18	H20-20. Questions of order and privilege appeal restrictions definitions. (1) The Speaker

2	(5) There will be six subcommittees of the Committee on Appropriations, Education, General
3	Government, Health and Human Services, Natural Resources and Transportation, Judicial Branch, Law
4	Enforcement, and Justice, and Long-Range Planning. Each member serving on the Appropriations Committee
5	must be appointed to at least one of the subcommittees.
6	(6) The Speaker shall give notice of each appointment to the Chief Clerk for publication.
7	(7) (a) The Speaker may, in the Speaker's discretion or as authorized by the House, create and
8	appoint select committees, designating the chairman and vice chairman of the select committee with the
9	approval of the House by a majority vote. Select committees may request or receive legislation in the same
10	manner as a standing committee and are subject to the rules of standing committees.
11	(b) A change by the Speaker of select committee appointment or the filling of a vacancy must be
12	approved by the House by a majority vote.
13	(8) (a) The Speaker shall appoint all conference, select, and special committees with the advice of the

16	a vacancy must be approved by the House by a majority vote.
17	(9) (a) (i) Except as provided in subsection (9)(b), the House may change the membership of any

2	40-200;
3	(c) maintain order and decide all questions of order subject to appeal to the committee;
4	(d) supervise and direct staff of the committee;

8	and
9	(h) inform the Speaker of committee activity.
10	(2) With the exception of the House Appropriations subcommittees, a subcommittee of a standing
11	committee may be appointed by the chairman of the committee. The chairman of the standing committee shall
12	appoint the chairman of the subcommittee.
13	H30-30. Quorum officers as members. (1) A quorum of a committee is a majority of the members
14	of the committee. A quorum of a committee must be present at a meeting to act officially. A quorum of a
15	committee may transact business, and a majority of the quorum, even though it is a minority of the committee,
16	is sufficient for committee action.
17	(2) The Speaker, the majority leader, and the minority leader are ex officio, nonvoting members of all
18	House committees. They may count toward establishing a quorum.
19	H30-40. Meetings purpose notice minutes. (1) All meetings of committees must be open to the
20	public at all times, subject always to the power and authority of the chairman to maintain safety, order, and
21	decorum. The date, time, and place of committee meetings must be posted.
22	(2) A committee or subcommittee may be assembled for:
23	(a) a public hearing at which testimony is to be heard and at which official action may be taken on bills,
24	resolutions, or other matters;
25	(b) a formal meeting at which the committees may discuss and take official action on bills, resolutions,
26	or other matters without testimony; or
27	(c) a work session at which the committee may discuss bills, resolutions, or other matters but take no
28	formal action.

1	(3) (a) All committees meet at the call of the chairman or upon the request of a majority of the
2	members of the committee.
3	(b) A committee, through motion, may schedule a bill within the possession of the committee for a
4	hearing prior to 3 legislative days before the applicable transmittal deadline for the bill as provided in Joint Rule
5	40-200.
6	(4) All committees shall provide for and give public notice, reasonably calculated to give actual notice
7	to interested persons, of the time, place, and subject matter of regular and special meetings. All committees are
8	encouraged to provide at least 3 legislative days' notice to members of committees and the general public.
9	However, a meeting may be held upon notice appropriate to the circumstances.
10	(5) A committee may not meet during the time the House is in session without leave of the Speaker.
11	Any member attending such a meeting must be considered excused to attend business of the House subject to
12	a call of the House.
13	(6) All meetings of committees must be recorded and the minutes must be available to the public within
14	a reasonable time after the meeting. The official record must contain at least the following information:
15	(a) the time and place of each meeting of the committee;
16	(b) committee members present, excused, or absent;
17	(c) the names and addresses of persons appearing before the committee, whom each represents, and
18	whether the person is a proponent, opponent, or other witness;
19	(d) all motions and their disposition;
20	(e) the results of all votes;

24	the sponsor of any bill pending before the committee of the time and place it will be considered.
25	(2) A standing or select committee may not take up referred legislation unless the sponsor or one of
26	the cosponsors is present or unless the sponsor has given written consent. The chairman shall attempt to not
27	schedule Senate bills while the Senate is in session.
28	(3) (a) Subject to H30-60 and subsection (3)(b), the committee shall act on each bill in its possession

