

1 _____ RESOLUTION NO. _____

2 INTRODUCED BY _____
3 (Primary Sponsor)

4 A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF
5 MONTANA URGING THE PRESIDENT OF THE UNITED STATES AND THE UNITED STATES CONGRESS
6 TO END THE ENDLESS WAR IN AFGHANISTAN, TO REPEAL THE 2001 AUTHORIZATION FOR USE OF
7 MILITARY FORCE, TO TAKE NO ACTION TO EMPLOY MILITARY FORCES OF THE UNITED STATES IN
8 ACTIVE DUTY COMBAT UNLESS THE UNITED STATES CONGRESS HAS PASSED AN OFFICIAL
9 DECLARATION OF WAR OR HAS TAKEN AN OFFICIAL ACTION OR RENEWED ACTION TO AUTHORIZE
10 THE USE OF MILITARY FORCE, AND TO EXECUTE A PRUDENT FOREIGN POLICY.

11
12 WHEREAS, Article I, section 8, of the Constitution of the United States vests in the United States
13 Congress the exclusive power to declare war; and

14 WHEREAS, despite the clear language of the Constitution of the United States, the United States
15 Congress has abdicated its constitutional duty, too often vesting the power to make war solely in the Executive
16 Branch; and

17 WHEREAS, the first President, George Washington, wrote: "The Constitution vests the power of
18 declaring war in Congress; therefore no offensive expedition of importance can be undertaken until after they
19 shall have deliberated upon the subject and authorized such a measure"; and

20 WHEREAS, the father of the Constitution of the United States and the fourth President, James
21 Madison, wrote: "The Constitution supposes, what the history of all governments demonstrates, that the
22 Executive is the branch of power most interested in war, and most prone to it... It has accordingly with studied
23 care vested the question of war in the Legislature"; and

24 WHEREAS, the author of the Declaration of Independence and the third President, Thomas Jefferson,
25 wrote: "We have already given in example one effectual check to the dog of war by transferring the power of
26 letting him loose from the Executive to the Legislative body..." and "Considering that Congress alone is
27 constitutionally invested with the power of changing our condition from peace to war, I have thought it my duty
28 to await their authority for using force in any degree which could be avoided"; and

1 WHEREAS, another constitutional framer and the first Secretary of the Treasury, Alexander Hamilton,
2 wrote: "The Congress shall have the power to declare war"; the plain meaning of which is that it is the peculiar
3 and exclusive duty of the United States Congress, when the nation is at peace, to change that state into a state
4 of war; and

5 WHEREAS, contrary to these clear intentions of the Founding Fathers, the United States Congress has
6 not declared war in over 70 years, and the nation has since gone to war repeatedly at the direction of the
7 Executive Branch; and

8 WHEREAS, even when the United States Congress has passed authorizations for the use of military
9 force in the past 70 years, they have featured broad and unspecific language that has consistently empowered
10 the Executive Branch to engage in open-ended war with little to none of the oversight and debate about our
11 foreign policy that the Founding Fathers intended; and

12 WHEREAS, less than one-fifth of current members of the United States Congress voted on the 2001
13 Authorization for the Use of Military Force, the authority for sending American troops into war in Afghanistan;
14 and

15 WHEREAS, the United States was justified in its initial response to the 9/11 attacks, and through their
16 valiant efforts our military long ago accomplished our principal strategic goals of bringing the perpetrators to
17 justice, decimating core Al-Qaeda, and severely punishing the Taliban; and

18 WHEREAS, the United States' continued nation-building attempts in Afghanistan ever since have
19 resulted in the longest war in American history, now old enough that children of our first war fighters can join the
20 military and be deployed to the same war zone their parents served; and

21 WHEREAS, due to its broad and unspecific language, the 2001 Authorization for the Use of Military
22 Force has been invoked over 41 times to deploy United States troops to over 19 countries since 2001, far
23 beyond the intended scope of its sponsors; and

24 WHEREAS, the decision to put an American troop in harm's way is among the most important votes a
25 Legislator can take; and

26 WHEREAS, Montana is home to Malmstrom Air Force Base, nearly 9,000 active duty and reserve
27 military personnel, and over 92,000 veterans, giving it the third-highest percentage of veteran residents of any
28 state; and

1 WHEREAS, the United States' post-9/11 wars have carried a heavy price, including more than 7,000
2 service members lost, over 53,000 wounded, an estimated 1.1 million veterans who have developed service-
3 connected disabilities, and over \$6.4 trillion spent; and

4 WHEREAS, the costs of these open-ended conflicts include an increase in Post-Traumatic Stress
5 Syndrome, faced by nearly a quarter of Iraq and Afghanistan veterans, and veteran suicides, which have
6 increased a shocking 43% between 2005 and 2017 to nearly 17 a day; and

7 WHEREAS, over two-thirds of American veterans support bringing our troops home from Afghanistan,
8 according to 2021 polling.

9

10 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF
11 THE STATE OF MONTANA:

12 (1) That the President of the United States and the United States Congress be urged to take no action
13 to employ military forces of the United States in active-duty combat unless and until the United States Congress
14 has passed an official declaration of war or has taken an official action or renewed action to authorize the use
15 of military force save in instances when our forces must respond to attack.

16 (2) That the President of the United States and the United States Congress be urged to repeal the
17 2001 Authorization for the Use of Military Force and to ensure any future authorizations feature geographic and
18 mission-specific language on their intended scope, regular reporting on their use, and automatic sunsets to
19 require their periodic review, debate, and approval by recorded vote.

20 (3) That the State of Montana call on the President of the United States and the United States
21 Congress to continue to follow through on the progress made since February 2020 toward a full withdrawal
22 from Afghanistan, and to end any periods of endless or perpetual armed conflict with no clear conditions of
23 conclusion or connection to our vital national interests that risk the lives of our military members.

24 (4) That the State of Montana reaffirm its support of our armed forces who have sworn to protect and
25 defend our nation's freedom and prosperity.

26 (5) That the Secretary of State send a copy of this resolution to the President of the United States, the
27 Majority Leader of the United States Senate, the Speaker of the United States House of Representatives, and
28 the members of the Montana Congressional Delegation with the request that this resolution be officially entered

1 into the congressional record.
