WHEREAS, Montanans supported, fought, died, and were wounded in all theaters of World War II. As Joseph Howard Kinsey wrote in his text, "High, Wide, and Handsome", of the more than 15 million men and women in the United States Armed Forces during "World War II, Montana furnished 75,000" to the effort. "Proportionately this was near the top of all states. In World War II, as in World War I, Montanans were quick to enlist and they were healthy; the proportion rejected because of physical defect was smaller than the national average." Further, the "Montana death rate in World War II was only exceeded by that of New Mexico in proportion to population. Montana [also] had the record of oversubscribing first in eight World War II saving bond drives."

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature does hereby recognize our Montana World War II generation, veterans, and families, and all those who supported our nation's efforts to right a wrong and restore peace through strength from 1940 to 1946, expending time, talent, and sacrifice to include the ultimate sacrifice in support of freedom.

BE IT FURTHER RESOLVED, that the Legislature supports the Spirit of '45 originally declared in July 2010 by an act of the United States Congress, and the recognition of the year 2020 as the 75th Anniversary of the end of World War II with Victory Europe occurring on May 7, 1945, and Victory Japan occurring on August 15, 1945, with the surrender of Japanese forces and the signing of surrender documents on September 2, 1945, on the USS Missouri, and ultimately World War II officially closed on December 31, 1946.

BE IT FURTHER RESOLVED, that this date epitomizes the establishment and sustainment of one of Montana's most viable military veterans groups now identified as the Greatest Generation, and the Legislature