1 and that has had a hearing prior to the last legislative day before the applicable transmittal deadline for the bill 2 as provided in Joint Rule 40-200: 3 (i) by reporting the bill out of the committee: 4 (A) with the recommendation that it be referred to another committee; 5 (B) favorably as to passage; or 6 (C) unfavorably; or 7 (ii) by tabling the measure in committee. 8 (b) Except as provided in subsection (3)(c), at the written request of the sponsor made at least 48 9 hours prior to a scheduled hearing, a bill may be withdrawn by the sponsor without a hearing. A bill may not be 10 reported from a committee without a hearing. 11 (c) A bill may not be withdrawn by the sponsor after a hearing. 12 (4) The committee may not report a bill to the House without recommendation. 13 (5) The committee may recommend that a bill on which it has made a favorable recommendation by 14 unanimous vote be placed on the consent calendar. A tie vote in a standing committee on the question of a 15 recommendation to the whole House on a matter before the committee, for example on a question of whether a 16 bill is recommended as "do pass" or "do not pass", does not result in the matter passing out to the whole House 17 for consideration without recommendation. 18 (6) In reporting a measure out of committee, a committee shall include in its report: 19 (a) the measure in the form reported out; 20 (b) the recommendation of the committee; 21 (c) an identification of all substantive changes; and 22 (d) a fiscal note, if required and available. 23 (7) If a measure is withdrawn from a committee and brought to the House floor for debate on second 24 reading on that day without a committee recommendation, the bill does not include amendments formally 25 adopted by the committee because committee amendments are merely recommendations to the House that are 26 formally adopted when the committee report is accepted by the House. 27 (8) A second to any motion offered in a committee is not required in order for the motion to be 28 considered by the committee.

1 (9) The vote of each member on all committee actions must be recorded. All motions may be adopted 2 only on the affirmative vote of a majority of the members voting. Standing and select committees may by a 3 majority vote of the committee authorize members to vote by proxy if absent, while engaged in other legislative 4 business or when excused by the presiding officer of the committee due to illness or an emergency. 5 Authorization for absentee or proxy voting must be reflected in the committee minutes. 6 (10) A motion to take a bill from the table may be adopted by the affirmative vote of a majority of the 7 members present at any meeting of the committee. 8 (11) An action formally taken by a committee may not be altered in the committee except by 9 reconsideration and further formal action of the committee. 10 (12) A committee may reconsider any action as long as the matter remains in the possession of the 11 committee. A committee member need not have voted with the prevailing side in order to move reconsideration. 12 (13) (a) Except as provided in subsection (13)(b), legislation requested by a committee requires three-13 fourths of all members of the committee to vote in favor of the question to allow the committee to request the 14 drafting or introduction of legislation. Votes requesting drafting and introduction of committee legislation may be 15 taken jointly or separately. 16 (b) The House Appropriations committee may request the drafting and introduction of legislation by a 17 majority vote of all of the members of the committee. 18 (14) The chairman shall decide points of order. 19 (15) The privileges of committee members include the following: 20 (a) to participate freely in committee discussions and debate; 21 (b) to offer motions; 22 (c) to assert points of order and privilege; 23 (d) to question witnesses upon recognition by the chairman; 24 (e) to offer any amendment to any bill: and 25 (f) to vote, either by being present or by proxy if authorized pursuant to subsection (9), using a 26 standard form or through the vice chairman or minority vice chairman. 27 (16) Any meeting of a committee held through the use of telephone or other electronic communication 28 must be conducted in accordance with Chapter 3 of the House Rules.

