would qualify for
20 absent the worker's use of marijuana for a debilitating medical condition.

21 (7) The provisions of subsection (5) do not apply if the employer had knowledge of and failed to
22 attempt to stop the employee's use of alcohol or drugs not prescribed by a physician. This subsection (7) does
23 not apply to the use of marijuana for a debilitating medical condition because marijuana is not a prescribed
24 drug.

25 (8) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two
26 or more insurers, the insurer for the most recently filed claim shall pay benefits until that insurer proves that
27 another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later
28 proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must

1 receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

2 (9) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to
3 the same part of the body, the workers' compensation insurer is not liable for any compensation or medical
4 benefits caused by the subsequent nonwork-related injury.

5 (10) Except for cases of presumptive occupational disease as provided in 39-71-1401 and 39-71-1402,
6 an employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is
7 established by objective medical findings that contain sufficient factual and historical information concerning the
8 relationship of the worker's condition to the original injury.

9 (11) (a) For occupational diseases, every employer enrolled under plan No. 1, every insurer under
10 plan No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to
11 the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the
12 state fund under plan No. 3 if the employee is diagnosed with a compensable occupational disease.

13 (b) The provisions of subsection (11)(a) apply to presumptive occupational disease if the employee is
14 diagnosed and meets the conditions of 39-71-1401 and 39-71-1402.

15 (12) An insurer is liable for an occupational disease only if the occupational disease:

16 (a) is established by objective medical findings; and

17 (b) arises out of or is contracted in the course and scope of employment. An occupational disease is
18 considered to arise out of or be contracted in the course and scope of employment if the events occurring on
19 more than a single day or work shift are the major contributing cause of the occupational disease in relation to
20 other factors contributing to the occupational disease. For the purposes of this subsection (12), an occupational
21 disease is not the same as a presumptive occupational disease.

22 (13) When compensation is payable for an occupational disease or a presumptive occupational
23 disease, the only employer liable is the employer in whose employment the employee was last injuriously
24 exposed to the hazard of the disease.

25 (14) When there is more than one insurer and only one employer at the time that the employee was
26 injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the
27 earlier of:

28 (a) the time that the occupational disease or presumptive occupational disease was first diagnosed by

1 a health care provider; or

2 (b) the time that the employee knew or should have known that the condition was the result of an
3 occupational disease or a presumptive occupational disease.

4 (15) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or
5 substantially all of the assets of a mine from a person who was an operator of the mine on or after December
6 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person
7 with respect to miners previously employed in the mine if acquisition had not occurred and that person had
8 continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this
9 section.

10 (16) As used in this section, "major contributing cause" means a cause that is the leading cause
11 contributing to the result when compared to all other contributing causes. (Void on occurrence of contingency--
12 sec. 7, Ch. 158, L. 2019.)

13 **39-71-407. (Effective on occurrence of contingency) Liability of insurers -- limitations.** (1) For
14 workers' compensation injuries, each insurer is liable for the payment of compensation, in the manner and to
15 the extent provided in this section, to an employee of an employer covered under plan No. 1, plan No. 2, and
16 the state fund under plan No. 3 that it insures who receives an injury arising out of and in the course of
17 employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

18 (2) An injury does not arise out of and in the course of employment when the employee is:

19 (a) on a paid or unpaid break, is not at a worksite of the employer, and is not performing any specific
20 tasks for the employer during the break; or

21 (b) engaged in a social or recreational activity, regardless of whether the employer pays for any
22 portion of the activity. The exclusion from coverage of this subsection (2)(b) does not apply to an employee
23 who, at the time of injury, is on paid time while participating in a social or recreational activity or whose
24 presence at the activity is required or requested by the employer. For the purposes of this subsection (2)(b),
25 "requested" means the employer asked the employee to assume duties for the activity so that the employee's
26 presence is not completely voluntary and optional and the injury occurred in the performance of those duties.

27 (3) (a) An insurer is liable for an injury, as defined in 39-71-119, only if the injury is established by
28 objective medical findings and if the claimant establishes that it is more probable than not that:

Amendment - 3rd Reading - Requested by: Jason Small

1 (i) a claimed injury has occurred; or

2 (ii) a claimed injury has occurred and aggravated a preexisting condition.

3 (b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury
4 aggravated a preexisting condition is not sufficient to establish liability.

5 (4) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter
6 unless:

7 (i) the employer furnishes the transportation or the employee receives reimbursement from the
8 employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement
9 and the travel is necessitated by and on behalf of the employer as an integral part or condition of the
10 employment; or

11 (ii) the travel is required by the employer as part of the employee's job duties.

