- 21 accumulated in the fund until the balance of the donated or granted funds is sufficient, as determined by the
- 22 department, to remediate the facility pursuant to the requirements of 75-10-721 for which the funds are
- 23 donated.
- 24           (c) If the balance of the fund created in this subsection (7), as determined by the department pursuant

2 remedial action, using the funds donated under this subsection (7).

3 (e) This subsection (7) is not intended to delay, to interfere with, or to diminish the authority or actions

11 result of the contribution of in-kind services.

12 (b) A person who donates in-kind services with respect to remediating a specific release at a specific  
13 facility is not liable under this part to any person for injuries, costs, damages, expenses, or other liability that

16 economic loss.

17 (c) Immunity from liability, pursuant to subsection (8)(b), does not apply in the case of a release that is  
18 caused by conduct of the entity providing in-kind services that is negligent or grossly negligent or that  
19 constitutes intentional misconduct.

20 (d) When a person is liable under 75-10-715 for costs or damages incurred as a result of a release or  
21 threatened release of a hazardous or deleterious substance, the person may not avoid that liability or  
22 responsibility under 75-10-711 by subsequent donations of money or in-kind services under the provisions of  
23 subsection (7) and this subsection (8).

24 (e) Any donated in-kind services that are employed as part of a remedial action pursuant to this  
25 subsection (8) must be approved by the department as appropriate remedial action. (Subsection ~~(4)(j)~~ (4)(k)
