28 Article III. Elements Of Income Tax Laws

1 Taxpayer Option, State and Local Taxes

2 (1) Any taxpayer subject to an income tax whose income is subject to apportionment and allocation
3 for tax purposes pursuant to the laws of a party state or pursuant to the laws of subdivisions in two or more
4 party states may elect to apportion and allocate the taxpayer's income in the manner provided by the laws of
5 such state or by the laws of such states and subdivisions without reference to this compact or may elect to
6 apportion and allocate in accordance with Article IV. This election for any tax year may be made in all party
7 states or subdivisions thereof or in any one or more of the party states or subdivisions thereof without reference
8 to the election made in the others. For the purposes of this subsection, taxes imposed by subdivisions shall be
9 considered separately from state taxes and the apportionment and allocation also may be applied to the entire
10 tax base. In no instance wherein Article IV is employed for all subdivisions of a state may the sum of all
11 apportionments and allocations to subdivisions within a state be greater than the apportionment and allocation
12 that would be assignable to that state if the apportionment or allocation were being made with respect to a state
13 income tax.

14 Taxpayer Option, Short Form

15 (2) Each party state or any subdivision thereof which imposes an income tax shall provide by law that
16 any taxpayer required to file a return whose only activities within the taxing jurisdiction consist of sales and do
17 not include owning or renting real estate or tangible personal property and whose dollar volume of gross sales
18 made during the tax year within the state or subdivision, as the case may be, is not in excess of \$100,000 may
19 elect to report and pay any tax due on the basis of a percentage of such volume and shall adopt rates which
20 shall produce a tax which reasonably approximates the tax otherwise due. The multistate tax commission, not
21 more than once in 5 years, may adjust the \$100,000 figure in order to reflect such changes as may occur in the
22 real value of the dollar, and such adjusted figure, upon adoption by the commission, shall replace the \$100,000
23 figure specifically provided herein. Each party state and subdivision thereof may make the same election
24 available to taxpayers additional to those specified in this subsection.

25 Coverage

26 (3) Nothing in this article relates to the reporting or payment of any tax other than an income tax.

27 Article IV. Division Of Income

28 (1) As used in this article, unless the context otherwise requires:

1 (a) "apportionable income" means:

2 (i) all income that is apportionable under the Constitution of the United States and is not allocated
3 under the laws of this state, including:

4 (A) income arising from transactions and activity in the regular course of the taxpayer's trade or
5 business, and

6 (B) income arising from tangible and intangible property if the acquisition, management, employment,
7 development, or disposition of the property is or was related to the operation of the taxpayer's trade or
8 business; and

9 (ii) any income that would be allocable to this state under the Constitution of the United States but that
10 is apportioned rather than allocated pursuant to the laws of this state;

11 (b) "commercial domicile" means the principal place from which the trade or business of the taxpayer
12 is directed or managed;

13 ~~(c) "compensation" means wages, salaries, commissions, and any other form of remuneration paid to~~
14 ~~employees for personal services;~~

15 ~~(d)~~(c) "financial organization" means any bank, trust company, savings bank, industrial bank, land
16 bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank,
17 small loan company, sales finance company, investment company, or any type of insurance company;

18 ~~(e)~~(d) "nonapportionable income" means all income other than apportionable income;

19 ~~(f)~~(e) "public utility" means any business entity:

20 (i) which owns or operates any plant, equipment, property, franchise, or license for the transmission of
21 communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale,
22 delivery, or furnishing of electricity, water, or steam; and

23 (ii) whose rates of charges for goods or services have been established or approved by a federal,
24 state, or local government or governmental agency;

25 ~~(g)~~(f) "receipts" means all gross receipts of the taxpayer that are not allocated under paragraphs of
26 this article and that are received from transactions and activity in the regular course of the taxpayer's trade or
27 business, except that receipts of a taxpayer from hedging transactions and from the maturity, redemption, sale,
28 exchange, loan, or other disposition of cash or securities shall be excluded;

1 ~~(h)~~(g) "state" means any state of the United States, the District of Columbia, the Commonwealth of
2 Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision
3 thereof;

4 ~~(i)~~(h) "this state" means the state in which the relevant tax return is filed or, in the case of application
5 of this article to the apportionment and allocation of income for local tax purposes, the subdivision or local
6 taxing district in which the relevant tax return is filed.

7 (2) Any taxpayer having income from business activity which is taxable both within and without this
8 state, other than activity as a financial organization or public utility or the rendering of purely personal services
9 by an individual, shall allocate and apportion the taxpayer's net income as provided in this article. If a taxpayer
10 has income from business activity as a public utility but derives the greater percentage of the taxpayer's income
11 from activities subject to this article, the taxpayer may elect to allocate and apportion the taxpayer's entire net
12 income as provided in this article.

13 (3) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in
14 another state if:

15 (a) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a
16 franchise tax for the privilege of doing business, or a corporate stock tax; or

17 (b) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact,
18 the state does or does not do so.

19 (4) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or
20 patent or copyright royalties, to the extent that they constitute nonapportionable income, shall be allocated as
21 provided in subsections (5) through (8) of this article.