1 (17) A committee may consolidate into one bill any two or more related bills referred to it whenever 2 legislation may be simplified by the consolidation. 3 (18) Committee procedure must be informal, but when any questions arise on committee procedure, 4 the rules or practices of the House are applicable except as stated in the House Rules. 5 H30-60. Public testimony -- decorum -- time restrictions. (1) Testimony from proponents, 6 opponents, and informational witnesses must be allowed on every bill or resolution before a standing or select 7 committee. All persons, other than the sponsor, offering testimony shall register on the committee witness list. 8 (2) Any person wishing to offer testimony to a committee hearing a bill or resolution must be given a 9 reasonable opportunity to do so, orally or in writing. Written testimony may not be required of any witness, but 10 all witnesses must be encouraged to submit a statement in writing for the committee's official record. 11 (3) The chairman may order the committee room cleared of visitors if there is disorderly conduct. During committee meetings, visitors may not speak unless called upon by the chairman. Restrictions on time 12 13 available for testimony may be announced. 14 (4) The number of people in a committee room may not exceed the maximum posted by the State Fire Marshal. The chairman shall maintain that limit. 15 16 (5) In any committee meeting, the use of cameras, television, radio, or any form of telecommunication 17 equipment is allowed, but the chairman may designate the areas of the hearing room from which the equipment 18 must be operated. Cell phone use is allowed only at the discretion of the chairman. **CHAPTER 4** 19 20 Legislation 21 H40-10. Introduction deadlines. If a representative accepts drafted legislation from the Legislative 22 Services Division after the deadline for preintroduction, the representative may not introduce that legislation 23 after 2 legislative days from the time the bill was accepted from the Legislative Services Division. 24 H40-20. House resolutions. (1) A House resolution is used to adopt or amend House rules, make 25 recommendations on the districting and apportionment plan (Montana Constitution, Art. V, Sec. 14), express 26 the sentiment of the House, or assist House operations. 27 (2) As to drafting, introduction, and referral, a House resolution is treated as a bill. A House resolution 28 may be requested and introduced at any time. Final passage of a House resolution is determined by the

1 Committee of the Whole report. A House resolution does not progress to third reading. 2 (3) The Chief Clerk shall transmit a copy of each passed House resolution to the Senate and the 3 Secretary of State. 4 H40-30. Cosponsors. (1) Prior to submitting legislation to the Chief Clerk for introduction, the chief 5 sponsor may add representatives and senators as cosponsors. A legislator shall sign the cosponsor form 6 attached to the legislation in order to be added as a cosponsor. 7 (2) After legislation is submitted for introduction but before the legislation returns from the first House 8 committee, the chief sponsor may add or remove cosponsors by filing a cosponsor form with the Chief Clerk. 9 This filing must be noted by the Chief Clerk for the record on Order of Business No. 11. 10 H40-40. Introduction -- receipt -- messages from Senate and elected officials. (1) During a 11 session, proposed House legislation may be introduced in the House by submitting it, endorsed with the 12 signature of a representative as chief sponsor, to the Chief Clerk for introduction. Except for the first 15 bill 13 numbers that may be reserved for preintroduced legislation, in each session of the Legislature, the proposed 14 legislation must be numbered consecutively by type in the order of receipt. Submission and numbering of properly endorsed legislation constitutes introduction. 15 16 (2) Preintroduction of legislation prior to a session under provisions of the joint rules constitutes 17 introduction in the House. 18 (3) Acknowledgment by the Chief Clerk of receipt of legislation or other matters transmitted from the 19 Senate for consideration by the House constitutes introduction of the Senate legislation in the House or receipt

20 by the House for purposes of applying time limits contained in the House rules. All legislation may be referred to 21 a committee prior to being read across the rostrum as provided in H40-50.

22 (4) Acknowledgment by the Chief Clerk of receipt of messages from the Senate or other elected 23 officials constitutes receipt by the House for purposes of any applicable time limit. Senate legislation or 24 messages received from the Senate or elected officials are subject to all other rules.

25 H40-50. First reading -- receipt of Senate legislation. Legislation properly introduced or received in 26 the House must be announced across the rostrum and public notice provided. This announcement constitutes 27 first reading, and no debate or motion is in order except that a representative may guestion adherence to rules. 28 Acknowledgment by the Chief Clerk of receipt of legislation transmitted from the Senate commences the time

1 limit for consideration of the legislation. All legislation received by the House may be referred to a committee

2 prior to being read across the rostrum.

H40-60. One reading per day -- exception. Except on the final legislative day, legislation may receive
no more than one reading per legislative day. On the final legislative day, legislation may receive more than one
reading.

6 H40-70. Referral. (1) The Speaker shall refer to a House committee, joint select committee, or joint

7 special committee all properly introduced House legislation and transmitted Senate legislation in conformity with

8 the House Rules Appendix and within 2 legislative days of introduction or transmission.

9 (2) Legislation may not receive final passage and approval unless it has been referred to a House 10 committee, joint select committee, or joint special committee.

H40-80. Rereferral -- Appropriations Committee rereferral -- normal progression. (1) Legislation that is in the possession of the House and that has not had a House hearing in the currently assigned House committee may be rereferred to a House committee in accordance with the House Rules Appendix, by House motion approved by a majority of the members present and voting.