12 (b) A payment made to an employee under a collective bargaining agreement, personnel policy
13 manual, or employee handbook or any other document provided to the employee that is not wages but is
14 designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil,
15 or lodging, and the employee is not covered under this chapter while traveling.

16 (5) Except as provided in subsection (6), an employee is not eligible for benefits otherwise payable
17 under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major
18 contributing cause of the accident.

19 (6) (a) An employee who has received written certification, as defined in ~~50-46-302~~ [section 15 10],
20 from a physician for the use of marijuana for a debilitating medical condition and who is otherwise eligible for
21 benefits payable under this chapter is subject to the limitations of subsections (6)(b) through (6)(d).

22 (b) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use
23 of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15 SECTION 35 16-12-102], is
24 the major contributing cause of the injury or occupational disease.

25 (c) Nothing in this chapter may be construed to require an insurer to reimburse any person for costs
26 associated with the use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~ [section 15
27 SECTION 35 16-12-102].

28 (d) In an accepted liability claim, the benefits payable under this chapter may not be increased or

1 enhanced due to a worker's use of marijuana for a debilitating medical condition, as defined in ~~50-46-302~~
2 ~~[section 15-SECTION 35-16-12-102]~~. An insurer remains liable for those benefits that the worker would qualify for
3 absent the worker's use of marijuana for a debilitating medical condition.

4 (7) The provisions of subsection (5) do not apply if the employer had knowledge of and failed to
5 attempt to stop the employee's use of alcohol or drugs not prescribed by a physician. This subsection (7) does
6 not apply to the use of marijuana for a debilitating medical condition because marijuana is not a prescribed
7 drug.

8 (8) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two
9 or more insurers, the insurer for the most recently filed claim shall pay benefits until that insurer proves that
10 another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later
11 proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must
12 receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

13 (9) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to
14 the same part of the body, the workers' compensation insurer is not liable for any compensation or medical
15 benefits caused by the subsequent nonwork-related injury.

16 (10) An employee is not eligible for benefits payable under this chapter unless the entitlement to
17 benefits is established by objective medical findings that contain sufficient factual and historical information
18 concerning the relationship of the worker's condition to the original injury.

19 (11) For occupational diseases, every employer enrolled under plan No. 1, every insurer under plan
20 No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to the
21 extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the
22 state fund under plan No. 3 if the employee is diagnosed with a compensable occupational disease.

23 (12) An insurer is liable for an occupational disease only if the occupational disease:

24 (a) is established by objective medical findings; and

25 (b) arises out of or is contracted in the course and scope of employment. An occupational disease is
26 considered to arise out of or be contracted in the course and scope of employment if the events occurring on
27 more than a single day or work shift are the major contributing cause of the occupational disease in relation to
28 other factors contributing to the occupational disease.

1 (13) When compensation is payable for an occupational disease, the only employer liable is the
2 employer in whose employment the employee was last injuriously exposed to the hazard of the disease.

3 (14) When there is more than one insurer and only one employer at the time that the employee was
4 injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the
5 earlier of:

6 (a) the time that the occupational disease was first diagnosed by a health care provider; or

7 (b) the time that the employee knew or should have known that the condition was the result of an
8 occupational disease.

9 (15) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or
10 substantially all of the assets of a mine from a person who was an operator of the mine on or after December
11 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person
12 with respect to miners previously employed in the mine if acquisition had not occurred and that person had
13 continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this
14 section.

16 contributing to the result when compared to all other contributing causes."

19 **"41-5-216. Disposition of youth court, law enforcement, and department records -- sharing and**

21 records that are not exempt from sealing under subsections (4) and (6) and that pertain to a youth covered by
22 this chapter must be physically sealed on the youth's 18th birthday. In those cases in which jurisdiction of the
23 court or any agency is extended beyond the youth's 18th birthday, the records must be physically sealed upon
24 termination of the extended jurisdiction.

25 (2) Except as provided in subsection (6), when the records pertaining to a youth pursuant to this
26 section are sealed, an agency, other than the department, that has in its possession copies of the sealed
27 records shall destroy the copies of the records. Anyone violating the provisions of this subsection is subject to

1 (3) Except as provided in subsection (6), this section does not prohibit the destruction of records with
2 the consent of the youth court judge or county attorney after 10 years from the date of sealing.

3 (4) The requirements for sealed records in this section do not apply to medical records, fingerprints,
4 DNA records, photographs, youth traffic records, records in any case in which the youth did not fulfill all
5 requirements of the court's judgment or disposition, records referred to in 42-3-203, or the information referred
6 to in 46-23-508, in any instance in which the youth was required to register as a sexual offender pursuant to
7 Title 46, chapter 23, part 5.

