20 at its discretion:

21 (a) reduce the amount of grant funds to be provided to grant recipients in proportion to all other project
22 funding sources; or

23 (b) reduce the amount of grant funds to be provided so that the grant recipient's projected average
24 residential user rates do not become lower than their target rate as determined by the department.

25 (3) If the grant recipient obtains a greater amount of grant funds than was contained in the treasure
26 state endowment program application, the department may reduce the amount of the treasure state endowment
27 program grant funds to be provided to ensure that the grant recipient continues to meet the threshold
