FISCAL ANALYSIS

Assumptions:

1. There is no fiscal impact to the Department of Justice because current distribution of the received monies from settlements are executed in accordance with the language of the settlement agreements.
2. If there were settlements in the future that would otherwise have proceeded deposited to the general fund, there would be a negative general fund impact. That amount cannot be determined.
3. The State Employee Group Benefits Plan has not been party to or impacted by a legal proceeding under the Montana False Claims Act in recent history.