8 (5) After formal and informal youth court records, law enforcement records, and department records
9 are sealed, they are not open to inspection except, upon order of the youth court, for good cause to:

10 (a) those persons and agencies listed in 41-5-215(2); and

11 (b) adult probation and parole staff preparing a presentence report on an adult with an existing sealed
12 youth court record.

15 office of court administrator and by the department relating to the youth whose records are being sealed must
16 be preserved for the express purpose of research and program evaluation.

17 (b) The department of public health and human services, the office of court administrator, and the
18 department shall disassociate the offense and disposition information from the name of the youth in the
19 respective management information system. The offense and disposition information must be maintained
20 separately and may be used only:

21 (i) for research and program evaluation authorized by the office of court administrator or by the

23 (ii) as provided in Title 5, chapter 13.

24 (7) (a) Informal youth court records for a youth for whom formal proceedings have been filed must be

28 (b) The informal youth court records are confidential and may be shared only with those persons and

1 agencies listed in 41-5-215(2).

2 (c) Except as provided in subsection (7)(a), when a youth becomes 18 years of age or when extended
3 supervision ends and the youth was involved only in informal proceedings, informal youth court records that are
4 in hard-copy form must be destroyed and any electronic records in the youth court management information
5 system must disassociate the offense and disposition information from the name of the youth and may be used
6 only for the following purposes:

7 (i) for research and program evaluation authorized by the office of the court administrator and subject
8 to any applicable laws; and

9 (ii) as provided in Title 5, chapter 13.

10 (8) Nothing in this section prohibits the sharing of formal or informal youth court records within the
11 juvenile probation management information system to a person or agency listed in 41-5-215(2).

12 (9) This section does not prohibit the sharing of formal or informal youth court records within the
13 department's youth management information system. Electronic records of the department's youth

1 **probationary license -- imposition of conditions.** (1) (a) Any court or agency utilizing the sobriety program
2 may stay any sanctions that it imposed against an offender while the offender is in compliance with the sobriety
3 program.

4 (b) If an individual convicted of the offense of aggravated driving under the influence in violation of 61-
5 8-465, a second or subsequent offense of driving under the influence in violation of 61-8-401 or 61-8-411, or a
6 second or subsequent offense of driving with excessive alcohol concentration in violation of 61-8-406 has been
7 required to participate in the sobriety program, the court may, upon the individual's obtaining proof of insurance
8 pursuant to 61-6-301, notify the department that as a participant in the sobriety program, the individual is
9 eligible for a restricted probationary driver's license pursuant to 61-2-302, notwithstanding the requirements of
10 61-5-208 that an individual is required to complete a certain portion of a suspension period before a
11 probationary license may be issued.

12 (c) If the individual fails to comply with the requirements of the sobriety program, the court may notify
13 the department of the individual's noncompliance and direct the department to withdraw the individual's
14 probationary driver's license and reinstate the remainder of the suspension period provided in 61-5-208.

15 (2) Upon an offender's participation in the sobriety program and payment of the fees required by 44-4-
16 1204:

17 (a) the court may condition any bond or pretrial release for an individual charged with a violation of
18 61-8-465, a second or subsequent violation of 61-8-401, ~~or 61-8-406~~, 61-8-411, or a second or subsequent
19 violation of any other statute that imposes a jail penalty of 6 months or more if the abuse of alcohol or
20 dangerous drugs was a contributing factor in the commission of the crime;

21 (b) the court may condition the granting of a suspended execution of sentence or probation for an
22 individual convicted of a violation of 61-8-465, a second or subsequent violation of 61-8-401 or 61-8-406, or a
23 second or subsequent violation of any other statute that imposes a jail penalty of 6 months or more if the abuse
24 of alcohol or dangerous drugs was a contributing factor in the commission of the crime;

25 (c) the board of pardons and parole may condition parole for a violation of 61-8-465, a second or
26 subsequent violation of 61-8-401, ~~or 61-8-406~~, or 61-8-411, or a second or subsequent violation of any other

6 release, suspended execution of sentence, probation, parole, or conditional release as provided in those
7 subsections for an individual charged with or convicted of a violation of any statute involving domestic abuse or
8 the abuse or neglect of a minor if the abuse of alcohol or dangerous drugs was a contributing factor in the
9 commission of the crime regardless of whether the charge or conviction was for a first, second, or subsequent
10 violation of the statute.

