4	A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF
5	MONTANA REQUESTING AN INTERIM STUDY ON ELECTIONEERING; AND REQUIRING THAT THE
6	FINAL RESULTS OF THE STUDY BE REPORTED TO THE 68TH LEGISLATURE.
7	
8	WHEREAS, each state has some form of restriction on political activities near polling places on election
9	days, but these restrictions vary; and
10	WHEREAS, section 13-35-211, MCA, prohibits electioneering on election day within a polling place, a
11	building in which an election is being held, or within 100 feet of an entrance to the building in which the polling
12	place is located; and
13	WHEREAS, the term "electioneering" is not explicitly defined in statute but has been defined in an
14	interpretive rule by the Commissioner of Political Practices since 1977 at ARM 44.11.606, even though
15	interpretive rules lack the force of law pursuant to section 2-4-102, MCA; and
16	WHEREAS, absentee in-person voting may occur on days other than election day at an election
17	administrator's office pursuant to section 13-3-213(1)(b), MCA, and at late registration locations that are
18	designated by an election administrator pursuant to section 13-2-304, MCA; and
19	WHEREAS, there are no prohibitions on electioneering where in-person voting occurs on days prior to
20	election day; and
21	WHEREAS, private property may be located adjacent to polling places or other places where in-person
22	voting is occurring; and
23	WHEREAS, a study of electioneering would allow a comprehensive evaluation of potential revisions to
24	statutory law, including whether to extend uniform protections for voters where they are voting in-person even if
25	the voting occurs prior to election day, how electioneering laws affect private property, and whether to explicitly
26	define the extent of what constitutes electioneering in Montana.