22 (5) (a) Net rents and royalties from real property located in this state are allocable to this state.

23 (b) Net rents and royalties from tangible personal property are allocable to this state:

24 (i) if and to the extent that the property is utilized in this state; or

25 (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not
26 organized under the laws of or taxable in the state in which the property is utilized.

27 (c) The extent of utilization of tangible personal property in a state is determined by multiplying the
28 rents and royalties by a fraction, the numerator of which is the number of days of physical location of the

1 property in the state during the rental or royalty period in the taxable year and the denominator of which is the
2 number of days of physical location of the property everywhere during all rental or royalty periods in the taxable
3 year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by
4 the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the
5 rental or royalty payer obtained possession.

6 (6) (a) Capital gains and losses from sales of real property located in this state are allocable to this
7 state.

8 (b) Capital gains and losses from sales of tangible personal property are allocable to this state if:

9 (i) the property had a situs in this state at the time of the sale; or

10 (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in
11 which the property had a situs.

12 (c) Capital gains and losses from sales of intangible personal property are allocable to this state if the
13 taxpayer's commercial domicile is in this state.

14 (7) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this
15 state.

16 (8) (a) Patent and copyright royalties are allocable to this state:

17 (i) if and to the extent that the patent or copyright is utilized by the payer in this state; or

18 (ii) if and to the extent that the patent or copyright is utilized by the payer in a state in which the
19 taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

20 (b) A patent is utilized in a state to the extent that it is employed in production, fabrication,
21 manufacturing, or other processing in the state or to the extent that a patented product is produced in the state.
22 If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures
23 do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile
24 is located.

25 (c) A copyright is utilized in a state to the extent that printing or other publication originates in the
26 state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting
27 procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's
28 commercial domicile is located.

1 (9) All apportionable income shall be apportioned to this state by multiplying the income by a fraction,
2 the numerator of which is the property factor plus the payroll factor plus the receipts factor and the denominator
3 of which is ~~3~~ the receipts factor.

4 ~~(10) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real
5 and tangible personal property owned or rented and used in this state during the tax period and the
6 denominator of which is the average value of all the taxpayer's real and tangible personal property owned or
7 rented and used during the tax period.~~

8 ~~(11) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is
9 valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the
10 taxpayer less any annual rental rate received by the taxpayer from subrentals.~~

11 ~~(12) The average value of property shall be determined by averaging the values at the beginning and
12 ending of the tax period, but the tax administrator may require the averaging of monthly values during the tax
13 period if reasonably required to reflect properly the average value of the taxpayer's property.~~

14 ~~(13) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during
15 the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid
16 everywhere during the tax period.~~

17 ~~(14) Compensation is paid in this state if:~~

18 ~~(a) the individual's service is performed entirely within the state;~~

19 ~~(b) the individual's service is performed both within and without the state, but the service performed
20 without the state is incidental to the individual's service within the state; or~~

21 ~~(c) some of the service is performed in the state and:~~

22 ~~(i) the base of operations or, if there is no base of operations, the place from which the service is
23 directed or controlled is in the state; or~~

24 ~~(ii) the base of operations or the place from which the service is directed or controlled is not in any
25 state in which some part of the service is performed, but the individual's residence is in this state.~~

26 ~~(15)~~(10) The receipts factor is a fraction, the numerator of which is the total receipts of the taxpayer in
27 this state during the tax period and the denominator of which is the total receipts of the taxpayer everywhere
28 during the tax period.

1 ~~(16)~~(11) Receipts from the sale of tangible personal property are in this state if:

2 (a) the property is delivered or shipped to a purchaser, other than the United States government,
3 within this state regardless of the f.o.b. point or other conditions of the sale; or

4 (b) the property is shipped from an office, store, warehouse, factory, or other place of storage in this
5 state and:

6 (i) the purchaser is the United States government; or

7 (ii) the taxpayer is not taxable in the state of the purchaser.

8 ~~(17)~~(12) (a) Receipts, other than receipts described in subsection ~~(16)~~ (11), are in this state if the
9 taxpayer's market for the sales is in this state. The taxpayer's market for sales is in this state:

10 (i) in the case of sale, rental, lease, or license of real property, if and to the extent the property is
11 located in this state;

12 (ii) in the case of rental, lease, or license of tangible personal property, if and to the extent the property
13 is located in this state;

14 (iii) in the case of sale of a service, if and to the extent the service is delivered to a location in this
15 state; and

16 (iv) in the case of intangible property:

17 (A) that is rented, leased, or licensed, if and to the extent the property is used in this state, provided
18 that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good
19 or service is purchased by a consumer who is in this state; and

20 (B) that is sold, if and to the extent the property is used in this state, provided that:

21 (I) a contract right, government license, or similar intangible property that authorizes the holder to
22 conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes
23 all or part of this state;

24 (II) receipts from intangible property sales that are contingent on the productivity, use, or disposition of
25 the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible
26 property under subsection ~~(17)(a)(iv)(A)~~ (12)(a)(iv)(A); and

27 (III) all other receipts from a sale of intangible property shall be excluded from the numerator and
28 denominator of the receipts factor.