11 (4) A person is eligible to participate in and a court may compel a person to participate in a sobriety
12 program if the person:

13 (a) is charged with violating 61-8-465; or

14 (b) (i) is charged with or has been convicted of violating 61-8-401, ~~or 61-8-406~~, or 61-8-411; and

15 (ii) at any time in the 10 years preceding the date of the current charge or conviction:

17 (B) has been convicted of a violation of a statute or regulation in another state or on a federally
18 recognized Indian reservation that is similar to 61-8-401, 61-8-406, or 61-8-465; or

19 (C) has forfeited bail or collateral deposited to secure the defendant's appearance in court in this
20 state, in another state, or on a federally recognized Indian reservation for a charge of violating 61-8-401, 61-8-
21 406, 61-8-411, 61-8-465, or a similar statute or regulation and the forfeiture has not been vacated.

22 (5) As used in this section, "conviction" has the meaning provided in 45-2-101."
23

24 **Section 67.** Section 45-9-101, MCA, is amended to read:

25 "**45-9-101. Criminal distribution of dangerous drugs.** (1) Except as provided in Title 16, chapter
26 12, ~~or Title 50, chapter 46~~, a person commits the offense of criminal distribution of dangerous drugs if the
27 person sells, barter, exchanges, gives away, or offers to sell, barter, exchange, or give away any dangerous
28 drug, as defined in 50-32-101.

1 (2) A person convicted of criminal distribution of dangerous drugs involving giving away or sharing
2 any dangerous drug, as defined in 50-32-101, shall be sentenced as provided in 45-9-102.

3 (3) A person convicted of criminal distribution of dangerous drugs not otherwise provided for in

 - 25 (i) the minor's treating physician or referral physician has explained to the minor and to the minor's
 - 26 custodial parent or legal guardian with responsibility for health care decisions the potential risks and benefits of
 - 27 the use of marijuana;
 - 28 (ii) indicates whether the parent or legal guardian will be obtaining marijuana or marijuana-infused

2 (iii) the minor's custodial parent or legal guardian with responsibility for health care decisions:

3 (A) consents to the use of marijuana by the minor;

4 (B) agrees to control the acquisition of marijuana and the dosage and frequency of the use of

6 (C) agrees that the minor will use only marijuana-infused products and will not smoke marijuana;

7 (c) if the parent or guardian will be serving as the minor's provider, undergoes background checks in
8 accordance with subsection (3). The parent or legal guardian shall pay the costs of the background check and

10 the requirements of 50-46-308.

11 (d) pledges, on a form prescribed by the department, not to divert to any individual any marijuana
12 cultivated or obtained for the minor's use in a marijuana-infused product.

13 (3) A parent serving as a minor's provider shall submit fingerprints to facilitate a fingerprint and
14 background check by the department of justice and federal bureau of investigation upon the minor's initial

16 name-based background check in years when a fingerprint background check is not required.

17 (4) An application for a registry identification card for a minor must be accompanied by the written
18 certification and accompanying statements required pursuant to 50-46-310 from a second physician in addition
19 to the minor's treating physician or referral physician.

20 (5) An individual may not be a registered cardholder if the individual is in the custody of or under the
21 supervision of the department of corrections or a youth court.

22 ~~(6) A registered cardholder who elects to obtain marijuana or marijuana-infused products through the~~
23 ~~system of licensed providers and marijuana-infused products providers may not cultivate marijuana or~~
24 ~~manufacture marijuana-infused products for the cardholder's use unless the registered cardholder is a licensed~~
25 ~~provider or marijuana-infused products provider.~~

26 ~~(7) A registered cardholder may cultivate marijuana and manufacture marijuana-infused products as~~
27 ~~allowed under 50-46-319 only:~~

28 ~~(a) at a property that is owned by the cardholder; or~~

1 ~~(b) with written permission of the property owner, at a property that is rented or leased by the~~
2 ~~cardholder.~~

3 ~~(8) No portion of the property used for cultivation of marijuana and manufacture of marijuana-infused~~
4 ~~products for use by the registered cardholder may be shared with or rented or leased to a provider, a~~
5 ~~marijuana-infused products provider, or a registered cardholder unless the property is owned, rented, or leased~~
6 ~~by cardholders who are related to each other by the second degree of kinship by blood or marriage."~~

8 **Section 79.** Section 50-46-319, MCA, is amended to read:

9 **"50-46-319. Legal protections -- allowable amounts.** (1) (a) A registered cardholder ~~who has~~
10 ~~elected to obtain marijuana and marijuana-infused products through the system of licensed providers and~~
11 ~~marijuana-infused products providers may:~~

12 (i) possess up to 1 ounce of usable marijuana; and

13 (ii) purchase a maximum of 5 ounces of usable marijuana a month and no more than 1 ounce of
14 usable marijuana a day.

