

AN ACT GENERALLY REVISING ALTERNATIVE PROJECT DELIVERY AND DESIGN-BUILD CONTRACTING LAWS; PROVIDING FOR A GENERAL CONTRACTOR CONSTRUCTION MANAGEMENT CONTRACTING PROCESS; REVISING DEFINITIONS; AMENDING SECTIONS 18-2-501, 18-8-204, 18-8-205, 60-2-112, 60-2-134, AND 60-2-137, MCA; AND PROVIDING A TERMINATION DATE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. General contractor construction management contracting process -- submission of proposals -- duties. (1) After the commission, acting on the recommendation of the department, has identified a project for which the general contractor construction management contracting process will be used, and the commission has approved the selection criteria proposed by the department, the department shall prepare and advertise a request for qualifications.

(2) From the responders to the request for qualifications, the department shall prepare a short list of the responders that it believes are most qualified, not to exceed five responders on any single project.

(3) (a) The department shall announce the short list and issue a request for proposals to each of the prospective contractors on the short list.

(b) A technical and price proposal submitted in response to a request for proposals must contain detailed descriptions of the prospective contractor's approach to performing construction management during the preconstruction phase and the construction phase in accordance with the project delivery criteria package.

(4) (a) The department shall evaluate the technical and price proposals and make a written recommendation to the commission regarding the department's selection of the contractor to be awarded the preconstruction phase contract.

(b) After completion of the preconstruction services contract, the department shall make a written recommendation to the commission regarding award of the construction contract.

Section 3. Section 18-8-204, MCA, is amended to read:

"18-8-204. Procedures for selection. (1) In the procurement of architectural, engineering, and land surveying services, the agency may encourage firms engaged in the lawful practice of their profession to submit annually or biennially a statement of qualifications and performance data. The agency shall evaluate current

statements of qualifications and performance data on file with the agency, together with those that may be submitted by other firms regarding the proposed project, and conduct discussions with one or more firms regarding anticipated concepts and the relative utility of alternative methods of approach for furnishing the required services.

(2) (a) The agency shall then select, based on criteria established under agency procedures and guidelines and the law, the firm considered most qualified to provide the services required for the proposed project.

(b) The agency procedures and guidelines must be available to the public and include at a minimum the following criteria as they relate to each firm:

- (i) the qualifications of professional personnel to be assigned to the project;
- (ii) capability to meet time and project budget requirements;
- (iii) location;
- (iv) present and projected workloads;
- (v) related experience on similar projects; and
- (vi) recent and current work for the agency.

(c) The agency shall follow the minimum criteria of this part if no other agency procedures are specifically adopted.

(3) After conducting an evaluation of firms pursuant to subsections (1) and (2)(b), a local agency may enter into a contract with one or more of those firms to provide architectural, engineering, or land surveying services on an as-needed basis for one or more projects and for a term to be mutually agreed to by the parties. Nothing in this subsection prevents a local agency from following the procurement procedures in this part for professional services for a particular project, unless a contract made pursuant to this subsection provides otherwise.

(4) The provisions of this section do not apply to procurement of architectural, engineering, and land surveying services for projects that ~~the department of transportation has determined are transportation~~ commission has approved as part of the design-build contracting program authorized in 60-2-137."

Section 4. Section 18-8-205, MCA, is amended to read:

"18-8-205. Negotiation of contract for services. (1) The agency shall negotiate a contract with the most qualified firm for architectural, engineering, and land surveying services at a price that the agency determines to be fair and reasonable. In making its determination, the agency shall take into account the estimated value of the services to be rendered, as well as the scope, complexity, and professional nature of the services.

(2) If the agency is unable to negotiate a satisfactory contract with the firm selected at a price the agency determines to be fair and reasonable, negotiations with that firm must be formally terminated and the agency shall select other firms in accordance with 18-8-204 and continue as directed in this section until an agreement is reached or the process is terminated.

(3) The provisions of this section do not apply to the negotiation of contracts for projects that the ~~department of transportation has determined are~~ transportation commission has approved as part of the design-build contracting program authorized in 60-2-137."