1 (b) If the state or states of assignment under subsection ~~(17)(a)-(12)(a)~~ cannot be determined, the
2 state or states of assignment shall be reasonably approximated.

3 (c) If the taxpayer is not taxable in a state to which a receipt is assigned under subsection ~~(17)(a)~~
4 ~~(12)(a)~~ or ~~(17)(b)~~ ~~(12)(b)~~, or if the state of assignment cannot be determined under subsection ~~(17)(a)~~ ~~(12)(a)~~ or
5 reasonably approximated under subsection ~~(17)(b)~~ ~~(12)(b)~~, such receipt shall be excluded from the
6 denominator of the receipts factor.

7 (d) The tax administrator may prescribe regulations as necessary or appropriate to carry out the
8 purposes of this section.

9 ~~(18)(13)~~ (a) If the allocation and apportionment provisions of this article do not fairly represent the
10 extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may
11 require, in respect to all or any part of the taxpayer's business activity, if reasonable:

12 (i) separate accounting;

13 (ii) the exclusion of any one or more of the factors;

14 (iii) the inclusion of one or more additional factors which will fairly represent the taxpayer's business
15 activity in this state; or

16 (iv) the employment of any other method to effectuate an equitable allocation and apportionment of the
17 taxpayer's income.

18 (b) (i) If the allocation and apportionment provisions of this article do not fairly represent the extent of
19 business activity in this state of taxpayers engaged in a particular industry or in a particular transaction or
20 activity, the tax administrator may, in addition to the authority provided in section ~~(18)(a)~~ ~~(13)(a)~~, establish
21 appropriate rules or regulations for determining alternative allocation and apportionment methods for such
22 taxpayers.

23 (ii) A regulation adopted pursuant to this section shall be applied uniformly, except that with respect to
24 any taxpayer to whom such regulation applies, the taxpayer may petition for, or the tax administrator may
25 require, adjustment pursuant to subsection ~~(18)(a)~~ ~~(13)(a)~~.

26 (c) (i) The party petitioning for, or the tax administrator requiring, the use of any method to effectuate
27 an equitable allocation and apportionment of the taxpayer's income pursuant to subsection ~~(18)(a)~~ ~~(13)(a)~~ must
28 prove by a preponderance of the evidence:

1 (A) that the allocation and apportionment provisions of this ~~Article~~article do not fairly represent the
2 extent of the taxpayer's business activity in this state; and

3 (B) that the alternative to such provisions is reasonable.

4 (ii) The same burden of proof shall apply whether the taxpayer is petitioning for, or the tax
5 administrator is requiring, the use of any reasonable method to effectuate an equitable allocation and
6 apportionment of the taxpayer's income. Notwithstanding the previous sentence, if the tax administrator can
7 show that in any two of the prior five tax years, the taxpayer had used an allocation or apportionment method at
8 variance with its allocation or apportionment method or methods used for such other tax years, then the tax
9 administrator shall not bear the burden of proof in imposing a different method pursuant to ~~(18)(a)~~ (13)(a).

10 (d) If the tax administrator requires any method to effectuate an equitable allocation and
11 apportionment of the taxpayer's income, the tax administrator cannot impose any civil or criminal penalty with
12 reference to the tax due that is attributable to the taxpayer's reasonable reliance solely on the allocation and
13 apportionment provisions of this article.

14 (e) A taxpayer that has received written permission from the tax administrator to use a reasonable
15 method to effectuate an equitable allocation and apportionment of the taxpayer's income shall not have that
16 permission revoked with respect to transactions and activities that have already occurred unless there has been
17 a material change in, or a material misrepresentation of, the facts provided by the taxpayer upon which the tax
18 administrator reasonably relied.

19 Article V. Elements Of Sales And Use Tax Laws

20 Tax Credit

21 (1) Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for
22 the combined amount or amounts of legally imposed sales or use taxes paid by the purchaser with respect to
23 the same property to another state and any subdivision thereof. The credit shall be applied first against the
24 amount of any use tax due the state, and any unused portion of the credit shall then be applied against the
25 amount of any use tax due a subdivision.

26 Exemption Certificates -- Vendors May Rely

27 (2) Whenever a vendor receives and accepts in good faith from a purchaser a resale or other
28 exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision

1 taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

2 Article VI. The Commission

3 Organization and Management

4 (1) (a) The Multistate Tax Commission is hereby established. It shall be composed of one member
5 from each party state who shall be the head of the state agency charged with the administration of the types of
6 taxes to which this compact applies. If there is more than one such agency, the state shall provide by law for
7 the selection of the commission member from the heads of the relevant agencies. State law may provide that a
8 member of the commission be represented by an alternate, but only if there is on file with the commission
9 written notification of the designation and identity of the alternate. The attorney general of each party state or
10 the attorney general's designee or other counsel if the laws of the party state specifically provide, shall be
11 entitled to attend the meetings of the commission but shall not vote. Such attorneys general, designees, or
12 other counsel shall receive all notices of meetings required under subsection (1)(e) of this article.