15 ~~(b) (i) A registered cardholder who has elected not to use the system of licensed providers and~~
16 ~~marijuana-infused products providers may possess up to 4 mature plants, 4 seedlings, and the amount of~~
17 ~~usable marijuana allowed by the department by rule.~~

18 ~~(ii) If two or more registered cardholders share a residence and have elected not to use the system of~~
19 ~~licensed providers and marijuana-infused products providers, the cardholders may have a maximum of 8~~
20 ~~mature plants, 8 seedlings, and the amount of usable marijuana allowed by the department by rule. The limits in~~
21 ~~this subsection (1)(b)(ii) apply regardless of the location of the plants and seedlings.~~

22 ~~(iii) A registered cardholder who possesses mature plants or seedlings shall notify the department of~~
23 ~~the location of the plants and seedlings pursuant to 50-46-303(8)(b).~~

24 ~~(e)(b)~~ A provider or marijuana-infused products provider may have the canopy allowed by the
25 department for the provider or marijuana-infused products provider. The canopy allotment is a cumulative total
26 for all of the provider's or marijuana-infused products provider's registered premises and may not be interpreted
27 as an allotment for each premises.

28 ~~(d)(c)~~ (i) A registered cardholder may petition the department for an exception to the monthly limit on

1 purchases. The request must be accompanied by a confirmation from the physician who signed the
2 cardholder's written certification that the cardholder's debilitating medical condition warrants purchase of an
3 amount exceeding the monthly limit.

4 (ii) If the department approves an exception to the cap, the approval must establish the monthly
5 amount of usable marijuana that the cardholder may purchase and the limit must be entered into the seed-to-
6 sale tracking system.

7 (2) Except as provided in 50-46-320 and subject to the provisions of subsection (7) of this section, an
8 individual who possesses a registry identification card or license issued pursuant to this part may not be
9 arrested, prosecuted, or penalized in any manner or be denied any right or privilege, including but not limited to
10 civil penalty or disciplinary action by a professional licensing board or the department of labor and industry,
11 solely because:

12 (a) the person cultivates, manufactures, possesses, or transports marijuana in the amounts allowed
13 under this section; or

14 (b) the registered cardholder acquires or uses marijuana.

15 (3) A physician may not be arrested, prosecuted, or penalized in any manner or be denied any right or
16 privilege, including but not limited to civil penalty or disciplinary action by the board of medical examiners or the
17 department of labor and industry, solely for providing written certification for a patient with a debilitating medical
18 condition.

19 (4) Nothing in this section prevents the imposition of a civil penalty or a disciplinary action by a
20 professional licensing board or the department of labor and industry if:

21 (a) a registered cardholder's use of marijuana impairs the cardholder's job-related performance; or

22 (b) a physician violates the standard of care or other requirements of this part.

23 (5) (a) An individual may not be arrested or prosecuted for constructive possession, conspiracy as
24 provided in 45-4-102, or other provisions of law or any other offense solely for being in the presence or vicinity
25 of the use of marijuana and marijuana-infused products as permitted under this part.

26 (b) This subsection (5) does not prevent the arrest or prosecution of an individual who is in the vicinity
27 of a registered cardholder's use of marijuana if the individual is in possession of or is using marijuana and is not
28 a registered cardholder.

1 (6) Except as provided in 50-46-329, possession of or application for a license or registry identification
2 card does not alone constitute probable cause to search the person or individual or the property of the person
3 or individual or otherwise subject the person or individual or property of the person or individual possessing or
4 applying for the license or card to inspection by any governmental agency, including a law enforcement agency.

5 (7) The provisions of this section relating to protection from arrest or prosecution do not apply to an
6 individual unless the individual has obtained a license or registry identification card prior to an arrest or the filing
7 of a criminal charge. It is not a defense to a criminal charge that an individual obtains a license or registry
8 identification card after an arrest or the filing of a criminal charge.

9 (8) (a) A registered cardholder, a provider, or a marijuana-infused products provider is presumed to
10 be engaged in the use of marijuana as allowed by this part if the person:

11 (i) is in possession of a valid registry identification card or license; and

12 (ii) is in possession of an amount of marijuana that does not exceed the amount permitted under this
13 part.

14 (b) The presumption may be rebutted by evidence that the possession of marijuana was not for the
15 purpose of alleviating the symptoms or effects of a registered cardholder's debilitating medical condition."
16

4 **Section 82.** Section 50-46-347, MCA, is amended to read:

5 **"50-46-347. Provider licensing fees.** (1) Unless reduced as allowed under 50-46-303(5)(b), annual

13 and

14 ~~(c) money from marijuana taxes deposited under 16-12-111; and~~

15 ~~(d)(c)~~ any interest and income earned on the account.