Section 5. Section 60-2-112, MCA, is amended to read:

"60-2-112. (Temporary) Competitive bidding -- reciprocity. (1) Except as provided in subsections (2) through (6), if the estimated cost of any work exceeds \$50,000, the commission shall award the contract by competitive bidding to the lowest responsible and responsive bidder. The award must be made upon the notice and terms that the commission prescribes by its rules. However, except when prohibited by federal law, the commission shall make awards and contracts in accordance with 18-1-102.

(2) The commission may award a contract by means other than competitive bidding if it determines that special circumstances so require. The commission shall specify the special circumstances in writing.

(3) The commission may enter into contracts with units of local government for the construction of projects without competitive bidding if it finds that the work can be accomplished at lower total costs, including total costs of labor, materials, supplies, equipment usage, engineering, supervision, clerical and accounting services, administrative costs, and reasonable estimates of other costs attributable to the project.

(4) The commission may delegate to the department the authority to enter, without competitive bidding, agreed-upon price contracts for projects costing \$50,000 or less.

(5) The commission may award a design-build contract under the design-build contracting program if

the provisions of 60-2-137 have been met.

(6) The commission or the department may not enter into a contract for a state-funded highway project or a construction project with a bidder whose operations are not headquartered in the United States unless:

(a) the foreign country, or province or other political subdivision of that country, in which the bidder is headquartered affords companies based in the United States open, fair, and nondiscriminatory access to bidding on highway projects and construction projects located in the foreign country, or province or other political subdivision of that country; and

(b) the department has entered into a reciprocity agreement with or has exchanged letters of information with the foreign country, or province or other political subdivision of that country, that addresses:

(i) the equal and fair treatment of bids originating in the United States and in the foreign country, or province or other political subdivision of that country;

(ii) specific ownership requirements and tax policies in the United States and in the foreign country, or province or other political subdivision of that country, that may result in the unequal treatment of all bids received, regardless of their origin;

(iii) the means by which contractors from both the United States and the foreign country, or province or other political subdivision of that country, are notified of highway projects and construction projects available for bid; and

(iv) any other differences in public policy or procedure that may result in the unequal treatment of bids originating in the United States or in the foreign country, or province or other political subdivision of that country, for projects located in either the United States or the foreign country, or province or other political subdivision of that country.

(7) Subject to 60-2-119, the commission may award ~~alternative project delivery~~ general contractor construction management contracts in accordance with Title 18, chapter 2, part 5, ~~for projects that the department has determined are appropriate for those contracts.~~ if the provisions of [section 1] have been met.

(8) For the purposes of subsection (6), "construction" has the meaning provided in 18-2-101.

(Terminates December 31, 2024--sec. 6, Ch. 54, L. 2017.)

60-2-112. (Effective January 1, 2025) Competitive bidding -- reciprocity. (1) Except as provided in

subsections (2) through (6), if the estimated cost of any work exceeds \$50,000, the commission shall award the contract by competitive bidding to the lowest responsible and responsive bidder. The award must be made upon the notice and terms that the commission prescribes by its rules. However, except when prohibited by federal law, the commission shall make awards and contracts in accordance with 18-1-102.

(2) The commission may award a contract by means other than competitive bidding if it determines that special circumstances so require. The commission shall specify the special circumstances in writing.

(3) The commission may enter into contracts with units of local government for the construction of projects without competitive bidding if it finds that the work can be accomplished at lower total costs, including total costs of labor, materials, supplies, equipment usage, engineering, supervision, clerical and accounting services, administrative costs, and reasonable estimates of other costs attributable to the project.

(4) The commission may delegate to the department the authority to enter, without competitive bidding, agreed-upon price contracts for projects costing \$50,000 or less.

(5) The commission may award a design-build contract under the design-build contracting program if the provisions of 60-2-137 have been met.