13 (b) Each party state shall provide by law for the selection of representatives from its subdivisions
14 affected by this compact to consult with the commission member from that state.

15 (c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the
16 members are present, and no action shall be binding unless approved by a majority of the total number of
17 members.

18 (d) The commission shall adopt an official seal to be used as it may provide.

19 (e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may
20 provide and such special meetings as its executive committee may determine. The commission bylaws shall
21 specify the dates of the annual and any other regular meetings and shall provide for the giving of notice of
22 annual, regular, and special meetings. Notice of special meetings shall include the reasons therefor and an
23 agenda of the items to be considered.

24 (f) The commission shall elect annually, from among its members, a presiding officer, a vice presiding
25 officer, and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and
26 it shall fix the executive director's duties and compensation. The executive director shall be secretary of the
27 commission. The commission shall make provision for the bonding of such of its officers and employees as it
28 may deem appropriate.

1 (g) Irrespective of the civil service, personnel, or other merit system laws of any party state, the
2 executive director shall appoint or discharge such personnel as may be necessary for the performance of the
3 functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide
4 for personnel policies and programs.

5 (h) The commission may borrow, accept, or contract for the services of personnel from any state, the
6 United States, or any other governmental entity.

7 (i) The commission may accept for any of its purposes and functions any and all donations and grants
8 of money, equipment, supplies, materials, and services, conditional or otherwise, from any governmental entity
9 and may utilize and dispose of the same.

10 (j) The commission may establish one or more offices for the transacting of its business.

11 (k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish
12 its bylaws in convenient form and shall file a copy of the bylaws and any amendments thereto with the
13 appropriate agency or officer in each of the party states.

14 (l) The commission annually shall make to the governor and legislature of each party state a report
15 covering its activities for the preceding year. Any donation or grant accepted by the commission or services
16 borrowed shall be reported in the annual report of the commission and shall include the nature, amount, and
17 conditions, if any, of the donation, gift, grant, or services borrowed and the identity of the donor or lender. The
18 commission may make additional reports as it may deem desirable.

19 Committees

20 (2) (a) To assist in the conduct of its business when the full commission is not meeting, the
21 commission shall have an executive committee of seven members, including the presiding officer, vice
22 presiding officer, treasurer, and four other members elected annually by the commission. The executive
23 committee, subject to the provisions of this compact and consistent with the policies of the commission, shall
24 function as provided in the bylaws of the commission.

25 (b) The commission may establish advisory and technical committees, membership on which may
26 include private persons and public officials, in furthering any of its activities. Such committees may consider any
27 matter of concern to the commission, including problems of special interest to any party state and problems
28 dealing with particular types of taxes.

1 (c) The commission may establish such additional committees as its bylaws may provide.

2 Powers

3 (3) In addition to powers conferred elsewhere in this compact, the commission shall have power to:

4 (a) study state and local tax systems and particular types of state and local taxes;

5 (b) develop and recommend proposals for an increase in uniformity or compatibility of state and local
6 tax laws with a view toward encouraging the simplification and improvement of state and local tax law and
7 administration;

8 (c) compile and publish information as in its judgment would assist the party states in implementation
9 of the compact and taxpayers in complying with state and local tax laws;

10 (d) do all things necessary and incidental to the administration of its functions pursuant to this
11 compact.

12 Finance

13 (4) (a) The commission shall submit to the governor or designated officer or officers of each party
14 state a budget of its estimated expenditures for such period as may be required by the laws of that state for
15 presentation to the legislature thereof.

16 (b) Each of the commission's budgets of estimated expenditures shall contain specific
17 recommendations of the amounts to be appropriated by each of the party states. The total amount of
18 appropriations requested under any such budget shall be apportioned among the party states as follows: one-
19 tenth in equal shares and the remainder in proportion to the amount of revenue collected by each party state
20 and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In
21 determining such amounts, the commission shall employ such available public sources of information as, in its
22 judgment, present the most equitable and accurate comparisons among the party states. Each of the
23 commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources
24 used in obtaining information employed in applying the formula contained in this subsection.

25 (c) The commission shall not pledge the credit of any party state. The commission may meet any of
26 its obligations in whole or in part with funds available to it under subsection (1)(i) of this article, provided that the
27 commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or
28 in part in such manner. Except where the commission makes use of funds available to it under subsection (1)(i),

1 the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to
2 meet the same.

3 (d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and
4 disbursements of the commission shall be subject to the audit and accounting procedures established under its
5 bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a
6 certified or licensed public accountant, and the report of the audit shall be included in and become part of the
7 annual report of the commission.

8 (e) The accounts of the commission shall be open at any reasonable time for inspection by duly
9 constituted officers of the party states and by any person authorized by the commission.

10 (f) Nothing contained in this article shall be construed to prevent commission compliance with laws
11 relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the
12 commission.

13 Article VII. Uniform Regulations And Forms

14 (1) Whenever any two or more party states or subdivisions of party states have uniform or similar
15 provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the
16 commission may adopt uniform regulations for any phase of the administration of such law, including assertion
17 of jurisdiction to tax or prescribing uniform tax forms. The commission may also act with respect to the
18 provisions of Article IV of this compact.

