BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

(Refer to Introduced Bill)

Strike everything after the enacting clause and insert:

**Section 1.** Section 16-4-105, MCA, is amended to read:

**"16-4-105. Limit on retail beer licenses -- wine license amendments -- limitation on use of license -- exceptions -- competitive bidding -- rulemaking.** (1) Except as provided in 16-4-109, 16-4-110, 16-4-115, 16-4-420, and chapter 4, part 3, of this title, a license to sell beer at retail or beer and wine at retail, in accordance with the provisions of this code and the rules of the department, may be issued to any person or business entity that is approved by the department, subject to the following exceptions:

(a) The number of retail beer licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within 5 miles of the corporate limits of the cities and towns must be determined on the basis of population prescribed in 16-4-502 as follows:

(i) in incorporated towns of 500 inhabitants or fewer and within 5 miles of the corporate limits of the

1 towns, not more than one retail beer license;

2 (ii) in incorporated cities or incorporated towns of more than 500 inhabitants and not more than 2,000  
3 inhabitants and within 5 miles of the corporate limits of the cities or towns, one retail beer license for every 500  
4 inhabitants;

5 (iii) in incorporated cities of more than 2,000 inhabitants and within 5 miles of the corporate limits of the  
6 cities, four retail beer licenses for the first 2,000 inhabitants, two additional retail beer licenses for the next  
7 2,000 inhabitants or major fraction of 2,000 inhabitants, and one additional retail beer license for each  
8 additional 2,000 inhabitants.

9 (b) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number  
10 of inhabitants residing within 5 miles of the corporate limits of the city or town, governs the number of retail beer  
11 licenses that may be issued for use within the city or town and within 5 miles of the corporate limits of the city or  
12 town. The distance of 5 miles from the corporate limits of an incorporated city or incorporated town must be  
13 measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest  
14 corporate boundary of the city or town. A license that is restricted by quota limitations in this section may not be  
15 located farther than:

16 (i) the county boundary within which the incorporated city or incorporated town is located; or

17 (ii) the line that separates the incorporated city's or incorporated town's boundary from another  
18 incorporated city or incorporated town as specified in this section.

19 (c) (i) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile  
20 boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a  
21 straight line equidistant between each city or town.

22 (ii) If there are more than two overlapping quota areas, the quota area for each city or town terminates  
23 from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as  
24 of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the  
25 straight line equidistant between each city or town, except for the following:

26 (A) In the Helena and East Helena previously combined quota area, the straight line will be drawn  
27 connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area  
28 boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a

1 Helena license or with a physical address of East Helena will become an East Helena license, regardless of  
2 where it falls in the new quota areas.

3 (B) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn  
4 along Mill Creek road to the quota area boundaries.

5 (C) In the Polson and Ronan quota areas, the straight line will be drawn from U.S. highway 93 west  
6 on Pablo West road to the quota area boundary and east on Clairmont road extending out to the quota area  
7 boundary. Any license existing as of November 24, 2017, within the Polson quota area will become a Polson  
8 license, regardless of where it falls in the new quota areas. Any license existing as of November 24, 2017,  
9 within the Ronan quota area will become a Ronan license, regardless of where it falls in the new quota areas.

10 (d) Retail beer licenses of issue on March 7, 1947, and retail beer licenses issued under 16-4-110  
11 that are in excess of the limitations in this section are renewable, but new licenses may not be issued in  
12 violation of the limitations.

13 (e) The limitations do not prevent the issuance of a nontransferable and nonassignable retail beer  
14 license to an enlisted persons', noncommissioned officers', or officers' club located on a state or federal military  
15 reservation on May 13, 1985, or to a post of a nationally chartered veterans' organization or a lodge of a  
16 recognized national fraternal organization if the veterans' or fraternal organization has been in existence for a  
17 period of 5 years or more prior to January 1, 1949.

18 (f) The number of retail beer licenses that the department may issue for use at premises situated  
19 outside of any incorporated city or incorporated town and outside of the area within 5 miles of the corporate  
20 limits or for use at premises situated within any unincorporated area must be determined by the department in  
21 its discretion, except that a retail beer license may not be issued for any premises so situated unless the  
22 department determines that the issuance of the license is required by public convenience and necessity  
23 pursuant to 16-4-203. Subsection (7) does not apply to licenses issued under this subsection (1)(f). The owner  
24 of the license whose premises are situated outside of an incorporated city or incorporated town may offer  
25 gambling, regardless of when the license was issued, if the owner and premises qualify under Title 23, chapter  
26 5, part 3, 5, or 6.

