10 insurance company and does not use insurance agents or pay commissions to insurance agents. The health  
11 care sharing ministry's guidelines and plan of operation are not an insurance policy. Without health care  
12 insurance, there is no guarantee that you, a fellow member, or any other person who is a party to the health  
13 care sharing ministry agreement will be protected in the event of illness or emergency. Regardless of whether  
14 you receive any payment for medical expenses or whether the health care sharing ministry terminates,  
15 withdraws from the faith-based agreement, or continues to operate, you are always personally responsible for  
16 the payment of your own medical bills. If your participation in the health care sharing ministry ends, state law  
17 may subject you to a waiting period before you are able to apply for health insurance coverage."