19 (2) Prior to the adoption of any regulation, the commission shall:

20 (a) as provided in its bylaws, hold at least one public hearing on due notice to all affected party states
21 and subdivisions thereof and to all taxpayers and other persons who have made timely request of the
22 commission for advance notice of its regulation-making proceedings;

23 (b) afford all affected party states and subdivisions and interested persons an opportunity to submit
24 relevant written data and views, which shall be considered fully by the commission.

25 (3) The commission shall submit any regulations adopted by it to the appropriate officials of all party
26 states and subdivisions to which they might apply. Each such state and subdivision shall consider any such
27 regulation for adoption in accordance with its own laws and procedures.

28 Article VIII. Interstate Audits

1 (1) This article shall be in force only in those party states that specifically provide therefor by statute.

2 (2) Any party state or subdivision thereof desiring to make or participate in an audit of any accounts,
3 books, papers, records, or other documents may request the commission to perform the audit on its behalf. In
4 responding to the request, the commission shall have access to and may examine, at any reasonable time,
5 such accounts, books, papers, records, and other documents and any relevant property or stock of
6 merchandise. The commission may enter into agreements with party states or their subdivisions for assistance
7 in performance of the audit. The commission shall make charges, to be paid by the state or local government or
8 governments for which it performs the service, for any audits performed by it in order to reimburse itself for the
9 actual costs incurred in making the audit.

10 (3) The commission may require the attendance of any person within the state where it is conducting
11 an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with
12 respect to any account, book, paper, document, other record, property, or stock of merchandise being
13 examined in connection with the audit. If the person is not within the jurisdiction, the person may be required to
14 attend for such purpose at any time and place fixed by the commission within the state of which the person is a
15 resident, provided that such state has adopted this article.

16 (4) The commission may apply to any court having power to issue compulsory process for orders in
17 aid of its powers and responsibilities pursuant to this article, and any and all such courts shall have jurisdiction
18 to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the
19 issuing court. If the party or subject matter on account of which the commission seeks an order is within the
20 jurisdiction of the court to which application is made, such application may be to a court in the state or
21 subdivision on behalf of which the audit is being made or a court in the state in which the object of the order
22 being sought is situated. The provisions of this subsection apply only to courts in a state that has adopted this
23 article.

24 (5) The commission may decline to perform any audit requested if it finds that its available personnel
25 or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of
26 satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit
27 of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number
28 of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on

1 sufficient participation therein as determined by the commission.

2 (6) Information obtained by any audit pursuant to this article shall be confidential and available only
3 for tax purposes to party states, their subdivisions, or the United States. Availability of information shall be in
4 accordance with the laws of the states or subdivisions on whose account the commission performs the audit
5 and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall
6 be construed to require any taxpayer to keep records for any period not otherwise required by law.

7 (7) Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of
8 the party states or any of their subdivisions are not superseded or invalidated by this article.

9 (8) In no event shall the commission make any charge against a taxpayer for an audit.

10 (9) As used in this article, "tax", in addition to the meaning ascribed to it in Article II, means any tax or
11 license fee imposed in whole or in part for revenue purposes.

12 Article IX. Arbitration

13 (1) Whenever the commission finds a need for settling disputes concerning apportionments and
14 allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of
15 Article VII.

16 (2) The commission shall select and maintain an arbitration panel composed of officers and
17 employees of state and local governments and private persons who shall be knowledgeable and experienced in
18 matters of tax law and administration.

19 (3) Whenever a taxpayer who has elected to employ Article IV or whenever the laws of the party state
20 or subdivision thereof are substantially identical with the relevant provisions of Article IV, the taxpayer, by
21 written notice to the commission and to each party state or subdivision thereof that would be affected, may
22 secure arbitration of an apportionment or allocation if the taxpayer is dissatisfied with the final administrative
23 determination of the tax agency of the state or subdivision with respect thereto on the ground that it would
24 subject the taxpayer to double or multiple taxation by two or more party states or subdivisions thereof. Each
25 party state and subdivision thereof hereby consents to the arbitration as provided herein and agrees to be
26 bound thereby.

27 (4) The arbitration board shall be composed of one person selected by the taxpayer, one by the
28 agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved

1 are unable to agree on the person to be selected by them, such person shall be selected by lot from the total
2 membership of the arbitration panel. The two persons selected for the board in the manner provided by the
3 foregoing provisions of this subsection shall jointly select the third member of the board. If they are unable to
4 agree on the selection, the third member shall be selected by lot from among the total membership of the
5 arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee
6 or is otherwise affiliated with any party to the arbitration proceeding. Residents within the jurisdiction of a party
7 to the arbitration proceeding shall not constitute affiliation within the meaning of this subsection.

8 (5) The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's
9 incorporation, residence, or domicile, in any state where the taxpayer does business, or in any place that it finds
10 most appropriate for gaining access to evidence relevant to the matter before it.

11 (6) The board shall give due notice of the times and places of its hearings. The parties shall be
12 entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by
13 majority vote.