27 (2) (a) For a period of 12 years after November 24, 2017, existing licenses or licenses that resulted  
28 from applications in process as of November 24, 2017, in either of two quota areas that were established as

1 provided in subsection (1)(c) may be transferred between the two quota areas if they were part of the combined  
2 quota area prior to November 24, 2017.

3 (b) If any new retail beer licenses are allowed by separating a combined quota area that existed as of  
4 November 24, 2017, as provided in subsection (1)(c), the department shall publish the availability of no more  
5 than one new beer license a year until the quota has been reached.

6 (c) If any new retail beer licenses are allowed by license transfers as provided in subsection (2)(a),  
7 the department may publish the availability of more than one new license a year until the quota has been  
8 reached.

9 (3) A license issued under subsection (1)(f) that becomes located within 5 miles of an incorporated  
10 city or town because of annexation after April 15, 2005, may not be transferred to another location within the  
11 city quota area any sooner than 5 years from the date of the annexation.

12 (4) When the department determines that a quota area is eligible for a new retail beer license under  
13 subsection (1) or (2)(b), the department shall use a competitive bidding process as provided in 16-4-430 to  
14 determine the party afforded the opportunity to apply for the new license.

15 (5) Except as provided in subsection (2)(b), when more than one new beer license becomes available  
16 at the same time in the same quota area, the department shall conduct a separate competitive bidding process  
17 at separate times for each available license.

18 (6) (a) A person holding a license to sell beer for consumption on the premises at retail may apply to  
19 the department for an amendment to the license permitting the holder to sell wine as well as beer. The  
20 department may issue an amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine  
21 for consumption on the premises would be supplementary to a restaurant or prepared-food business. Except for  
22 beer and wine licenses issued pursuant to 16-4-420, a person holding a beer and wine license may sell wine for  
23 consumption on or off the premises. Nonretention of the beer license, for whatever reason, means automatic  
24 loss of the wine amendment license.

25 (b) A person licensed under this subsection (6) may apply to the department and pay a fee for an  
26 endorsement to, with the licensee's own equipment, trucks, and employees 21 years of age or older, deliver  
27 beer and wine in original packaging if the delivery includes food that is prepared by the licensee at the  
28 licensee's premises. The value of the delivered beer and wine may not exceed the value of the delivered food.

1           (7) Except as provided in subsection (1)(f), a license issued pursuant to this section after October 1,  
2 1997, must have a conspicuous notice that the license may not be used for premises where gambling is  
3 conducted.

4           (8) An applicant for a license issued through a competitive bidding process in 16-4-430 shall pay a  
5 \$25,000 new license fee and in subsequent years pay the annual fee for the license as provided in 16-4-501.

6           (9) The department may adopt rules to implement this section."  
7

8           **Section 2.** Section 16-4-201, MCA, is amended to read:

9           **"16-4-201. All-beverages license quota.** (1) Except as otherwise provided by law, a license to sell  
10 liquor, beer, and table wine at retail, an all-beverages license, in accordance with the provisions of this code  
11 and the rules of the department, may be issued to any person who is approved by the department as a fit and  
12 proper person to sell alcoholic beverages, except that the number of all-beverages licenses that the department  
13 may issue for premises situated within incorporated cities and incorporated towns and within 5 miles of the  
14 corporate limits of those cities and towns must be determined on the basis of population prescribed in 16-4-502  
15 as follows:

16           (a) in incorporated towns of 500 inhabitants or fewer and within 5 miles of the corporate limits of the  
17 towns, not more than two retail licenses;

18           (b) in incorporated cities or incorporated towns of more than 500 inhabitants and not more than 3,000  
19 inhabitants and within 5 miles of the corporate limits of the cities and towns, three retail licenses for the first  
20 1,000 inhabitants and one retail license for each additional 1,000 inhabitants;

21           (c) in incorporated cities of more than 3,000 inhabitants and within 5 miles of the corporate limits of  
22 the cities, five retail licenses for the first 3,000 inhabitants and one retail license for each additional 1,500  
23 inhabitants.