(2) (a) With the consent of the majority leader, the minority leader, and the bill sponsor, legislation that
has passed second reading in the Committee of the Whole and that has been rereferred to the Appropriations
Committee and is reported from committee without amendments may be placed on third reading.

(b) Prior to being placed on third reading, legislation rereferred must be sent to be processed and
 reproduced as a third reading version and specifically marked as having been passed on second reading and
 rereferred to the House Appropriations Committee and reported from the committee without amendments.

(3) (a) The normal progress of legislation through the House consists of the following steps in the order
listed: introduction; referral to a standing or select committee; a report from the committee; second reading; and
third reading.

(b) A motion to remove legislation from its normal progress through the House as provided in
 subsection (3)(a) by House motion must be approved by not less than the number of members in the majority
 caucus currently serving in the House.

H40-90. Legislation withdrawn from committee. Legislation may be withdrawn from a House
 committee after a committee hearing on the legislation by House motion approved by not less than the number

1 of members in the majority caucus currently serving in the House.

- 2 H40-100. Standing committee reports -- requirement for rejection of adverse committee report.
- 3 (1) A House standing committee recommendation of "do pass" or "be concurred in" must be announced across
- 4 the rostrum and, if there is no objection to form, is considered adopted.
- 5 (2) A recommendation of "do not pass" or "be not concurred in" must be announced across the rostrum

6 and, on the following legislative day, may be debated and adopted or rejected on Order of Business No. 2. A

7 motion to reject an adverse committee report must be approved by a majority of the members voting. Failure to

8 adopt a motion to reject an adverse committee report constitutes adoption of the report.

9 (3) If the House rejects an adverse committee report, the bill progresses to second reading, as
10 scheduled by the Speaker, with any amendments recommended by the committee.

H40-110. Consent calendar procedure. (1) Noncontroversial bills and simple and joint resolutions
 may be recommended for the consent calendar by a standing committee and processed according to the
 following provisions:

(a) To be eligible for the consent calendar, the legislation must receive a unanimous vote by the
members of the standing committee in attendance (do pass, do pass as amended). In addition, a motion must
be made and passed unanimously to place the legislation on the consent calendar and this action reflected in
the committee report. Appropriation or revenue bills may not be recommended for the consent calendar.

(b) The legislation must then be sent to be processed and reproduced as a third reading version and
specifically marked as a "consent calendar" item.

(2) Other legislation may be placed on the consent calendar by agreement between the Speaker and
 the minority leader following a positive recommendation by a standing committee. The legislation must be sent
 to be processed as a second reading version but must be specifically announced and posted as a "consent
 calendar" item.

(3) Legislation must be posted immediately (as soon as it is received appropriately printed) on the
consent calendar and must remain there for 1 legislative day before consideration under Order of Business No.
11, special orders of the day. At that time, the presiding officer shall announce consideration of the consent
calendar and allow "reasonable time" for questions and answers upon request. No debate is allowed.

28 (4) If any one representative submits a written objection to the placement of legislation on the consent

67th Legislature LC 3051 1 calendar, the legislation must be removed from the consent calendar and added to the regular second reading 2 board. 3 (5) Consent calendar legislation will be considered on Order of Business No. 8, third reading of bills, 4 following the regular third reading agenda, as separately noted on the agenda. 5 (6) Legislation on the consent calendar must be considered individually with the roll call vote spread on 6 the journal as the final vote in the House. 7 (7) Legislation passed on the consent calendar must then be transmitted to the Senate. Legislation 8 must be appropriately printed prior to transmittal. 9 H40-120. Legislation requiring other than a majority vote. Legislation that requires other than a 10 majority vote for final passage needs only a majority vote for any action that is taken prior to third reading and 11 that normally requires a majority vote. 12 H40-130. Amending House second and third reading agendas -- vote requirements. (1) A majority 13 of representatives present may rearrange or remove legislation from either the second or third reading agenda 14 on that legislative day. 15 (2) (a) Legislation reported out of committee may be added to the second reading agenda on that 16 legislative day on a motion approved by a majority of the members present and voting. (b) Legislation reported out of the Committee of the Whole may be added to the third reading agenda 17 18 on 1 day's notice on a motion approved by a majority of the members present and voting. 19 H40-140. Second reading -- timing -- obverse vote on failed motion -- status of amendments --20 rejection of report -- segregation. (1) Legislation returned or withdrawn from committee by motion must be 21 placed on second reading prior to the transmittal deadlines provided for in Joint Rule 40-200 that are applicable 22 to each piece of legislation. 23 (2) The House shall form itself into a Committee of the Whole to consider business on second reading. 24 The Committee of the Whole may debate legislation, attach amendments, and recommend approval or 25 disapproval of legislation. 26 (3) Except on the final legislative day, at least 1 legislative day must elapse between the time 27 legislation is reported from committee and the time it is considered on second reading. 28 (4) If a motion to recommend that a bill "do pass" or "be concurred in" fails in the Committee of the LC 3051 - 19 -

