16 **"7-32-2242. Use of detention center -- payment of costs.** (1) Local government, state, and federal

18 **Section 3.** Section 53-30-106, MCA, is amended to read:

23 district court that new inmates will not be accepted by the department for admission into the institution or  
24 system until the inmate population is reduced to 95% or less of the emergency capacity. Persons committed to  
25 the department and persons sought to be admitted remain in the department's legal custody but must be kept in  
26 a detention center in the jurisdiction holding them. In the event the jurisdiction holding the inmate is at maximum  
27 capacity, the inmate may be placed in an available detention center in another jurisdiction. The department  
28 shall reimburse that jurisdiction for the cost of detention for the period beyond the normal time of delivery to a

1 correctional institution administered by the department. Reimbursement must be ~~at a rate mutually agreeable to~~  
2 based on the actual costs of confinement, unless otherwise agreed to by the department and the jurisdiction

4 medication, medical services, or hospitalization for persons confined in a detention center under this section  
5 must be paid by the department.

6 (2) The department may enter into contracts with the federal government, other states, or the  
7 commissioners of counties that have suitable detention centers for confining inmates committed to a  
8 correctional institution or system administered by the department, either because a correctional institution or  
9 system has exceeded its emergency capacity or because the department has no institution that is adequate for  
10 certain inmates.

11 (3) Within budgetary limits, the department may also enter into contracts with public or private  
12 corporations for the confinement of selected inmates if suitable programs have been established.

13 (4) As used in this section, "actual costs" has the meaning provided in 7-32-2241.
