(a) the elector has until 5 p.m. on the day after the election to provide identification information pursuant to the requirements of 13-13-114 or as provided in subsection (3) of this section; and

(b) the election administrator shall compare the signature of the individual or the individual's agent designated pursuant to 13-1-116 on the affirmation required under 13-13-601 to the signature on the individual's voter registration form or the agent's designation form.

~~(b)~~ If the signatures match, the election administrator shall handle the ballot as provided in subsection ~~(5)~~(7).

~~(c)~~ If the signatures do not match and the individual or the individual's agent fails to provide valid identification information by the deadline, the ballot must be rejected and handled as provided in 13-15-108.

(3) If a legally registered individual casts a provisional ballot but is unable provide the identification information pursuant to the requirements of 13-13-114, the elector may verify the elector's identity by:

(f) a place to note the polling place at which the elector cast a provisional ballot; and

(g) a place for the election administrator or election judge to note which form of identification required by subsection (3)(a) the elector presented.

~~(3)~~(5) A provisional ballot must be counted if the election administrator verifies the individual's identity or eligibility pursuant to rules adopted under 13-13-603. However, if the election administrator cannot verify the individual's identity or eligibility under the rules, the individual's provisional ballot must be rejected and handled as provided in 13-15-108. If the ballot is provisional because of a challenge and the challenge was made on the grounds that the individual is of unsound mind or serving a felony sentence in a penal institution, the individual's provisional ballot must be counted unless the challenger provides documentation by 5 p.m. on the day after the election that a court has established that the individual is of unsound mind or that the individual has been convicted and sentenced and is still serving a felony sentence in a penal institution.

~~(4)~~(6) The election administrator shall provide an individual who cast a provisional ballot but whose ballot was or was not counted with the reasons why the ballot was or was not counted.

~~(5)~~(7) A provisional ballot must be removed from its provisional envelope, grouped with other ballots in a manner that allows for the secrecy of the ballot to the greatest extent possible, and counted as any other provisional ballot if the individual's voter information is:

(a) verified before 5 p.m. on the day after the election; or

(b) postmarked by 5 p.m. on the day after election day and received and verified by 3 p.m. on the sixth day after the election.
