28 (5) Under rules adopted by the board, state lands may be closed on a case-by-case basis for certain

1 reasons, including but not limited to:

2 (a) damage attributable to recreational use that diminishes the income-generating potential of the
3 state lands;

4 (b) damage to surface improvements of the lessee;

5 (c) the presence of threatened, endangered, or sensitive species or plant communities;

6 (d) the presence of unique or special natural or cultural features;

12 (b) For the purposes of this section, "exploding targets" means commercial targets that explode when
13 impacted by a high-velocity projectile or targets created by combining components, including but not limited to
14 ammonium nitrate and aluminum powder, that explode when impacted by a high-velocity projectile.

15 ~~(6)~~(7) (a) Rules adopted under this section may impose restrictions on general recreational activities,

19 program administered by the department of fish, wildlife, and parks.

20 (c) Motorized vehicle use by recreationists on state lands is restricted to federal, state, and dedicated
21 county roads, trails developed by the department for motorized use, and roads designated by the department to

23 (d) Recreational overnight use of state lands in a 30-day period is limited to 16 days:

24 (i) in a designated campground; and

25 (ii) on unleased, unlicensed lands outside a campground unless otherwise allowed by the department.

26 (e) Pets on state lands must be on a leash or otherwise controlled to prevent harassment of livestock
27 or wildlife.

28 (f) Horses may be kept overnight on state lands if:

- 1 (i) the horses do not remain in a stream riparian zone for more than 1 hour; and
- 2 (ii) only feed certified as noxious weed seed free is present on state lands.
- 3 (g) A horse kept overnight on state lands where there is a lease or license must be kept in compliance
- 4 with the provisions of subsection ~~(6)(f)~~ (7)(f) and must be restrained.
- 5 (h) Restrictions on general recreational activities must comply with the following:
- 6 (i) at least 30 days prior to a restriction, except in the case of emergency, the lessee or the
- 7 department if requested by the lessee shall:
 - 8 (A) post notice of the proposed restriction at frequent access points to the land where the restriction is
 - 9 proposed; and
 - 10 (B) issue a press release or a public service announcement detailing the proposed restriction;
- 11 (ii) except for seasonal restrictions and unless required for public safety, a restriction in an area may
- 12 not exceed 1 year; and
- 13 (iii) if a misuse of the land, including littering, may lead to a restriction, common access points must be
- 14 posted with notice of the possible restriction for 30 days with information detailing the misuse of land and
- 15 stating the penalties for the violation. If the misuse persists at the end of 30 days, a proposed restriction notice
- 16 may be posted in accordance with subsection ~~(6)(h)(i)~~ (7)(h)(i).
- 17 ~~(7)(8)~~ The board shall adopt rules providing for the issuance of a recreational special use license.
- 18 Commercial or concentrated recreational use, as defined in 77-1-101, is prohibited on state lands unless it

- 20 recreational special use license for recreational use that is not commercial, concentrated, or within the definition
- 21 of general recreational use.
- 22 ~~(8)(9)~~ For a violation of rules adopted by the board pursuant to this section, the department may
- 23 assess a civil penalty of up to \$1,000 for each day of violation. The board shall adopt rules providing for notice

- 25 subsection must be deposited as provided in 87-1-601~~(8)~~.
- 26 ~~(9)(10)~~ Unauthorized dumping of refuse on state lands and destruction of property, which includes
- 27 land and improvements, are misdemeanor crimes punishable by a fine of not more than \$1,500."

18 estimated cost of more than \$1,000 but less than \$5,000;

19 (h) shall manage elk, deer, and antelope populations based on habitat estimates determined as
20 provided in 87-1-322 and maintain elk, deer, and antelope population numbers at or below population estimates
21 as provided in 87-1-323. In developing or implementing an elk management plan, the commission shall
22 consider landowner tolerance when deciding whether to restrict elk hunting on surrounding public land in a
23 particular hunting district. As used in this subsection (1)(h), "landowner tolerance" means the written or
24 documented verbal opinion of an affected landowner regarding the impact upon the landowner's property within
25 the particular hunting district where a restriction on elk hunting on public property is proposed.