24           (2) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number  
25 of inhabitants residing within 5 miles of the corporate limits of the city or town, governs the number of retail  
26 licenses that may be issued for use within the city or town and within 5 miles of the corporate limits of the city or  
27 town. The distance of 5 miles from the corporate limits of any incorporated city or incorporated town must be  
28 measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest

1 corporate boundary of the city or town. A license that is restricted by quota limitations in this section may not be  
2 located farther than:

3 (a) the county boundary within which the incorporated city or incorporated town is located; or

4 (b) the line that separates the incorporated city's or incorporated town's boundary from another  
5 incorporated city or incorporated town as specified in this section.

6 (3) (a) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile  
7 boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a  
8 straight line equidistant between each city or town.

9 (b) If there are more than two overlapping quota areas, the quota area for each city or town terminates  
10 from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as  
11 of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the  
12 straight line equidistant between each city or town, except for the following:

13 (i) In the Helena and East Helena previously combined quota area, the straight line will be drawn  
14 connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area  
15 boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a  
16 Helena license or with a physical address of East Helena will become an East Helena license, regardless of  
17 where it falls in the new quota areas.

18 (ii) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn along  
19 Mill Creek road to the quota area boundaries.

20 (iii) In the Polson and Ronan quota areas, the straight line will be drawn from U.S. highway 93 west on  
21 Pablo West road to the quota area boundary and east on Clairmont road extending out to the quota area  
22 boundary. Any license existing as of November 24, 2017, within the Polson quota area will become a Polson  
23 license, regardless of where it falls in the new quota areas. Any license existing as of November 24, 2017,  
24 within the Ronan quota area will become a Ronan license, regardless of where it falls in the new quota areas.

25 (4) For a period of 12 years after November 24, 2017, existing licenses or licenses that resulted from  
26 applications in process as of November 24, 2017, in either of two quota areas that were established as  
27 provided in subsection (3) may be transferred between the two quota areas if they were part of the combined  
28 quota area prior to November 24, 2017.

1 (5) (a) If any new retail all-beverages licenses are allowed by separating a combined quota area that  
2 existed as of November 24, 2017, as provided in subsection (3), the department shall publish the availability of  
3 no more than one new retail all-beverages license a year until the quota has been reached. The department  
4 shall use a competitive bidding process as provided in 16-4-430 to determine the party afforded the opportunity  
5 to apply for the new license.

6 (b) If any new all-beverages licenses are allowed by license transfers as provided in subsection (4),  
7 the department may publish the availability of more than one new license a year until the quota has been  
8 reached.

9 (6) Except as provided in subsection (5)(a), when more than one new all-beverages license becomes  
10 available at the same time in the same quota area, the department shall conduct a separate competitive bidding  
11 process at separate times for each available license.

12 (7) Retail all-beverages licenses of issue on March 7, 1947, and all-beverages licenses issued under  
13 16-4-209 that are in excess of the limitations in subsections (1) and (2) are renewable, but new licenses may  
14 not be issued in violation of the limitations.

15 (8) The limitations in subsections (1) and (2) do not prevent the issuance of a nontransferable and  
16 nonassignable, as to ownership only, retail license to:

17 (a) an enlisted personnel, noncommissioned officers', or officers' club located on a state or federal  
18 military reservation on May 13, 1985;

19 (b) any post of a nationally chartered veterans' organization or any lodge of a recognized national  
20 fraternal organization if the veterans' or fraternal organization has been in existence for a period of 5 years or  
21 more prior to January 1, 1949; or

22 (c) a continuing care retirement community as provided in 16-4-315.

23 (9) The number of retail all-beverages licenses that the department may issue for use at premises  
24 situated more than 5 miles outside of any incorporated city or incorporated town may not be more than one  
25 license for each 750 in population of the county after excluding the population of incorporated cities and  
26 incorporated towns in the county.

27 (10) An all-beverages license issued under subsection (9) that becomes located within 5 miles of an  
28 incorporated city or town because of annexation after April 15, 2005, may not be transferred to another location

1 within the city quota area any sooner than 5 years from the date of annexation.

2 (11) A person licensed under this section may apply to the department and pay a fee for an  
 3 endorsement to, with the licensee's own equipment, trucks, and employees 21 years of age or older, deliver  
 4 beer and wine in original packaging if the delivery includes food that is prepared by the licensee at the  
 5 licensee's premises. The value of the delivered beer and wine may not exceed the value of the delivered food.