Whole, the obverse, i.e., a recommendation that the bill "do not pass" or "be not concurred in", is considered to 1 2 have passed. If a motion to recommend that a bill "do not pass" or "be not concurred in" fails in the Committee 3 of the Whole, the obverse, i.e., a recommendation that the bill "do pass" or "be concurred in", is considered to 4 have passed. 5 (5) An amendment attached to legislation by the Committee of the Whole remains unless removed by 6 further legislative action. 7 (6) When the Committee of the Whole reports to the House, the House shall adopt or reject the 8 Committee of the Whole report. If the House rejects the Committee of the Whole report, the legislation remains 9 on second reading, as amended by the Committee of the Whole, and must be acted on by the Committee of the 10 Whole by the next legislative day unless the House orders otherwise. 11 (7) A representative may move to segregate legislation from the Committee of the Whole report before 12 the report is adopted. Segregated legislation, as amended by the Committee of the Whole, must be placed on 13 second reading unless the House orders otherwise. Amendments adopted by the Committee of the Whole on 14 segregated legislation remain adopted unless reconsidered pursuant to H50-170 or unless the legislation is 15 rereferred to a committee. 16 H40-150. Amendments in the Committee of the Whole -- timing -- official records. (1) All 17 Committee of the Whole amendments must be prepared by the Legislative Services Division and checked by 18 the House amendments coordinator for format, style, clarity, consistency, and other factors, in accordance with 19 the most recent Bill Drafting Manual published by the Legislative Services Division, before the amendment may 20 be accepted at the rostrum. The amendment form must include the date and time the amendment is submitted 21 for that check.

(2) An amendment submitted to the rostrum for consideration by the Committee of the Whole must be
marked as checked by the amendments coordinator and signed by a representative. Unless the majority leader,
the minority leader, and sponsor agree, amendments must be printed and placed on the members' desks prior
to consideration.

26

(3) An amendment may not be proposed until the sponsor has opened on a bill.

27 (4) A copy of every amendment rejected by the Committee of the Whole must be kept as part of the28 official records.

1	(5) An amendment may not change the original purpose of the bill.
2	H40-160. Motions in the Committee of the Whole quorum required. (1) When the House resolves
3	itself into a Committee of the Whole, the only motions in order are to:
4	(a) recommend passage or nonpassage;
5	(b) recommend concurrence or nonconcurrence (Senate amendments to House legislation);
6	(c) amend;
7	(d) reconsider as provided in H50-170;
8	(e) pass consideration;
9	(f) call for cloture;
10	(g) change the order in which legislation is placed on the agenda; and
11	(h) rise, rise and report, or rise and report progress and beg leave to sit again.
12	(2) Subsections (1)(d) through (1)(f) and (1)(h) are nondebatable but may be amended. Once a motion
13	under subsection (1)(a) or (1)(b) is made, a contrary motion is not in order.
14	(3) The motions listed in subsection (1) may be made in descending order as listed.
15	(4) If a quorum of representatives is not present during second reading, the Committee of the Whole
16	may not conduct business on legislation and a motion for a call of the House without a quorum is in order.
17	H40-170. Limits on debate in the Committee of the Whole. (1) Except as provided in H40-180, a
18	representative may not speak more than once on the motion and may speak for no more than 5 minutes. The
19	representative who makes the motion may speak a second time for 5 minutes in order to close.
20	(2) (a) Except as provided in subsection (2)(b), after at least two proponents and two opponents have
21	spoken on a question and 30 minutes have elapsed from the point in time that the sponsor's opening remarks
22	on the motion end and debate on the motion begins, a motion to call for cloture is in order.
23	(b) (i) The 30-minute tolling requirement for a cloture motion made pursuant to subsection (2)(a) does
24	not include time spent on floor debate of a substitute motion to amend the original question.
25	(ii) Each substitute motion to amend the original question is subject to a cloture motion and the cloture
26	requirements provided for in this rule.
27	(iii) Once a substitute motion to amend is dispensed with and there are no other substitute motions to
28	amend, the 30-minute tolling requirement for the original question pursuant to subsection (2)(a) resumes from