16 (3) This account may be used only to provide funding for:

1 program in subsection (3) for each fiscal year of the biennium. If the budget director certifies that the reserve
2 balance will be sufficient, then the agencies may expend the revenue for the programs as appropriated. If the
3 budget director determines that the reserve balance of the revenue will not support the level of appropriation,
4 the budget director shall notify each agency. Upon receipt of the notification, the agency shall adjust the
5 operating budget for the program to reflect the available revenue as determined by the budget director.

6 (b) Until the programs or credits described in subsections (3)(b) and ~~(3)(d)-(3)(c)~~ are established, the
7 funding must be used exclusively for the purposes described in ~~subsections~~ SUBSECTION (3)(a) and ~~(3)(e)~~.

23 **Section 85.** Section 61-8-402, MCA, is amended to read:

24 **"61-8-402. Implied consent -- blood or breath tests for alcohol, blood or oral fluid for drugs, or**
25 **testing for both alcohol and drugs using recognized methods for each -- refusal to submit to test --**
26 **administrative license suspension.** (1) A person who operates or is in actual physical control of a vehicle
27 upon ways of this state open to the public is considered to have given consent to a test or tests of the person's
28 blood or breath for the purpose of determining any measured amount or detected presence of alcohol, or blood

1 or oral fluid for the purpose of determining any measured amount or detected presence of drugs in the person's
2 body.

3 (2) (a) The test or tests must be administered at the direction of a peace officer when:

4 (i) the officer has reasonable grounds to believe that the person has been driving or has been in
5 actual physical control of a vehicle upon ways of this state open to the public while under the influence of
6 alcohol, drugs, or a combination of the two and the person has been placed under arrest for a violation of 61-8-
7 401, 61-8-411, or 61-8-465;

17 (3) A person who is unconscious or who is otherwise in a condition rendering the person incapable of
18 refusal is considered not to have withdrawn the consent provided by subsection (1).

19 (4) If an arrested person refuses to submit to one or more tests requested and designated by the
20 officer as provided in subsection (2), the refused test or tests may not be given except as provided in
21 subsection (5), but the officer shall, on behalf of the department, immediately seize the person's driver's license.
22 The peace officer shall immediately forward the license to the department, along with a report certified under
23 penalty of law stating which of the conditions set forth in subsection (2)(a) provides the basis for the testing
24 request and confirming that the person refused to submit to one or more tests requested and designated by the
25 peace officer. Upon receipt of the report, the department shall suspend the license for the period provided in
26 subsection (8).

27 (5) If the arrested person has refused to provide a breath, blood, ~~or urine,~~ or oral fluid sample under
28 61-8-409 or this section in a prior investigation in this state or under a substantially similar statute in another

1 jurisdiction or the arrested person has a prior conviction or pending offense for a violation of 45-5-104, 45-5-
2 106, 45-5-205, 61-8-401, 61-8-406, or 61-8-411 or a similar statute in another jurisdiction, the officer may apply
3 for a search warrant to be issued pursuant to 46-5-224 to collect a sample of the person's blood for testing.

4 (6) (a) An arrested person who refuses to submit to one or more tests as provided in subsection (4)
5 shall pay the department an administrative fee of \$300, which must be deposited in the state special revenue
6 account established pursuant to subsection (6)(b).

7 (b) There is a blood-draw search warrant processing account in the state special revenue fund
8 established pursuant to 17-2-102(1)(b). Money provided to the department of justice pursuant to this subsection
9 (6) must be deposited in the account and may be used only for the purpose of providing forensic analysis of a
10 driver's blood to determine the presence of alcohol or drugs.

11 (c) The department shall adopt rules establishing procedures for the collection, distribution, and strict
12 accountability of any funds received pursuant to this section.

13 (7) Upon seizure of a driver's license, the peace officer shall issue, on behalf of the department, a
14 temporary driving permit, which is effective 12 hours after issuance and is valid for 5 days following the date of
15 issuance, and shall provide the driver with written notice of the license suspension and the right to a hearing
16 provided in 61-8-403.

17 (8) (a) Except as provided in subsection (8)(b), the following suspension periods are applicable upon
18 refusal to submit to one or more tests:

19 (i) upon a first refusal, a suspension of 6 months with no provision for a restricted probationary
20 license;

21 (ii) upon a second or subsequent refusal within 5 years of a previous refusal, as determined from the
22 records of the department, a suspension of 1 year with no provision for a restricted probationary license.

23 (b) If a person who refuses to submit to one or more tests under this section is the holder of a
24 commercial driver's license, in addition to any action taken against the driver's noncommercial driving
25 privileges, the department shall:

26 (i) upon a first refusal, suspend the person's commercial driver's license for a 1-year period; and

27 (ii) upon a second or subsequent refusal, suspend the person's commercial driver's license for life,
28 subject to department rules adopted to implement federal rules allowing for license reinstatement, if the person

1 is otherwise eligible, upon completion of a minimum suspension period of 10 years. If the person has a prior
2 conviction of a major offense listed in 61-8-802(2) arising from a separate incident, the conviction has the same
3 effect as a previous testing refusal for purposes of this subsection (8)(b).

