9
10 **Section 1.** Section 69-12-201, MCA, is amended to read:

11 **"69-12-201. Supervision and regulation of motor carriers.** (1) The commission has the power and
12 authority and it is its duty to:

- 13 (a) supervise and regulate every motor carrier in this state;
- 14 (b) fix, alter, regulate, and determine specific, just, reasonable, equal, nondiscriminatory, and
15 sufficient rates, fares, charges, and classifications for Class A ~~and Class B~~ motor carriers;
- 16 (c) regulate the properties, facilities, operations, accounts, service, practices, and affairs of all motor
17 carriers;
- 18 (d) require the filing of annual and other reports, tariffs, schedules, or other data by motor carriers;
- 19 (e) supervise and regulate motor carriers in all matters affecting the relationship between motor
20 carriers and the traveling and shipping public.

21 (2) The commission may, by general order or otherwise, prescribe rules in conformity with this
22 chapter and applicable to any and all motor carriers.

23 (3) The commission may fix and determine reasonable maximum or minimum rates for the operations
24 of any Class C motor carrier when rates are required for the best interests of public transportation."
25

26 **Section 2.** Section 69-12-312, MCA, is amended to read:

27 **"69-12-312. Class B motor carrier certificate.** (1) (a) A Class B motor carrier may not transport
28 persons for hire on any public highway in this state without obtaining, pursuant to this chapter, a certificate of

1 compliance.

2 (b) A Class B motor carrier may not transport property or persons and property for hire on any public
3 highway in this state without obtaining, pursuant to this chapter, a certificate of public convenience and
4 necessity.

5 (2) A Class B motor carrier shall apply for a certificate in writing, separately for each locality under
6 consideration. The application must be verified by the applicant and specify the following:

7 (a) the name and address of the applicant and its officers, if any;

8 (b) the kind of transportation, whether passenger, household goods, or both, together with a full and
9 complete description of the character of the vehicle or vehicles to be used, including the seating capacity of any
10 vehicle to be used for passenger traffic and the tonnage capacity of any vehicle to be used in household goods
11 traffic;

12 (c) the locality and character of operations to be conducted;
