22 **Section 2.** Section 41-3-202, MCA, is amended to read:

23 **"41-3-202. Action on reporting.** (1) (a) Upon receipt of a report that a child is or has been abused or

24 neglected, the department shall promptly assess the information contained in the report and make a

25 determination regarding the level of response required and the timeframe within which action must be initiated.

26 (b) (i) Except as provided in subsection (1)(b)(ii), upon receipt of a report that includes an allegation

27 of sexual abuse or sexual exploitation or if the department determines during any investigation that the

28 circumstances surrounding an allegation of child abuse or neglect include an allegation of sexual abuse or

1 sexual exploitation, the department shall immediately report the allegation to the county attorney of the county
2 in which the acts that are the subject of the report occurred.

3 (ii) If a victim of sexual abuse or sexual exploitation has attained the age of 14 and has sought services
4 from a contractor as described in 41-3-201~~(2)(j)~~(2)(k) that provides confidential services to victims of sexual
5 assault, conditioned upon an understanding that the criminal conduct will not be reported by the department to
6 the county attorney in the jurisdiction in which the alleged crime occurred, the department may not report
7 pursuant to 41-3-205(5)(d) and subsection (1)(b)(i) of this section.

8 (c) If the department determines that an investigation and a safety and risk assessment are required,
9 a social worker shall promptly conduct a thorough investigation into the circumstances surrounding the
10 allegations of abuse or neglect of the child and perform a safety and risk assessment to determine whether the
11 living arrangement presents an unsafe environment for the child. The safety and risk assessment may include
12 an investigation at the home of the child involved, the child's school or day-care facility, or any other place
13 where the child is present and into all other nonfinancial matters that in the discretion of the investigator are
14 relevant to the safety and risk assessment. In conducting a safety and risk assessment under this section, a
15 social worker may not inquire into the financial status of the child's family or of any other person responsible for
16 the child's care, except as necessary to ascertain eligibility for state or federal assistance programs or to
17 comply with the provisions of 41-3-446.

18 (2) An initial investigation of alleged abuse or neglect may be conducted when an anonymous report
19 is received. However, if the initial investigation does not within 48 hours result in the development of
20 independent, corroborative, and attributable information indicating that there exists a current risk of physical or
21 psychological harm to the child, a child may not be removed from the living arrangement. If independent,
22 corroborative, and attributable information indicating an ongoing risk results from the initial investigation, the
23 department shall then conduct a safety and risk assessment.

24 (3) The social worker is responsible for conducting the safety and risk assessment. If the child is
25 treated at a medical facility, the social worker, county attorney, or peace officer, consistent with reasonable
26 medical practice, has the right of access to the child for interviews, photographs, and securing physical
27 evidence and has the right of access to relevant hospital and medical records pertaining to the child. If an
28 interview of the child is considered necessary, the social worker, county attorney, or peace officer may conduct

1 an interview of the child. The interview may be conducted in the presence of the parent or guardian or an
2 employee of the school or day-care facility attended by the child.

3 (4) Subject to 41-3-205(3), if the child's interview is audiotaped or videotaped, an unedited audiotape
4 or videotape with audio track must be made available, upon request, for unencumbered review by the family.

5 (5) (a) If from the safety and risk assessment the department has reasonable cause to suspect that
6 the child is suffering abuse or neglect, the department may provide emergency protective services to the child,
7 pursuant to 41-3-301, or voluntary protective services pursuant to 41-3-302, and may provide protective
8 services to any other child under the same care. The department shall:

9 (i) after interviewing the parent or guardian, if reasonably available, document the determinations of
10 the safety and risk assessment; and

11 (ii) notify the child's family of the determinations of the safety and risk assessment, unless the
12 notification can reasonably be expected to result in harm to the child or other person.

13 (b) Except as provided in subsection (5)(c), the department shall destroy all safety and risk
14 assessment determinations and associated records, except for medical records, within 30 days after the end of
15 the 3-year period starting from the date of completion of the safety and risk assessment.

16 (c) Safety and risk assessment determinations and associated records may be maintained for a
17 reasonable time as defined by department rule under the following circumstances:

18 (i) the safety and risk assessment determines that abuse or neglect occurred;

19 (ii) there had been a previous or there is a subsequent report and investigation resulting in a safety
20 and risk assessment concerning the same person; or

21 (iii) an order has been issued by a court of competent jurisdiction adjudicating the child as a youth in
22 need of care based on the circumstances surrounding the initial allegations.

23 (6) The investigating social worker, within 60 days of commencing an investigation, shall also furnish
24 a written safety and risk assessment to the department and, upon request, to the family. Subject to time periods
25 set forth in subsections (5)(b) and (5)(c), the department shall maintain a record system documenting
26 investigations and safety and risk assessment determinations. Unless records are required to be destroyed
27 under subsections (5)(b) and (5)(c), the department shall retain records relating to the safety and risk
28 assessment, including case notes, correspondence, evaluations, videotapes, and interviews, for 25 years.

1 (7) Any person reporting abuse or neglect that involves acts or omissions on the part of a public or
2 private residential institution, home, facility, or agency is responsible for ensuring that the report is made to the
3 department.

4 (8) The department shall, upon request from any reporter of alleged child abuse or neglect, verify
5 whether the report has been received, describe the level of response and timeframe for action that the
6 department has assigned to the report, and confirm that it is being acted upon."

7
8 **Section 3.** Section 41-3-205, MCA, is amended to read:

10 local affiliate, the local office of public assistance, the county attorney, and the court concerning actions taken
11 under this chapter and all records concerning reports of child abuse and neglect must be kept confidential