4 (9) A nonresident driver's license seized under this section must be sent by the department to the
5 licensing authority of the nonresident's home state with a report of the nonresident's refusal to submit to one or
6 more tests.

7 (10) The department may recognize the seizure of a license of a tribal member by a peace officer
8 acting under the authority of a tribal government or an order issued by a tribal court suspending, revoking, or
9 reinstating a license or adjudicating a license seizure if the actions are conducted pursuant to tribal law or
10 regulation requiring alcohol or drug testing of motor vehicle operators and the conduct giving rise to the actions
11 occurred within the exterior boundaries of a federally recognized Indian reservation in this state. Action by the
12 department under this subsection is not reviewable under 61-8-403.

13 (11) A suspension under this section is subject to review as provided in this part.

19

20 **Section 86.** Section 61-8-404, MCA, is amended to read:

21 **"61-8-404. Evidence admissible -- conditions of admissibility.** (1) Upon the trial of a criminal
22 action or other proceeding arising out of acts alleged to have been committed by a person in violation of 61-8-
23 401, 61-8-406, 61-8-410, 61-8-411, 61-8-465, or 61-8-805:

24 (a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of
25 alcohol and drugs in the person at the time of a test, as shown by an analysis of the person's blood, ~~or~~ breath,
26 or oral fluid, is admissible. A positive test result does not, in itself, prove that the person was under the influence
27 of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a
28 violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent

1 evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving
2 or in actual physical control of a motor vehicle within this state.

3 (b) a report of the facts and results of one or more tests of a person's blood, ~~or breath,~~ or oral fluid is
4 admissible in evidence if:

5 (i) a breath test or preliminary alcohol screening test was performed by a person certified by the
6 forensic sciences division of the department to administer the test;

7 (ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a
8 laboratory exempt from certification under the rules of the department and the blood was withdrawn from the
9 person by a person competent to do so under 61-8-405(1);

10 (c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a
11 person is admissible in evidence if it was made by a person trained by the department or by a person who has
12 received training recognized by the department.

13 (2) If the person under arrest refused to submit to one or more tests under 61-8-402, whether or not a
14 sample was subsequently collected for any purpose, proof of refusal is admissible in any criminal action or
15 proceeding arising out of acts alleged to have been committed while the person was driving or in actual
16 physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol,
17 drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was
18 under the influence. The inference is rebuttable.

19 (3) The provisions of this part do not limit the introduction of any other competent evidence bearing on
20 the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and
21 drugs."
22

23 **Section 87.** Section 61-8-405, MCA, is amended to read:

24 **"61-8-405. Administration of tests.** (1) Only a physician, registered nurse, or other qualified person
25 acting under the supervision and direction of a physician or registered nurse may, at the request of a peace
26 officer, withdraw blood for the purpose of determining any measured amount or detected presence of alcohol,
27 drugs, or any combination of alcohol and drugs in the person. This limitation does not apply to the sampling of
28 breath.

1 (2) In addition to any test administered at the direction of a peace officer, a person may request that
2 an independent blood sample be drawn by a physician or registered nurse for the purpose of determining any
3 measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the
4 person. The peace officer may not unreasonably impede the person's right to obtain an independent blood test.
5 The officer may but has no duty to transport the person to a medical facility or otherwise assist the person in
6 obtaining the test. The cost of an independent blood test is the sole responsibility of the person requesting the
7 test. The failure or inability to obtain an independent test by a person does not preclude the admissibility in
8 evidence of any test given at the direction of a peace officer.

9 (3) Upon the request of the person tested, full information concerning any test given at the direction of
10 the peace officer must be made available to the person or the person's attorney.

11 (4) A physician, registered nurse, or other qualified person acting under the supervision and direction
12 of a physician or registered nurse does not incur any civil or criminal liability as a result of the proper
13 administering of a blood test when requested in writing by a peace officer to administer a test.

14 (5) The department in cooperation with any appropriate agency shall adopt uniform rules for the
15 giving of tests and may require certification of training to administer the tests as considered necessary.

16 (6) If a peace officer has probable cause to believe that a person has violated 61-8-401, 61-8-406, 61-
17 8-410, 61-8-411, 61-8-465, or 61-8-805 and a sample of blood, breath, urine, oral fluid, or other bodily
18 substance is taken from that person for any reason, a portion of that sample sufficient for analysis must be
19 provided to a peace officer if requested for law enforcement purposes and upon issuance of a subpoena as
20 provided in 46-4-301."