26 (i) shall set the policies for the salvage of antelope, deer, elk, or moose pursuant to 87-3-145; and

7 enhance hunting by Montana's youth and persons with disabilities.

8 (4) (a) The commission may adopt rules regarding nonresident big game combination licenses to:

9 (i) separate deer licenses from nonresident elk combination licenses;

10 (ii) set the fees for the separated deer combination licenses and the elk combination licenses without
11 the deer tag;

12 (iii) condition the use of the deer licenses; and

13 (iv) limit the number of licenses sold.

14 (b) The commission may exercise the rulemaking authority in subsection (4)(a) when it is necessary
15 and appropriate to regulate the harvest by nonresident big game combination license holders:

16 (i) for the biologically sound management of big game populations of elk, deer, and antelope;

17 (ii) to control the impacts of those elk, deer, and antelope populations on uses of private property; and

18 (iii) to ensure that elk, deer, and antelope populations are at a sustainable level as provided in 87-1-

 - 6 (vi) availability of public and private lands; and
 - 7 (vii) whether restrictions on nonresident hunters are more appropriate than restrictions on all hunters.
- 8 (6) The commission may not regulate the use or possession of firearms, firearm accessories, or
- 9 ammunition, including the chemical elements of ammunition used for hunting. This does not prevent:
- 10 (a) the restriction of certain hunting seasons to the use of specified hunting arms, such as the
 - 11 establishment of special archery seasons;
 - 12 (b) for human safety, the restriction of certain areas to the use of only specified hunting arms,
 - 13 including bows and arrows, traditional handguns, and muzzleloading rifles;

24 **"87-1-303. Rules for use of lands and waters.** (1) Except as provided in 23-1-111, 87-1-301(6), and

25 subsection (3) of this section, the commission may adopt and enforce rules governing uses of lands that are

26 acquired or held under easement by the commission or lands that it operates under agreement with or in

27 conjunction with a federal or state agency or private owner. The rules must be adopted in the interest of public

28 health, public safety, and protection of property in regulating the use of these lands. All lease and easement

1 agreements must itemize uses as listed in 87-1-209.

2 (2) Except as provided in 87-1-301(6), the commission may adopt and enforce rules governing
3 recreational uses of all public fishing reservoirs, public lakes, rivers, and streams that are legally accessible to
4 the public or on reservoirs and lakes that it operates under agreement with or in conjunction with a federal or
5 state agency or private owner. These rules must be adopted in the interest of public health, public safety, public
6 welfare, and protection of property and public resources in regulating swimming, hunting, fishing, trapping,
7 boating, including but not limited to boating speed regulations, the operation of motor-driven boats, the

14 that endorsement.

15 (3) (a) The commission may not regulate or classify domestic livestock trailing as a commercial
16 activity or commercial use that is subject to licensing, permitting, or fee requirements. Domestic livestock
17 trailing on land owned or controlled by the department is exempt from the requirements of Title 75, chapter 1,
18 parts 1 through 3.

19 (b) The commission may authorize domestic livestock trailing across land owned or controlled by the
20 department that is designated as a wildlife management area. The commission may adopt rules governing the
21 timing of and the route to be used for domestic livestock trailing activities to the extent that the rules are
22 necessary both to enable the trailing of domestic livestock across the designated wildlife management area and
23 to protect and enhance state lands. The rules may not:

- 24 (i) require a fee for domestic livestock trailing or related activities; or
- 25 (ii) prohibit or unreasonably interfere with domestic livestock trailing activities.

26 (4) The commission shall adopt rules prohibiting the possession of exploding targets on land owned
27 pursuant to subsection (1) or public waters managed pursuant to subsections (1) and (2) when the department
28 of natural resources and conservation determines dangerous fire conditions exist.
