18 (2) The amount and duration of the credit is administered by the department of revenue as provided in
19 [sections 2 and 3].

20 (3) A qualifying employer seeking approval to claim a credit shall apply for a credit certificate with the
21 department for the preceding calendar year. The application must be submitted on a form prescribed by the
22 department on which the employer:

23 (a) identifies and describes the number of qualifying new employees hired;

24 (b) provides necessary details to calculate the net employee growth and qualifying net employee

4 that is filed with the department of revenue; or

24 **NEW SECTION. Section 2. Grow Montana jobs -- annual job growth incentive tax credit. (1)**

25 Subject to the provisions of [section 1], a taxpayer is allowed an annual job growth incentive tax credit against
26 the tax imposed by chapter 31 or this chapter for creating qualifying net employee growth in the state.

27 (2) The amount of the credit is equal to the number of qualifying new employees in the credit
28 certificate multiplied by 50% of the taxpayer's total estimated taxes imposed on the taxpayer each year for the

1 qualifying new employees under the Federal Insurance Contributions Act, 26 U.S.C. 3111(a) and (b).

2 (3) The credit allowed by this section may not be refunded if the taxpayer has a tax liability less than
3 the amount of the credit. If the sum of credit carryovers from the credit, if any, and the amount of credit allowed
4 by this section for the tax year exceeds the taxpayer's tax liability for the current tax year, the excess
5 attributable to the current tax year's credit is a credit carryover to succeeding tax years for a period not to
6 exceed 10 years from the tax year the credit was claimed. The entire amount of unused credit must be carried
7 forward to the earliest of the succeeding years, and the oldest available unused credit must be used first. Any
8 credit remaining 10 years after the tax year for which the credit is based may not be refunded or credited to the
9 taxpayer.

10 (4) The credit may be claimed for up to 7 years, but only in a tax year in which the department of labor
11 and industry approved the credit by issuing the taxpayer with a credit certificate as provided in [section 1]. If a
12 taxpayer claims the credit but was not approved by the department of labor and industry, the taxpayer's return
13 will be processed without regard to the credit.

14 (5) For fiscal year filers, the credit available to claim in the current fiscal year is the credit allowed for
15 the calendar year that ends within the taxpayer's fiscal period.

16 (6) The department shall, after consultation with the department of labor and industry, prescribe a
17 form for a taxpayer to claim the tax credit. The form must provide the department with sufficient information for
18 the proper administration of the credit.

19 (7) The department shall provide the department of labor and industry with an annual report detailing
20 the tax credit provided to taxpayers for the previous year. The information provided to the department of labor
21 and industry is subject to the provisions of 15-30-2618 and 15-31-511.

22 (8) A taxpayer claiming this credit may not claim the apprenticeship tax credit pursuant to sections 15-
23 30-2357, 15-31-173, and 39-6-109 in the same tax year that this credit is claimed. This subsection does not
24 prevent a credit carryover from this credit from being used in a tax year in which the apprenticeship tax credit is
25 claimed.

26 (9) Each biennium, the department shall provide to the revenue interim committee information
27 regarding all approvals granted and credit certificates issued, including the credits claimed, the names of the
28 qualifying employers of the credits, and the amount of tax credits claimed. This information is not subject to the

1 confidentiality requirements of 15-30-2618 or 15-31-511.

2 (10) For the purposes of this section, the terms "credit certificate", "qualifying employer", "qualifying net
3 employee growth", and "qualifying new employee" have the same meaning as those terms are defined in
4 [section 1].

5

6 **NEW SECTION. Section 3. Grow Montana jobs -- annual job growth incentive tax credit.** (1)

7 There is an annual job growth incentive tax credit against the taxes otherwise due under 15-31-121 or 15-31-
8 122 that is allowable in the amount established pursuant to [section 2] when a taxpayer hires qualifying new
9 employees in the state. The credit is administered as provided in [sections 1 and 2] and this section.

10 (2) If the credit allowed under this section is claimed by a small business corporation as defined in 15-
11 30-3301 or a partnership, the credit must be attributed to shareholders or partners using the same proportion to
12 report the corporation's or partnership's income or loss for Montana income tax purposes.

13

14 **Section 4.** Section 15-30-2357, MCA, is amended to read:

15 **"15-30-2357. Tax credit for hiring registered apprentice or veteran apprentice.** (1) Subject to the
16 provisions of [section 2(8)] and 39-6-109, a taxpayer is allowed a credit against the tax imposed by chapter 31
17 or this chapter for employing a registered apprentice or registered veteran apprentice who works in Montana.

18 (2) The credit may not exceed the taxpayer's tax liability and may not be carried forward or carried
19 back.

20 (3) The credit may be claimed only in the tax year in which the department of labor and industry
21 approved the credit as provided in 39-6-109(4). If a taxpayer claims the credit but was not approved by the
22 department of labor and industry, the taxpayer's return must be processed without regard to the credit.

23 (4) For fiscal year filers, the credit available to claim in the current fiscal year is the credit allowed for
24 the calendar year that ends within the taxpayer's fiscal period.

25 (5) Subject to the probationary period provided for in 39-6-109, if an employer employs an apprentice
26 for less than the full preceding calendar year, the employer may apply for the full credit for the year in which the
27 apprentice was employed.

28 (6) The department shall, after consultation with the department of labor and industry, prescribe a

1 form for a taxpayer to claim the tax credit. The form must provide the department with sufficient information for
2 the proper administration of the credit.

3 (7) The department shall provide the department of labor and industry an annual report detailing the
4 tax credit provided to employers for the previous year. The information provided to the department of labor and
5 industry is subject to the provisions of 15-30-2618 and 15-31-511.

6 (8) The department may adopt rules, prepare forms, and maintain records that are necessary to
7 implement this credit."

8
