Description of fiscal impact: This bill, as amended in the house taxation committee, would distribute \$482,000 of accommodations sales tax revenue to 16 select counties each year. The amendment moves this distribution from the lodging facility use tax (Title 15, chapter 65, MCA) to the accommodations sales tax (Title 15, chapter 68, MCA). This amendment also provides a termination date of June 30, 2023.

FISCAL ANALYSIS

Assumptions:

Department of Revenue

1. SB 355, as amended, distributes \$482,000 in each year of the 2023 biennium to 16 counties that have more than 6% of the land in the county being state owned and property tax exempt. The funds are reduced from the current distribution of accommodations sales tax.
2. The amendments shift the source of the \$482,000 from the accommodations use tax to the accommodations sales tax. The amended bill now makes no changes to the distribution of the lodging facility use tax.
3. The accommodations sales tax is currently distributed 75% to the general fund, 20% to the state special revenue account for construction of the Montana heritage center, and 5% to the state special revenue account

for historic preservation grants. It is assumed that \$482,000 would be distributed to the 16 counties prior to current law distribution of the remaining funds according to the percentages in current law (see technical note #1).

4. SB 355 as amended, would reduce general fund revenue by \$361,500, state special revenue for the Montana heritage center by \$96,400 and state special revenue for historic preservation accounts by \$24,100 in each year of the 2023 biennium.
5. This bill has been amended to terminate at the end of FY 2023.
6. The following table shows the counties, distribution percentages, and amounts each county would receive of the \$482,000 distribution each year of the 2023 biennium.

County	Percentage	Annual Amount
Daniels	69.40%	\$334,508
Chouteau	12.89%	\$62,130
Liberty	2.64%	\$12,725
Hill	1.76%	\$8,483
Judith Basin	0.87%	\$4,193
Toole	1.14%	\$5,495
Wheatland	0.98%	\$4,724
Teton	1.03%	\$4,965
Prairie	0.07%	\$337
Lake	2.47%	\$11,905
Fallon	3.29%	\$15,858
Powder River	0.25%	\$1,205
Carter	0.98%	\$4,724
Custer	0.53%	\$2,555
Musselshell	0.37%	\$1,783
Richland	1.33%	\$6,411
Total	100.00%	\$482,000

7. The Department of Revenue would incur no significant additional costs associated with updating the integrated revenue information system to make the distributions set forth in this bill as this would be done as part of annual updates.

Department of Commerce

8. Currently 15-68-820, MCA, distributes 5% of the lodging sales tax to a state special revenue account administered by the Department of Commerce to provide historic preservation grants.
9. It is assumed that the \$482,000 would be distributed to the various counties prior to the calculation of any other distributions made on a percentage basis. The impact to Commerce would therefore be a reduction equal to 5% of \$482,000, or \$24,100.
10. The department would reduce the amount of historic preservation grants awarded to remain commensurate with available funds.

Effect on County or Other Local Revenues or Expenditures:

1. Sixteen counties with greater than 6% of their state owned lands would receive \$482,000 from the Lodging Facilities Tax, 15-65-121, MCA.

Technical Notes:

1. It is unclear when the distributions to the counties are to be made and whether distributions are made monthly, quarterly, or as lump sum payments at the end of the fiscal year.
2. There is no direction to the counties as to where these transfers are to be deposited or the intended use of the funds.
3. The bill contains no appropriation authority to distribute funds to counties.