14 (7) The board shall have power to administer oaths, take testimony, subpoena and require the
15 attendance of witnesses and the production of accounts, books, papers, records, and other documents, and
16 issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure
17 to obey a subpoena and upon application by the board, any judge of a court of competent jurisdiction of the
18 state in which the board is sitting or in which the person to whom the subpoena is directed may be found may
19 make an order requiring compliance with the subpoenas, and the court may punish failure to obey the order as
20 a contempt. The provisions of this subsection apply only in states that have adopted this article.

21 (8) Unless the parties otherwise agree, the expenses and other costs of the arbitration shall be
22 assessed and allocated among the parties by the board in such manner as it may determine. The commission
23 shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and
24 costs. No officer or employee of a state or local government who serves as a member of a board shall be
25 entitled to compensation therefor unless the member is required on account of the service to forego the regular
26 compensation attaching to the member's public employment, but any such board member shall be entitled to
27 expenses.

28 (9) The board shall determine the disputed apportionment or allocation and any matters necessary

1 thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation,
2 but for no other purpose.

3 (10) The board shall file with the commission and with each tax agency represented in the proceeding:
4 the determination of the board, the board's written statement of its reasons therefor, the record of the board's
5 proceedings, and any other documents required by the arbitration rules of the commission to be filed.

6 (11) The commission shall publish the determinations of boards, together with the statements of the
7 reasons therefor.

8 (12) The commission shall adopt and publish rules of procedure and practice and shall file a copy of
9 such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

10 (13) Nothing contained herein shall prevent at any time a written compromise of any matter or matters
11 in dispute, if otherwise lawful, by the parties to the arbitration proceedings.

12 Article X. Entry Into Force And Withdrawal

13 (1) This compact shall enter into force when enacted into law by any seven states. Thereafter, this
14 compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange
15 for notification of all party states whenever there is a new enactment of the compact.

16 (2) Any party state may withdraw from this compact by enacting a statute repealing the same. No
17 withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such
18 withdrawal.

19 (3) No proceeding commenced before an arbitration board prior to the withdrawal of a state and to
20 which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the
21 withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to
22 make a binding determination therein.

23 Article XI. Effect On Other Laws And Jurisdiction

24 Nothing in this compact shall be construed to:

25 (1) affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state
26 shall be obligated to implement Article III, subsection (2), of this compact;

27 (2) apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor
28 fuel, other than a sales tax; provided that the definition of "tax" in Article VIII, subsection (9), may apply for the

1 purposes of that article and the commission's powers of study and recommendation pursuant to Article VI,
 2 subsection (3), may apply;

3 (3) withdraw or limit the jurisdiction of any state or local court or administrative officer or body with
 4 respect to any person, corporation, or other entity or subject matter, except to the extent that such jurisdiction is
 5 expressly conferred by or pursuant to this compact upon another agency or body;

6 (4) supersede or limit the jurisdiction of any court of the United States.

7 Article XII. Construction And Severability

8 This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of
 9 this compact shall be severable, and if any phrase, clause, sentence, or provision of this compact is declared to
 10 be contrary to the constitution of any state or of the United States or if the applicability thereof to any
 11 government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and
 12 the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If
 13 this compact shall be held contrary to the constitution of any state participating therein, the compact shall
 14 remain in full force and effect as to the remaining party states and in full force and effect as to the state affected
 15 as to all severable matters."

16

17 **Section 2.** Section 15-30-2104, MCA, is amended to read:

18 **"15-30-2104. Tax on nonresident.** (1) (a) A tax is imposed upon each nonresident equal to the tax
 19 computed under 15-30-2103 as if the nonresident were a resident during the entire tax year, multiplied by the
 20 ratio of Montana source income to total income from all sources.

21 (b) This subsection (1) does not permit any items of income, gain, loss, deduction, expense, or credit
 22 to be counted more than once in determining the amount of Montana source income, and the department may
 23 adopt rules that are reasonably necessary to prevent duplication or to provide for allocation of particular items
 24 of income, gain, loss, deduction, expense, or credit.

25 (2) Pursuant to the provisions of Article III, section 2, of the Multistate Tax Compact, each nonresident
 26 taxpayer required to file a return and whose only activity in Montana consists of making sales and who does not
 27 own or rent real estate or tangible personal property within Montana and whose annual gross volume of sales
 28 made in Montana during the taxable year does not exceed \$100,000 may elect to pay an income tax of 1/2 of

1 1% of the dollar volume of gross sales made in Montana during the taxable year. The tax is in lieu of the tax
2 imposed under 15-30-2103 and subsection (1)(a) of this section. The gross volume of sales made in Montana
3 during the tax year must be determined according to the provisions of Article IV, sections ~~46-11~~ and ~~47-12~~, of
4 the Multistate Tax Compact."