6 ~~(11)~~(12) The department may adopt rules to implement this section."  
 7

8 **Section 3.** Section 16-4-420, MCA, is amended to read:

9 **"16-4-420. Restaurant beer and wine license -- competitive bidding -- rulemaking.** (1) The  
 10 department shall issue a restaurant beer and wine license to an applicant whenever the department determines  
 11 that the applicant, in addition to satisfying the requirements of this section, meets the following qualifications  
 12 and conditions:

13 (a) the applicant complies with the licensing criteria provided in 16-4-401 for an on-premises  
 14 consumption license;

15 (b) the applicant operates a restaurant at the location where the restaurant beer and wine license will  
 16 be used or satisfies the department that:

17 (i) the applicant intends to open a restaurant that will meet the requirements of subsection (6) and  
 18 intends to operate the restaurant so that at least 65% of the restaurant's gross income during its first year of  
 19 operation is expected to be the result of the sale of food;

20 (ii) the restaurant beer and wine license will be used in conjunction with that restaurant, that the  
 21 restaurant will serve beer and wine only to a patron who orders food, and that beer and wine purchases will be  
 22 stated on the food bill; and

23 (iii) the restaurant will serve beer and wine from a service bar, as service bar is defined by the  
 24 department by rule;

25 (c) the applicant understands and acknowledges in writing on the application that this license prohibits  
 26 the applicant from being licensed to conduct any gaming or gambling activity or operate any gambling  
 27 machines and that if any gaming or gambling activity or machine exists at the location where the restaurant  
 28 beer and wine license will be used, the activity must be discontinued or the machines must be removed before

1 the restaurant beer and wine license takes effect; and

2 (d) the applicant states the planned seating capacity of the restaurant, if it is to be built, or the current  
3 seating capacity if the restaurant is operating.

4 (2) (a) A restaurant that has an existing retail license for the sale of beer, wine, or any other alcoholic  
5 beverage may not be considered for a restaurant beer and wine license at the same location.

6 (b) (i) An on-premises retail licensee who sells the licensee's existing retail license may not apply for  
7 a license under this section for a period of 1 year from the date that license is transferred to a new purchaser.

8 (ii) A person, including an individual, with an ownership interest in an existing on-premises retail  
9 license that is being transferred to a new purchaser may not attain an ownership interest in a license applied for  
10 under this section for a period of 1 year from the date that the existing on-premises retail license is transferred  
11 to a new purchaser.

12 (3) A completed application for a license under this section and the appropriate application fee, as  
13 provided in subsection (11), must be submitted to the department. The department shall investigate the items  
14 relating to the application as described in subsections (3)(a) and (3)(b). Based on the results of the investigation  
15 and the exercise of its sound discretion, the department shall determine whether:

16 (a) the applicant is qualified to receive a license; and

17 (b) (i) the applicant's premises are suitable for the carrying on of the business;

18 (ii) the applicant is qualified to receive a license prior to a determination that the applicant's premises  
19 are suitable for carrying on with the business in accordance with 16-4-417; or

20 (iii) if the applicant has already been issued a license, the proposed premises are suitable for the  
21 carrying on of the business and the seating capacity stated on the application is correct.

22 (4) An application for a beer and wine license submitted under this section is subject to the provisions  
23 of 16-4-203, 16-4-207, and 16-4-405.

24 (5) If a premises proposed for licensing under this section is a new or remodeled structure, then the  
25 department may issue a license prior to completion of the premises based on reasonable evidence, including a  
26 statement from the applicant's architect or contractor confirming that the seating capacity stated on the  
27 application is correct, that the premises will be suitable for the carrying on of business as a bona fide  
28 restaurant, as defined in subsection (6). If a license is issued without a premises, the license will immediately

1 be placed on nonuse status until the premises are approved subject to 16-4-417.

2 (6) (a) For purposes of this section, "restaurant" means a public eating place:

3 (i) where individually priced meals are prepared and served for on-premises consumption;

4 (ii) where at least 65% of the restaurant's annual gross income from the operation must be from the  
5 sale of food and not from the sale of alcoholic beverages. Each year after a license is issued, the applicant shall  
6 file with the department a statement, in a form approved by the department, attesting that at least 65% of the  
7 gross income of the restaurant during the prior year resulted from the sale of food.