(6) The commission or the department may not enter into a contract for a state-funded highway project or a construction project with a bidder whose operations are not headquartered in the United States unless:

(a) the foreign country, or province or other political subdivision of that country, in which the bidder is headquartered affords companies based in the United States open, fair, and nondiscriminatory access to bidding on highway projects and construction projects located in the foreign country, or province or other political subdivision of that country; and

(b) the department has entered into a reciprocity agreement with or has exchanged letters of information with the foreign country, or province or other political subdivision of that country, that addresses:

(i) the equal and fair treatment of bids originating in the United States and in the foreign country, or province or other political subdivision of that country;

(ii) specific ownership requirements and tax policies in the United States and in the foreign country, or province or other political subdivision of that country, that may result in the unequal treatment of all bids received, regardless of their origin;

(iii) the means by which contractors from both the United States and the foreign country, or province or other political subdivision of that country, are notified of highway projects and construction projects available for bid; and

(iv) any other differences in public policy or procedure that may result in the unequal treatment of bids originating in the United States or in the foreign country, or province or other political subdivision of that country, for projects located in either the United States or the foreign country, or province or other political subdivision of that country.

(7) For the purposes of subsection (6), "construction" has the meaning provided in 18-2-101."

Section 6. Section 60-2-134, MCA, is amended to read:

"60-2-134. Definitions. For the purposes of 18-8-204, 18-8-205, 60-2-111, 60-2-112, 60-2-137, and this section, the following definitions apply:

(1) "Design-build contracting" means the process of entering into a single contract between the commission and a design-build contractor in which the design-build contractor agrees to design and build a highway, structure, or facility or any other items required in a request for proposals.

(2) "Design-build contractor" means an individual, partnership, corporation, joint venture, or other legally recognized entity that is appropriately licensed in Montana and that provides the necessary design and construction services, including contract administration.

(3) "Design-build criteria package" means the document provided by the department that contains the information necessary to guide a prospective design-build contractor in the preparation and submission of a proposal for a design-build project.

(4) "Request for proposals" means a part of the design-build or alternative project delivery criteria package that contains a detailed scope of work, including design concepts, technical requirements and specifications, the time allowed for design and construction, the department's estimated cost of the project, the deadline for submitting a proposal, the selection criteria, and a copy of the contract.

(5) "Request for qualifications" means a part of the design-build or alternative project delivery criteria package that contains the desired minimum qualifications of the design-build contractor, a scope of work statement, the project requirements, the amount of reimbursement that the commission has determined will be

paid to prospective design-build contractors who qualify for the short list but are not awarded a contract, and the selection criteria that the department will use in compiling the short list of prospective design-build contractors to consider."

Section 7. Section 60-2-137, MCA, is amended to read:

"60-2-137. Design-build contracting process -- submission of proposals -- department's duties.

(1) Once the commission, acting on a recommendation of the department, has identified a project for which the design-build contracting process will be used, and the commission has approved selection criteria proposed by the department, the department shall prepare and advertise a request for qualifications.

(2) From the responders to the request for qualifications, the department shall prepare a short list of the responders that it believes are most qualified, not to exceed five responders on any single project.

(3) (a) The department shall announce the short list and issue a request for proposals to each of the prospective design-build contractors on the short list, who may then submit a technical and price proposal to the department.

(b) A technical and price proposal submitted in response to a request for proposals must contain detailed descriptions of the prospective design-build contractor's approach to designing, constructing, and managing the project in accordance with the design-build criteria package. The technical and price proposal must also include the prospective design-build contractor's conceptual design and construction sequence and schedule and the lump-sum price to complete the project.

(4) The department shall evaluate the technical and price proposals and make a written recommendation to the commission regarding the department's selection of the design-build contractor to be awarded the contract.

(5) The prospective design-build contractors who appeared on the department's short list but are not awarded the contract may be paid a stipend, in an amount determined by the commission, for costs incurred in submitting the response to the department's request for proposals."

Section 8. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 60, chapter 2, part 1, and the provisions of Title 60, chapter 2, part 1, apply to [section 1].

Section 9. Termination. [Section 1] terminates December 31, 2024.