5

6 **Section 3.** Section 15-30-3313, MCA, is amended to read:

7 **"15-30-3313. Consent or withholding -- rulemaking.** (1) A pass-through entity that is required to file
8 an information return as provided in 15-30-3302 and that reports a distributive share of income of \$1,000 or
9 more of Montana source income during the tax year to a partner, shareholder, member, or other owner who is a
10 nonresident individual, a foreign C. corporation, or any other entity, organization, or account whose principal
11 place of business or administration is outside the state of Montana or that is itself a pass-through entity shall, on
12 or before the due date, including extensions, for the information return:

13 (a) with respect to any partner, shareholder, member, or other owner who is a nonresident individual:

14 (i) file a composite return;

15 (ii) file an agreement of the individual nonresident to:

16 (A) file a return in accordance with the provisions of 15-30-2602;

17 (B) timely pay all taxes imposed with respect to income of the pass-through entity; and

18 (C) be subject to the personal jurisdiction of the state for the collection of income taxes and related
19 interest, penalties, and fees imposed with respect to the income of the pass-through entity; or

20 (iii) remit an amount equal to the highest marginal tax rate in effect under 15-30-2103 multiplied by the
21 nonresident individual's share of Montana source income reflected on the pass-through entity's information
22 return;

23 (b) with respect to any partner, shareholder, member, or other owner that is a foreign C. corporation:

24 (i) file a composite return;

25 (ii) file the foreign C. corporation's agreement to:

26 (A) file a return in accordance with the provisions of 15-31-111;

28 (C) be subject to the personal jurisdiction of the state for the collection of income taxes, corporate

1 income taxes, and alternative corporate income taxes and related interest, penalties, and fees imposed with
2 respect to the income of the pass-through entity; or

3 (iii) remit an amount equal to the tax rate in effect under 15-31-121 multiplied by the foreign C.
4 corporation's share of Montana source income reflected on the pass-through entity's information return; and

5 (c) with respect to any partner, shareholder, member, or other owner that is a pass-through entity,
6 also referred to in this section as a "second-tier pass-through entity":

7 (i) file a composite return; or

8 (ii) remit an amount equal to the highest marginal tax rate in effect under 15-30-2103 multiplied by its
9 share of Montana source income reflected on the pass-through entity's information return.

10 (2) Any amount paid by a pass-through entity with respect to a nonresident individual pursuant to
11 subsection (1)(a)(iii) must be considered as a payment on the account of the nonresident individual for the
12 income tax imposed on the nonresident individual for the tax year pursuant to 15-30-2104. On or before the due
13 date, including extensions, of the pass-through entity's information return provided in 15-30-3302, the pass-
14 through entity shall furnish to the nonresident individual a record of the amount of tax paid on the taxpayer's
15 behalf.

16 (3) Any amount paid by a pass-through entity with respect to a foreign C. corporation pursuant to
17 subsection (1)(b)(iii) must be considered as a payment on the account of the foreign C. corporation for the
18 corporate income tax imposed on the foreign C. corporation for the tax year pursuant to 15-31-101 or the
19 alternative corporate income tax imposed on the foreign C. corporation for the tax year pursuant to 15-31-403.
20 On or before the due date, including extensions, of the pass-through entity's information return provided in 15-
21 30-3302, the pass-through entity shall furnish to the foreign C. corporation a record of the amount of tax paid on
22 its behalf.

23 (4) Any amount paid by a pass-through entity with respect to a second-tier pass-through entity
24 pursuant to subsection (1)(c)(ii) must be considered as payment on the account of the individual, trust, estate,
25 or C. corporation to which Montana source income is directly or indirectly passed through and must be claimed
26 as the distributable share of a refundable credit of the pass-through entity partner, shareholder, member, or
27 other owner on behalf of which the amount was paid. On or before the due date, including extensions, of the
28 pass-through entity's information return provided in 15-30-3302, the pass-through entity shall furnish to the

1 second-tier pass-through entity a record of the refundable credit that may be claimed for the amount paid on its
2 behalf.

3 (5) A pass-through entity is entitled to recover a payment made pursuant to subsection (1)(a)(iii),
4 (1)(b)(iii), or (1)(c)(ii) from the partner, shareholder, member, or other owner on whose behalf the payment was
5 made.

6 (6) Following the department's notice to a pass-through entity that a nonresident individual or foreign
7 C. corporation did not file a return or timely pay all taxes as provided in subsection (1), the pass-through entity
8 must, with respect to any tax year thereafter for which the nonresident individual or foreign C. corporation is not
9 included in the pass-through entity's composite return, remit the amount described in subsection (1)(a)(iii) for
10 the nonresident individual and the amount described in subsection (1)(b)(iii) for the foreign C. corporation.

11 (7) (a) A publicly traded partnership described in 15-30-3302(4) that agrees to file an annual
12 information return reporting the name, address, and taxpayer identification number for each person or entity
13 that has an interest in the partnership that results in Montana source income or that has sold its interest in the
14 partnership during the tax year is exempt from the composite return and withholding requirements of Title 15,
15 chapter 30. A publicly traded partnership shall provide the department with the information in an electronic form
16 that is capable of being sorted and exported. Compliance with this subsection does not relieve a person or
17 entity from its obligation to pay Montana income taxes.

