WHEREAS, the statutory scheme relating to adult-use marijuana allows for an entity to control the manufacture, distribution, and retail sale of marijuana with taxation primarily occurring at the consumer level; and

WHEREAS, this act intends to construct adult-use marijuana around three separate tiers: the manufacture, the wholesale and distribution, and the retail sale of marijuana; and

WHEREAS, this act seeks to change the taxation structure of adult-use marijuana to require taxation strictly at the wholesale level.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Recreational marijuana -- manufacture -- sales -- tax -- deposit in state special revenue fund. (1) All adult-use marijuana in the state must:

(a) be grown in the state only by licensed adult-use marijuana-infused products providers and adult-use providers;

(b) be sold by licensed adult-use marijuana-infused products providers and adult-use providers to
licensed marijuana wholesalers operating warehouses and methods of distribution of marijuana;

(c) be sold by marijuana wholesalers to licensed adult-use dispensaries; and

(d) be purchased by the public only through adult-use dispensaries.

(2) It is the intent of this section to require the taxation of marijuana at the wholesale level when the licensed marijuana wholesalers sell marijuana to the licensed adult-use dispensaries as provided in Title 16, chapter 12, part 4. The excise tax is imposed at a rate of 20% of the wholesale price and reported to the department. The department shall deposit the tax in the general fund. All fees charged by the department as provided in this chapter must be used by the department for administrative costs. The wholesale price of marijuana must be determined by the licensed marijuana manufacturer, and the excise tax as provided in this section must be based on that price.

NEW SECTION. Section 2. Purple card -- licensure -- violations. (1) A person must obtain licensure through the department to grow marijuana for personal use. The license may be referred to as a purple card. A person may not grow marijuana for personal use without possessing a purple card. This section is in addition to the provisions on marijuana cultivation as provided in 16-12-106.

(2) A person holding a purple card is authorized to grow up to four marijuana plants only for personal use.

(3) The department shall issue a license to or renew a license for a person who is applying to be an adult-use provider or adult-use marijuana-infused products provider if the person submits to the department:

(a) the person's name, date of birth, and street address on a form prescribed by the department;

(b) proof that the person is a Montana resident; and

(c) an application fee of $25.

(4) (a) A person may not sell any marijuana grown with a purple card. Any use of marijuana that is not solely for personal use of the person constitutes a violation of this section and this chapter.

(b) Sales of marijuana as prohibited under this section for amounts exceeding $1,000 of the market price of the marijuana constitutes a felony and must be prosecuted through the department of justice. A person convicted under this subsection must be sentenced to up to 5 years in prison with no possibility of parole in addition to a fine as provided in subsection (5).
(5) (a) The department of justice and state and local government units have the authority to
prosecute infractions of this chapter:
(i) by issuing a fine that is five times the amount of the current market price of the marijuana that is
subject to the violation;
(ii) by restricting the person's future use of marijuana for up to a year; and
(iii) by suspending or revoking a person's purple card.
(b) The state and local government units shall provide a list of persons found to have violated this
section to highway patrol officers, county sheriffs, and city police departments on request.
(c) All fines must be paid in full in order to reinstate a person's purple card.
(d) Money from fines must be deposited with the local government where the violation of this section
occurred. The money may be used by the local government for drug treatment, rehabilitation, or education
programs.