22 **Section 88.** Section 61-8-409, MCA, is amended to read:

23 **"61-8-409. Preliminary alcohol or drug screening test.** (1) A person who operates or is in actual
24 physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a
25 preliminary alcohol screening test of the person's breath, for the purpose of estimating the person's alcohol
26 concentration, or a preliminary drug screening test of a person's oral fluid for the purpose of estimating the
27 person's drug concentration(s), upon the request of a peace officer who has a particularized suspicion that the
28 person was driving or in actual physical control of a vehicle upon ways of this state open to the public while

1 under the influence of alcohol, drugs, or a combination of alcohol and drugs or in violation of 61-8-410 or 61-8-
2 465.

3 (2) The person's obligation to submit to a test under 61-8-402 is not satisfied by the person submitting
4 to a preliminary alcohol screening test, preliminary drug screening test, or both pursuant to this section.

5 (3) The peace officer shall inform the person of the right to refuse the test and that the refusal to
6 submit to the preliminary alcohol screening test, preliminary drug screening test, or both will result in the
7 suspension for up to 1 year of that person's driver's license.

8 (4) If the person refuses to submit to a test under this section, a test will not be given except as
9 provided in 61-8-402(5). However, the refusal is sufficient cause to suspend the person's driver's license as
10 provided in 61-8-402.

11 (5) A hearing as provided for in 61-8-403 must be available. The issues in the hearing must be limited
12 to determining whether a peace officer had a particularized suspicion that the person was driving or in actual
13 physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol or in
14 violation of 61-8-410 and whether the person refused to submit to the alcohol test.

15 (6) The provisions of 61-8-402(3) through (10) that do not conflict with this section are applicable to
16 refusals under this section. If a person refuses a test requested under 61-8-402 and this section for the same
17 incident, the department may not consider each a separate refusal for purposes of suspension under 61-8-402.

18 (7) A test may not be conducted or requested under this section unless both the peace officer and the
19 instrument used to conduct the preliminary alcohol screening test or preliminary drug screening test have been
20 certified by the department pursuant to rules adopted under the authority of 61-8-405(5)."

28 (a) restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock

1 device during the probationary period and require the person to pay the reasonable cost of leasing, installing,
2 and maintaining the device; or

3 (b) require the person to participate in a court-approved alcohol or drug detection testing program and
4 pay the fees associated with the testing program.

5 (2) If a person is convicted of a second or subsequent violation of 61-8-401, 61-8-406, 61-8-411, or

7 disposition, the court shall:

8 (a) if recommending that a probationary license be issued to the person, restrict the person to driving
9 only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and
10 require the person to pay the reasonable cost of leasing, installing, and maintaining the device;

11 (b) require the person to participate in the 24/7 sobriety and drug monitoring program provided for in
12 44-4-1203 and pay the fees associated with the program or require the person to participate in a court-
13 approved alcohol or drug detection testing program and pay the fees associated with the testing program; or

14 (c) order that each motor vehicle owned by the person at the time of the offense be seized and
15 subjected to the forfeiture procedure provided under 61-8-421.

16 (3) Any restriction or requirement imposed under this section must be included in a report of the
17 conviction made by the court to the department in accordance with 61-11-101 and placed upon the person's
18 driving record maintained by the department in accordance with 61-11-102.

19 (4) The duration of a restriction imposed under this section must be monitored by the department.

20 (5) All court-approved alcohol or drug detection testing programs allowed under this section are
21 required to use the state's data management system pursuant to 44-4-1203."

23 **Section 90.** Section 61-11-101, MCA, is amended to read:

24 **"61-11-101. Report of convictions and suspension or revocation of driver's licenses --**

25 **surrender of licenses.** (1) If a person is convicted of an offense for which chapter 5 or chapter 8, part 8,

9 (3) A court or other agency of this state or of a subdivision of the state that has jurisdiction to take any
10 action suspending, revoking, or otherwise limiting a license to drive shall report an action and the adjudication

14 deferring imposition of judgment, that would prevent a conviction for any violation of a state or local traffic
15 control law or ordinance, except a parking law or ordinance, in any type of motor vehicle, from appearing on the
16 person's driving record. The provisions of this subsection (4)(a) apply only to the conviction of a person who
17 holds a commercial driver's license or who is required to hold a commercial driver's license and do not apply to
18 the conviction of a person who holds any other type of driver's license.

26 violation of 61-8-401, 61-8-406, 61-8-410, or 61-8-411, the court in which the conviction occurs shall require the
27 person to surrender the registry identification card or license.

28 (b) Within 5 days after the conviction, the court shall forward the registry identification card and a copy