18 (b) A pass-through entity may be allowed a waiver of the provisions of subsection (1)(c) if one or more
19 publicly traded partnerships has a direct or indirect majority interest in the income distributed by the pass-
20 through entity. The pass-through entity shall apply to the department in writing for the waiver of the withholding
21 requirements set forth in subsection (1)(c).

22 (c) Waivers issued by the department prior to January 1, 2016, to pass-through entities in which a
23 publicly traded partnership has a direct or indirect majority interest will remain in effect in accordance with the
24 law and rules in effect at the time the waiver was granted.

25 (d) The department shall adopt rules outlining the requirements for the waiver request.

26 (8) (a) A pass-through entity may be allowed a waiver of the provisions of subsection (1)(c) for any
27 partner, shareholder, member, or other owner that is a domestic second-tier pass-through entity if:

28 (i) the pass-through entity files a statement setting forth the name, address, and social security

1 number or federal identification number of each of the domestic second-tier pass-through entity's partners,
2 shareholders, members, or other owners; and

3 (ii) the information establishes that the domestic second-tier pass-through entity's share of Montana
4 source income should be fully accounted for in an income tax return required under Title 15, chapter 30 or 31.

5 (b) For purposes of this subsection (8), the following definitions apply:

6 (i) "Domestic C. corporation" is a corporation that is engaged in or doing business in the state, as
7 provided in 15-31-101.

8 (ii) "Domestic second-tier pass-through entity" is a pass-through entity whose interest is entirely held,
9 either directly or indirectly, by one or more resident individuals, domestic C. corporations, or any other entities,
10 organizations, or accounts whose principal place of business or administration is located in the state of
11 Montana or any combination of interests held by resident individuals, domestic C. corporations, or any other
12 entities, organizations, or accounts whose principal place of business or administration is located in the state of
13 Montana.

14 (c) Subsequent to the initial approval of a waiver, the department may revoke the waiver if it
15 determines that the partner, shareholder, member, or other owner no longer qualifies.

16 (9) Nothing in this section may be construed as modifying the provisions of Article IV~~(48)~~, subsection
17 (13), of 15-1-601 and 15-31-312 allowing a taxpayer to petition for and the department to require methods to
18 fairly represent the extent of the taxpayer's business activity in the state.

19 (10) The department may adopt rules to administer and enforce the provisions of this section."
20

21 **Section 4.** Section 15-31-122, MCA, is amended to read:

22 **"15-31-122. Alternative gross sales tax.** Pursuant to the provisions of Article III, section 2, of the
23 Multistate Tax Compact, every corporation deriving income from sources both within and without the state of
24 Montana and required to file a return and whose only activity in Montana consists of making sales and which
25 does not own or rent real estate or tangible personal property within Montana and whose annual gross volume
26 of sales made in Montana during the taxable year does not exceed \$100,000 may elect to pay a tax of 1/2 of
27 1% of gross sales made in Montana during the taxable year. Such tax shall be in lieu of the tax otherwise
28 imposed under 15-31-101 and 15-31-121. The gross volume of sales made in Montana during the taxable year

1 shall be determined according to the provisions of Article IV, sections ~~46-11~~ and ~~47-12~~, of the Multistate Tax
2 Compact."

3

4 **Section 5.** Section 15-31-310, MCA, is amended to read:

11 (2) Receipts, other than receipts provided for in subsection (1), are in this state as provided for in

13

14 **Section 7.** Section 15-31-312, MCA, is amended to read:

15 **"15-31-312. Apportionment formula -- unitary business provisions.** (1) If the allocation and
16 apportionment provisions of this part do not fairly represent the extent of the taxpayer's business activity in this
17 state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the
18 taxpayer's business activity, if reasonable:

19 (a) separate accounting, provided the taxpayer's activities in this state are separate and distinct from
20 its operations conducted outside this state and are not a part of a unitary business operation conducted within
21 and without this state; or

22 (b) the application of the provisions of Article IV, subsections ~~(18)(a)(ii)~~ (13)(a)(ii) through ~~(18)(a)(iv)~~
23 (13)(a)(iv), of 15-1-601.

25 business activity in this state of taxpayers engaged in a particular industry or in a particular transaction or
26 activity, Article IV, subsection ~~(18)(b)(13)(b)~~, of 15-1-601 applies."

3 income tax at the rate specified in 15-31-121 and 15-31-122 upon its net income derived from sources within
4 this state for taxable years beginning after December 31, 1970, other than income for any period for which the
5 corporation is subject to taxation under part 1 of this chapter, according to or measured by its net income.

6 (2) Income from sources within this state includes income from tangible or intangible property located
7 in or having a situs in this state and income from any activities carried on in this state, regardless of whether
8 carried on in intrastate, interstate, or foreign commerce, but does not include interest paid on loans held by out-
9 of-state financial institutions recognized as such in the state of their domicile, secured by mortgages, trust
10 indentures, or other security interests on real or personal property located within the state, if the loan is
11 originated by a lender doing business in Montana and assigned out-of-state and there is no activity conducted
12 by the out-of-state lender in Montana except periodic inspection of the security.

13 (3) Pursuant to Article III, section 2, of the Multistate Tax Compact, any corporation required to file a