1	the point in time in which the first substitute motion to amend was made.
2	(c) Approval by not less than two-thirds of the members present and voting is required to sustain a
3	motion for cloture. Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which
4	debate was ended may close.
5	(3) By previous agreement of the majority leader and the minority leader:
6	(a) a lead proponent and a lead opponent may be granted additional time to speak on a bill;
7	(b) a bill or resolution may be allocated a predetermined amount of time for debate and number of
8	speakers.
9	H40-180. Special provisions for debate on the general appropriations bill sections
10	amendments. (1) The Appropriations Committee chairman, in presenting the bill, is not subject to the 5-minute
11	speaking limitation.
12	(2) Each appropriations subcommittee chairman shall fully present the chairman's portion of the bill. A
13	subcommittee chairman is not subject to the 5-minute speaking limitation.
14	(3) After the presentation by the subcommittee chairman, the respective section of the bill is open for
15	debate, questions, and amendments. A proposed amendment to the general appropriations act may not be
16	divided.
17	(4) An amendment that affects more than one section of the bill must be offered when the first section
18	affected is considered.
19	(5) Following completion of the debate on each section, that section is closed and may not be
20	reopened except by majority vote.
21	(6) If a member moves to reopen a section for amendment, only the amendment of that member may
22	be entertained. Another member wishing to amend the same section shall make a separate motion to reopen
23	the section.
24	(7) Debate on the motion to reopen a section is limited to the question of reopening the section. The
25	amendment itself may not be debated at that time. This limitation does not prohibit the member from explaining
26	the amendment to be considered.
27	H40-190. Engrossing. (1) After legislation is passed on second reading, it must be engrossed within
28	48 hours under the direction of the Speaker. The Speaker may grant an additional 24 hours for engrossing.

1	(2) When the legislation that has passed second reading, as amended, has been correctly engrossed,
2	it must be placed on third reading on the following legislative day. If the bill is not amended, the bill must be
3	sent to printing and must be placed on third reading on the legislative day after receipt. On the final legislative
4	day, the correctly engrossed legislation may be placed on third reading on the same legislative day. For the
5	purposes of this rule, "engrossing" means placing amendments in a bill. (See Joint Rule 40-150.)
6	H40-200. Third reading. (1) All bills, joint resolutions, and Senate amendments to House bills and joint
7	resolutions passing second reading must be placed on third reading the day following the receipt of the
8	engrossing or other appropriate printing report.
9	(2) Legislation on third reading may not be amended or debated.
10	(3) The Speaker shall state the question on legislation on third reading. If a majority of the
11	representatives voting does not approve the legislation, it fails to pass third reading.
12	H40-210. Senate legislation in the House. Senate legislation properly transmitted to the House must
13	be treated as House legislation.
14	H40-220. Senate amendments to House legislation. (1) When the Senate has properly returned
15	House legislation with Senate amendments, the House shall announce the amendments on Order of Business
16	No. 4, and the Speaker shall place them on second reading for debate. The Speaker may, with the approval of
17	the House, rerefer House legislation with Senate amendments to a committee for a hearing if the Senate
18	amendments constitute a significant change in the House legislation. The second reading vote is limited to
19	consideration of the Senate amendments.
20	(2) If the House accepts Senate amendments, the House shall place the final form of the legislation on
21	third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.
22	(3) If the House rejects the Senate amendments, the House may request the Senate to recede from its
23	amendments or may direct appointment of a conference committee and request the Senate to appoint a like
24	committee.
25	H40-230. Conference committee reports. (1) When a House conference committee files a report, the
26	report must be announced under Order of Business No. 3.
27	(2) The House may debate and adopt or reject the conference committee report on second reading on
28	any legislative day. The House may reconsider its action in rejecting a conference committee report under rules

