BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Permanent reservation satellite election offices. (1) For the purposes of state and federal elections, the tribal government of a federally recognized Indian tribe may select at least two satellite election offices within the boundaries of the Indian reservation, or if the tribe does not have a reservation, in locations that would best serve the members of the tribe.

(2) The satellite election offices required under this section must be open as soon as mail ballots are sent out by the election administrator and must remain open until the polls are closed on election day. The tribal government may set the days and hours of operation during the period in which the satellite election offices are open.

(3) A satellite election office operated under this section must provide services equivalent to the services provided at the main election office of the county, including but not limited to access to replacement ballots, in-person absentee voting, and late voter registration.

(4) A satellite election office is responsible for the collection of ballots from places of deposit designated pursuant to 13-19-307(7).

Section 2. Section 13-3-105, MCA, is amended to read:

“13-3-105. Designation of polling place. (1) The county governing body shall designate the polling
place for each precinct no later than 30 days before a primary election. The same polling place must be used for both the primary and general election if at all possible. Changes may be made by the governing body in designated polling places up to 10 days before an election if a designated polling place is not available. Polling places may be located outside the boundaries of a precinct.

(2) Not more than 10 days or less than 2 days before an election, the election administrator shall publish in a newspaper of general circulation in the county a statement of the locations of the precinct polling places. The notice must also include the location of any precinct polling places located within an Indian reservation’s boundaries. The election administrator shall include in the published notice the accessibility designation for each polling place according to the classification in 13-3-207. Notice may also be given as provided in 2-3-105 through 2-3-107.

(3) An election administrator may make changes in the location of a polling place if an emergency occurs 10 days or less before an election. Notice must be posted at both the old and new polling places, and other notice may be given by whatever means available. If the old polling place being relocated is within the boundaries of an Indian reservation, the new location must also be located on the reservation.

(4) (a) Any building may be used as a polling place. The building must be furnished at no charge as long as no structural changes are required in order to use the building as a polling place.

(b) If the building regularly used as a designated polling place is not available for an election because of an unforeseen or temporary circumstance and no other suitable building is available free of charge, the county may pay for use of a building as a temporary polling place for that election provided that the building meets the polling place standards under this chapter. If a county pays for the use of a building as a temporary polling place because of an unforeseen or temporary circumstance, the county shall provide with its regular report on election costs to the secretary of state any costs incurred for use of a building pursuant to this subsection (4)(b).

(5) The exterior of the voting systems, or of the booths in which they are placed, and every part of the polling place must be in plain view of the election judges.”

Section 3. Section 13-13-114, MCA, is amended to read:

provisional voting. (1) (a) Before an elector is permitted to receive a ballot or vote, the elector shall present to
an election judge a current photo identification showing the elector's name. If the elector does not present photo
identification, including but not limited to a valid driver's license, a school district or postsecondary education
photo identification, or a tribal photo identification, the elector shall present a current utility bill, bank statement,
paycheck, notice of confirmation of voter registration issued pursuant to 13-2-207, government check, or other
government document that shows the elector's name and current address.

(b) A tribal photo identification is not required to include a residential address or an expiration date to
be considered valid under this section.

(c) An elector may use a nontraditional address as a current address as long as the nontraditional
address contains enough detail to allow the elector to be assigned to the proper precinct.

(d) An elector who provides the information listed in subsection (1)(a) may sign the precinct
register and must be provided with a regular ballot to vote.

(e) If the information provided in subsection (1)(a) differs from information in the precinct register
but an election judge determines that the information provided is sufficient to verify the voter's identity and
eligibility to vote pursuant to 13-2-512, the elector may sign the precinct register, complete a new registration
form to correct the elector's voter registration information, and vote.

(f) An election judge shall write "registration form" beside the name of any elector submitting a
form.

(2) If the information presented under subsection (1) is insufficient to verify the elector's identity and
eligibility to vote or if the elector's name does not appear in the precinct register or appears in the register as
provisionally registered and this provisional registration status cannot be resolved at the polling place, the
elector may sign the precinct register and cast a provisional ballot as provided in 13-13-601.

(3) If the elector fails or refuses to sign the elector's name or if the elector is disabled and a
fingerprint, an identifying mark, or a signature by a person authorized to sign for the elector pursuant to 13-1-
116 is not provided, the elector may cast a provisional ballot as provided in 13-13-601.

(4) (a) A federally recognized Indian tribe may designate one or more tribal government buildings to
serve as a residential address, mailing address, or both, for electors living within the boundaries of an Indian
reservation or on Indian lands.
(b) An elector may not use a tribally designated building as the elector's residential address if the building is in a different precinct from the elector's actual location of residence.

(5) For the purposes of this section:

(a) "Nontraditional address" means an address that consists of a narrative description of the location of the elector's residence and applies when a traditional address has not been assigned or affixed to the elector’s residence or when an elector resides on an Indian reservation or Indian lands.

(b) "Traditional address" means an address that consists of a street number, street name, and a city or town as assigned by a local government. The traditional address may include an apartment number or unit number and serves to identify the parcel or building of residence and the particular unit if the building is a multiunit residence."

Section 4. Section 13-13-201, MCA, is amended to read:

"13-13-201. Voting by absentee ballot -- procedures. (1) A legally registered elector or provisionally registered elector is entitled to vote by absentee ballot as provided for in this part.

(3) Except as provided in 13-21-206 and 13-21-226, in order for the ballot to be counted, each elector
shall return it in a manner that ensures the ballot is received prior to 8 p.m. on election day.

(4) (a) A provisionally registered elector may also enclose in the outer signature envelope a copy of the elector's photo identification showing the elector's name. The photo identification may be but is not limited to a valid driver's license, a school district or postsecondary education photo identification, or a tribal photo identification. If the provisionally registered elector does not enclose a photo identification, the elector may enclose a copy of a current utility bill, bank statement, paycheck, notice of confirmation of voter registration issued pursuant to 13-2-207, government check, or other government document that shows the elector's name and current address.

(b) A tribal photo identification is not required to include a residential address or an expiration date to be considered valid under this section.

(c) An elector may use a nontraditional address as a current address as long as the nontraditional address contains enough detail to allow the elector to be assigned to the proper precinct.

(5) For the purposes of this section:

(a) "Nontraditional address" means an address that consists of a narrative description of the location of the elector's residence and applies when a traditional address has not been assigned or affixed to the elector's residence or when an elector resides on an Indian reservation or Indian lands.

(b) If the election administrator's office is not accessible pursuant to 13-3-205, the election administrator shall designate at least one accessible place of deposit."
Prior to election day, ballots may be returned to any designated place of deposit during the days and times set by the election administrator and within the regular business hours of the location.

On election day, each location designated as a place of deposit must be open as provided in 13-1-106, and ballots may be returned during those hours.

The election administrator may designate certain locations as election day places of deposit, and any designated location functions as a place of deposit only on election day.

Each place of deposit must be staffed by at least two election officials who, except for election judges serving in elections under Title 20, chapter 20, are selected in the same manner as provided for the selection of election judges in 13-4-102.

The election administrator shall provide each designated place of deposit with an official ballot transport box secured as provided by law.