8 (iii) that has a dining room, a kitchen, and the number and kinds of employees necessary for the  
9 preparation, cooking, and serving of meals in order to satisfy the department that the space is intended for use  
10 as a full-service restaurant; and

11 (iv) that serves an evening dinner meal at least 4 days a week for at least 2 hours a day between the  
12 hours of 5 p.m. and 11 p.m. The provisions of subsection (6)(b) and this subsection (6)(a)(iv) do not apply to a  
13 restaurant for which a restaurant beer and wine license is in effect as of April 9, 2009, or to subsequent  
14 renewals of that license.

15 (b) The term does not mean a fast-food restaurant that, excluding any carry-out business, serves a  
16 majority of its food and drink in throw-away containers not reused in the same restaurant.

17 (7) (a) A restaurant beer and wine license not issued through a competitive bidding process as  
18 provided in 16-4-430 may be transferred, on approval by the department, from the original applicant to a new  
19 owner of the restaurant only after 1 year of use by the original owner, unless that transfer is due to the death of  
20 an owner.

21 (b) A license issued under this section may be jointly owned, and the license may pass to the  
22 surviving joint tenant upon the death of the other tenant. However, the license may not be transferred to any  
23 other person or entity by operation of the laws of inheritance or succession or any other laws allowing the  
24 transfer of property upon the death of the owner in this state or in another state.

25 (c) An estate may, upon the sale of a restaurant that is property of the estate and with the approval of  
26 the department, transfer a restaurant beer and wine license to a new owner.

27 (8) (a) The department shall issue a restaurant beer and wine license to a qualified applicant:

28 (i) except as provided in subsection (8)(c), for a restaurant located in a quota area with a population of

1 5,000 persons or fewer, as the quota area population is determined in 16-4-105, if the number of restaurant  
2 beer and wine licenses issued in that quota area is equal to or less than 80% of the number of beer licenses  
3 that may be issued in that quota area pursuant to 16-4-105;

4 (ii) for a restaurant located in a quota area with a population of 5,001 to 20,000 persons, as the quota  
5 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that  
6 quota area is equal to or less than 160% of the number of beer licenses that may be issued in that quota area  
7 pursuant to 16-4-105;

8 (iii) for a restaurant located in a quota area with a population of 20,001 to 60,000 persons, as the quota  
9 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that  
10 quota area is equal to or less than 100% of the number of beer licenses that may be issued in that quota area  
11 pursuant to 16-4-105;

12 (iv) for a restaurant located in a quota area with a population of 60,001 persons or more, as the quota  
13 area population is determined in 16-4-105, if the number of restaurant beer and wine licenses issued in that  
14 quota area is equal to or less than 80% of the number of beer licenses that may be issued in that quota area  
15 pursuant to 16-4-105; and

16 (v) for a restaurant located in a quota area that is also a resort community, as defined in 7-6-1501, if  
17 the number of restaurant beer and wine licenses issued in the quota area that is also a resort community is  
18 equal to or less than 200% of the number of beer licenses that may be issued in that quota area pursuant to 16-  
19 4-105.

20 (b) In determining the number of restaurant beer and wine licenses that may be issued under this  
21 subsection (8) based on the percentage amounts described in subsections (8)(a)(i) through (8)(a)(v), the  
22 department shall round to the nearer whole number.

23 (c) If the department has issued the number of restaurant beer and wine licenses authorized for a  
24 quota area under subsection (8)(a)(i), there must be a one-time adjustment of four additional licenses for that  
25 quota area.

26 (d) (i) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile  
27 boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a  
28 straight line equidistant between each city or town. A license that is restricted by quota limitations in this section

1 may not be located farther than:

2 (A) the county boundary within which the incorporated city or incorporated town is located; or

3 (B) the line that separates the incorporated city's or incorporated town's boundary from another  
4 incorporated city or incorporated town as specified in this section.

5 (ii) If there are more than two overlapping quota areas, the quota area for each city or town terminates  
6 from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as  
7 of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the  
8 straight line equidistant between each city or town, except for the following:

9 (A) In the Helena and East Helena previously combined quota area, the straight line will be drawn  
10 connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area  
11 boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a  
12 Helena license or with a physical address of East Helena will become an East Helena license, regardless of  
13 where it falls in the new quota areas.

14 (B) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn
