

SENATE JOINT RESOLUTION NO. 14

INTRODUCED BY W. SALES

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF MONTANA'S PUBLICLY FUNDED MENTAL HEALTH SYSTEM; AND REQUIRING THAT THE FINAL RESULTS OF THE STUDY BE REPORTED TO THE 68TH LEGISLATURE.

WHEREAS, Montana's publicly funded mental health system experienced system-altering cutbacks when state revenues came in below anticipated levels in fiscal years 2017 and 2018; and

WHEREAS, the availability of community mental health crisis beds changed with the revenue cutbacks; and

WHEREAS, military veterans in Montana are often treated in Montana's system of mental health crisis care before being transferred to appropriate Veterans Affairs facilities for treatment; and

WHEREAS, the expansion of the Medicaid program to cover adults without dependent children with an income at or below 138% of the federal poverty level has provided more than 90,000 Montanans with coverage of mental health and substance use treatment services; and

WHEREAS, community health clinics have been providing an increased amount of behavioral health care to treat not only mental health disorders but also substance use disorders; and

WHEREAS, the use of telehealth for mental health services has increased dramatically during the COVID-19 public health emergency; and

WHEREAS, the Montana Legislature has continued to make changes to the mental health system by adding peer support as a Medicaid-covered service, establishing a pilot project for mobile crisis response, and revising statutes related to community treatment facilities; and

WHEREAS, the state has recently approved certified behavioral health centers that will alter the funding methodologies for some behavioral health services; and

WHEREAS, the rapid pace and dramatic nature of changes in Montana's publicly funded mental health system in recent years warrant a close examination of the system by Montana policymakers.

2 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF
3 THE STATE OF MONTANA:

4 That the Legislative Council be requested to designate an appropriate interim committee or statutory
5 committee, pursuant to section 5-5-217, MCA, to undertake a comprehensive review of the elements of
6 Montana's publicly funded mental health system to determine:

7 (1) how the system has changed, including how funding reductions in recent years have affected
8 services;

9 (2) whether and where gaps exist in the system; and

10 (3) whether the Legislature or the executive branch should address any gaps in services.

11 BE IT FURTHER RESOLVED, that the study include input from appropriate stakeholders, including but
12 not limited to representatives of the Department of Public Health and Human Services, the Department of
13 Military Affairs, the United States Department of Veterans Affairs, community mental health centers, federally
14 qualified community health centers, individual mental health providers, and organizations that advocate for
15 people with mental illness and substance use disorders.

16 BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review
17 requirements, be concluded prior to September 15, 2022.

18 BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions,
19 comments, or recommendations of the appropriate committee, be reported to the 68th Legislature.