1	for reconsideration, H50-160.
2	(3) If both the House and the Senate adopt the same conference committee report on legislation
3	requiring more than a majority vote for final passage, the House, following approval of the conference
4	committee report on third reading, shall place the final form of the legislation on third reading to determine if the
5	required vote is obtained.
6	(4) If the House rejects a conference committee report, the committee continues to exist unless
7	dissolved by the Speaker or by motion. The committee may file a subsequent report.
8	(5) A House conference committee may confer regarding matters assigned to it with any Senate
9	conference committee with like jurisdiction and submit recommendations for consideration of the House.
10	H40-240. Enrolling. (1) When House legislation has passed both houses, it must be enrolled within 48
11	hours under the direction of the Speaker. The Speaker may grant an additional 24 hours for enrolling.
12	(2) The chief sponsor of the legislation shall examine the enrolled legislation and, if it has no enrolling
13	errors, shall, within 1 legislative day, certify the legislation as correctly enrolled.
14	(3) The correctly enrolled legislation must be delivered to the Speaker, who shall sign the legislation
15	within 1 day of receipt of the correctly enrolled legislation unless the bill sponsor concurs to delay the signing of
16	the enrolled legislation.
17	(4) After the legislation has been reported correctly enrolled but before it is signed, any representative
18	may examine the legislation. (See Joint Rule 40-160.)
19	H40-250. Governor's amendments. (1) (a) When the Governor returns a bill with recommended
20	amendments, the House shall announce the amendments under Order of Business No. 5.
21	(b) The Governor's amendments must be placed on the second reading agenda for consideration by
22	the Committee of the Whole or may be assigned to a committee in accordance with the House Rules Appendix
23	for a recommendation of adoption or rejection of the Governor's amendments.
24	(2) The House may debate and adopt or reject the Governor's recommended amendments on second
25	reading on any legislative day.
26	(3) If both the House and the Senate accept the Governor's recommended amendments on a bill that
27	requires more than a majority vote for final passage, the House shall place the final form of the legislation on

2	the veto under Order of Business No. 5.
3	(2) On any legislative day, a representative may move to override the Governor's veto by a two-thirds
4	vote under Order of Business No. 9.

6	Floor Actions
7	H50-10. Attendance excuse call of the House. (1) A representative, unless excused, is required
8	to be present at every sitting of the House.
9	(2) A representative may request in writing to be excused for a specified cause by the representative's
10	party leader. This excused absence is not a leave with cause from a call of the House.
11	H50-20. Quorum. (1) A quorum of the House is fifty-one representatives (Montana Constitution, Art. V,
12	Sec. 10).
13	(2) Any representative may question the lack of a quorum at any time a vote is not being taken. The
14	question is nondebatable, may not be amended, and is resolved by a roll call.
15	(3) The House may not conduct business without a quorum, except that representatives present may
16	convene, compel the attendance of absent representatives, or adjourn.
17	H50-30. Call of the House without a quorum. (1) In the absence of a quorum, a majority of the
18	representatives present may compel the attendance of absent representatives through a call of the House
19	without a quorum. The motion for the call is nondebatable, may not be amended, and is in order at any time it
20	has been established that a quorum is not present.
21	(2) During a call of the House, all business is suspended. No motion is in order except a motion to
22	adjourn or to remove the call.
23	(3) When a quorum has been achieved under the call, the call is automatically lifted. The call may also
24	be lifted by a successful motion to adjourn for the day or by two-thirds of the representatives present and
25	voting.
26	H50-50. Leave with cause during call of the House. (1) During a call of the House, a representative
27	with an overriding medical or personal reason may request a leave with cause.
28	(2) If the representative is present at the time of the call, the Speaker, with the approval of a majority of

representatives present, may approve a request for a leave with cause. (3) If the representative is not present at the time of the call, two-thirds of the representatives present and voting may approve a request for leave with cause. (4) During a call of the House, a representative on leave with cause may not cast an absentee vote. H50-60. Opening and order of business. The opening of each legislative day must include an invocation, the pledge of allegiance, and roll call. Following the opening, the order of business of the House is as follows: (1) communications and petitions; (2) reports of standing committees; (3) reports of select committees; (4) messages from the Senate; (5) messages from the Governor; (6) first reading and commitment of bills; (7) second reading of bills; (8) third reading of bills; (9) motions; (10) unfinished business; (11) special orders of the day; and (12) announcement of committee meetings. H50-65. Request to move to any order of business. (1) Except as provided in subsection (2), the Speaker pro tempore, the majority leader, or the minority leader may request that the House move to any order of business at any time.
