**Insert:** "The Entitlement Share is contingent on the passage and approval of HB 678 with a section authorizing increased entitlement share base amounts for counties with large amounts of state-owned lands and adjusting the base entitlement share for the remaining counties and consolidated city-counties."

- END -

Explanation - This amendment directs \$482,000 of the entitlement share to counties with large amounts of state lands. The funding is contingent on the passage and approval of HB 678 containing a provision requiring increased entitlement share for counties with significant portions of state-owned lands and adjustment of the base entitlement share of the remaining counties and consolidated city-counties. The net impact on general fund is zero.
